

Alberni-Clayoquot Regional District BUILDING PERMIT APPLICATION

The following information is required at the time of application. If all applicable items listed below are not attached, the permit application will not be accepted for processing.

- One (1) completed Building Permit Application.
- Two (2) sets of plans that include foundation layout and details, floor plan and point loads, roof plan and point loads, cross sections, and north/south/east/west elevation drawings.
- One (1) site plan showing the location of the proposed structure, as well as any existing structures, on the property. Note: any structure within 20 feet of a given setback will require a registered BC Land Survey.
- When applicable, we require proof that a sewage disposal system design has been filed with the required Health Authority, as required by the Health Act. This is not required if the property is serviced by a community sewage system or if you are building an accessory building with no sewage facilities.
- When applicable, we require one (1) notarized Homeowner Protection form. Forms and instructions can be obtained from the Homeowner Protection Office by calling 1-800-407-7757 or by email at hpo@hpo.bc.ca. The website is www.hpo.bc.ca.

**INCOMPLETE APPLICATIONS WILL BE
RETURNED TO THE APPLICANT.**
