

# *Alberni-Clayoquot Regional District Beaver Creek Water Service*

## New Kitsuksis Reservoir Completed

The new Kitsuksis Reservoir Project is completed and on budget at \$826,000 with 95% of the money coming from a Federal Gas Tax grant. The old reservoir will be taken off line in the coming weeks and an evaluation will be performed to determine its future.

## Strick Road Watermain Replacement Project

The Strick Road Watermain will be replaced starting in July with 94% of the funding coming from a Federal Gas Tax grant and 6% coming from the Beaver Creek Capital Reserve. The new watermain is being installed in approximately the same location and as a temporary overland system will be maintained by the contractor. Please expect minimal water servicing interruptions during the construction.

## Please Ensure Your House # Is Clearly Visible

Some residences do not have clearly posted addresses. This will negatively effect emergency response and utility billing. Please ensure that your house number is clearly visible.

## Watering Restrictions are in effect June 30 to October 15, 2013

Restrictions help us to manage water quality, quantity and emergency needs. Residents with automated irrigation systems should adjust the timing mechanisms of your systems to ensure compliance with these regulations.

- Houses with odd numbers can sprinkle on odd numbered calendar days between the hours of 8:00pm to 10:00am.
- Houses with even numbers can sprinkle on even numbered calendar days between the hours of 8:00pm to 10:00am.
- Sprinkling between the hours of 10:00am and 8:00pm is strictly prohibited.
- Hand watering of flower and vegetable gardens is permitted anytime. Frequent watering promotes shallow root growth and an unhealthy lawn. For a healthy lawn with deep root growth watering of 25mm is recommended once a week.
- Watering during the heat of the day evaporates before soaking in.

## Parcel Tax

The 2013 Beaver Creek Water Parcel Tax was included on your Property Tax bill and is \$238.00, which is the same amount as the prior year, but the Surveyor of Taxes also adds a mandatory 5.25% collection fee making the total \$250.50.

***Beaver Creek Water Advisory Committee and Regular Board meetings are open to the public and the minutes are available online at [www.acrd.com](http://www.acrd.com)***
