

Bamfield Historical Society Members' Social—Private Event  
Pre-Opening Screening of This Year's Exhibit  
*The Life and Legacy of R. Bruce Scott*  
Sunday, June 26th, 2016

Approximately 40 current and new members of the Bamfield Historical Society attended the pre-opening screening of the society's annual exhibit, which is hosted each year in the Bamfield Centennial Park office. The event, which was the first of its kind for the society, was meant as a way of thanking the membership for its support. The society is grateful for the use of this space each year.
