PARTNER WITH THE ALBERNI-CLAYOQUOT REGIONAL DISTRICT
TO PROMOTE THE NEW MULTI-MATERIALS BC RECYCLING PROGRAM**

The Alberni Valley Bulldogs are once again partnering with the ACRD to promote the 3 R's program to local schools and at the Multiplex. With the implementation of the Multi-Materials British Columbia recycling program, the program has grown to include more items and the Bulldogs are helping us get the message out to everyone! We are excited about this partnership and look forward to an educational and successful season.

Starting May 19, 2014, businesses that supply packaging and printed paper to BC residents became responsible for collecting and managing these materials so they can be recycled. Multi-Material BC (MMBC), a non-profit organization working on behalf of these businesses, will be responsible for residential recycling programs in many areas across BC, either directly or by working with local governments, First Nations, private companies and not-for-profit organizations.
