MEMORANDUM

TO: ACRD Board of Directors

FROM: Amy Anaka, Junior Planner

DATE: December 6, 2017

RE: Short Term Vacation Rentals Temporary Use Permit Policy and Development Procedures and Fees Bylaw Amendment

Recommendations:

1. THAT the Board of Directors adopt the Short Term Vacation Rentals Temporary Use Permit Policy;
2. THAT the ACRD Development Procedures and Fees Bylaw P1364, 2017 be read a first time;
3. THAT the ACRD Development Procedures and Fees Bylaw P1364, 2017 be read a second time;
4. THAT the ACRD Development Procedures and Fees Bylaw P1364, 2017 be read a third time; and
5. THAT the ACRD Development Procedures and Fees Bylaw P1364, 2017 be adopted.

Background

At the November 22, 2017 ACRD Board of Directors meeting, the Short Term Vacation Rentals (STRs) Consultation Summary and Recommendations Report was presented. The report summarized the public consultation initiatives undertaken to explore stakeholder input and insights on local issues related to STRs, provided information from other communities' experiences, and outlined options to determine how to move forward in managing these types of rentals in the ACRD.

Based on consultation, the preferred option from stakeholders for managing STRs in the ACRD is for permitting them with a Temporary Use Permit (TUP). Based on this, ACRD staff made the following recommendations which were carried by the Board on November 22, 2017:

- Prepare a policy document for consideration by the Board requiring that STR applications are first considered by Temporary Use Permit;
- Draft an amendment to the Development Procedures Bylaw to increase the application fee for a STR Temporary Use Permit from \$300 to \$600; and;
- Include a potential increase to bylaw enforcement resources to the 2018 budget discussions.

Staff presented the recommendations as is to ensure there is STR policy guidelines in place before the start of the 2018 rental season.

The Board also carried a motion that the following additional staff recommendations with respect to STRs be referred for consideration at the next Electoral Area Directors meeting:

- Refer draft policy document to the Advisory Planning Commissions in each area for their consideration;
- Hold a public meeting to discuss draft policy document prior to consideration by the Board;
- Add a clear definition of short term vacation rentals to the Zoning Bylaw – this will be added to the updated Zoning Bylaw which is currently underway;
- More clearly articulate the permitted uses in each zone in the Zoning Bylaw to ensure use cannot be misconstrued with allowing short term vacation rentals – this will be added to the updated Zoning Bylaw which is currently underway; and
- Have an education or social marketing campaign once the new rules are in place to ensure all residents and property owners are aware of what is or is not permitted.

Short Term Vacation Rentals Temporary Use Permit Policy

Based on direction from the Board, staff have prepared a Short Term Vacation Rentals Temporary Use Permit Policy (Appendix A), which outlines guidelines for when a TUP may be considered by the Regional Board to allow STR uses to occur for a short period of time (less than a month). This policy is a guide to follow when considering issuing a TUP for STRs in the ACRD. The policy may be amended by the Board of Directors as needed.

The policy outlines guidelines regarding:

- TUP term and renewal;
- Criteria in evaluating a TUP application submitted to the Regional Board; and
- Conditions in issuing a TUP, which will be specific to each individual TUP issued.

Properties within all of the land use designations in the ACRD Electoral Area OCPs (Bamfield, Beaufort, South Long Beach, Sproat Lake, Beaver Creek and Cherry Creek) are designated under the *Local Government Act* (LGA) (s. 492) as areas in which TUPs may be issued. If a property owner within an Electoral Area wants to apply for a TUP, and the property is not within an OCP area, approval of the TUP is by bylaw and subject to a Public Hearing.

If the ACRD Regional Board passes a resolution to consider issuing a TUP, it must give notice to all neighbouring property owners and residents within 100m, and post a notice in the newspaper.

Prior to the Regional Board issuing a TUP, the application will be reviewed and discussed at the Electoral Area (EA) Advisory Planning Commission (APC) meeting. A public information meeting may also occur prior to the issuance of a TUP, if deemed necessary by the EA APC or Regional Board.

A TUP can be issued for up to three years, and can be renewed once for a further three years. The South Long Beach (Area C) OCP permits TUPs for a period up to two years, with consideration for renewal for another two years. At the end of the two or three years, the property owner may have the option of applying for a subsequent TUP. The issuance of a TUP should not be interpreted as eventually leading to

permanent zoning, however, a property owner can apply to rezone their property to a zone that permits the operation of a STR on a permanent basis or under certain parameters.

Development Procedures and Fees Bylaw Amendment

The Regional Board also directed staff to amend the Development Procedures and Fees Bylaw to increase the TUP application fee from \$300 to 600 (Appendix B), which will assist with the administrative cost of managing development applications to allow STRs by TUP. Included with this bylaw amendment is a new STR TUP application form.

Bylaw Enforcement

As recommended by staff, the Regional Board also directed staff to include a potential increase to bylaw enforcement resources to the 2018 budget discussions. This will assist with the likely increase to bylaw enforcement costs relating to STRs, including monitoring and managing of approved STRs as well as investigating complaints of STRs operating without ACRD approval.

Next Steps

If the Board adopts the policy guidelines for STR TUPs, and the Development Procedures and Fees bylaw amendment, staff will work to ensure a system is in place to accept TUP applications to be referred and issued before the 2018 rental season.

Alberni-Clayoquot Regional District

SHORT TERM VACATION RENTALS TEMPORARY USE PERMIT POLICY

Policy Issued by: Board of Directors
Date Adopted:
Date(s) Amended:

1.0 POLICY GUIDELINE

The Alberni-Clayoquot Regional District's (ACRD) preference for managing short term vacation rentals (STRs), where it is appropriate, is with Temporary Use Permits (TUPs). If the ACRD issues a TUP, a term limit of not greater than three years shall apply (two years in the South Long Beach 'Area C' Official Community Plan area) to TUPs issued for STR use on land within an Official Community Plan (OCP) area.

2.0 PURPOSE

TUPs may be considered by the Regional Board to allow STR uses to occur for a short period of time (less than a month). The permit contains detailed requirements at the discretion of the Regional Board and is only in effect for a limited period of time. TUPs allow a use on a temporary basis that would otherwise not be permitted in the Zoning Bylaw.

Should it be determined that a STR use is inappropriate, incompatible or unviable at a particular location, or if there is a change in property ownership, a TUP may be allowed to lapse or not be renewed (subject to application) within a relatively short time period (ie. within one year of operation). If an STR is being operated contrary to the conditions of use in the TUP, there will be an option to consider revoking the TUP.

3.0 POLICY

3.1 Regulation

Properties within all of the land use designations in the ACRD Electoral Area OCPs (Bamfield, Beaufort, South Long Beach, Sproat Lake, Beaver Creek and Cherry Creek) are designated under the *Local Government Act* (LGA) (s. 492) as areas in which TUPs may be issued.

The LGA (s. 493) permits, on application by an owner of land, the ACRD to issue a TUP by resolution to land within a designated OCP area to:

- allow a use not permitted by a Zoning Bylaw; and
- specify conditions under which the temporary use may be carried on.

ACRD OCPs include policy permitting issuing TUPs for commercial or industrial use in appropriate areas within all land use designations. A TUP may be considered within ACRD OCP areas. If a property owner within an Electoral Area wants to apply for a TUP, and the property is not within an OCP area, approval of the TUP is by bylaw and subject to a Public Hearing.

The ACRD Zoning Bylaw No. 15 was adopted in 1973 and does not include regulation on STRs in residential districts, as these types of rentals were not an issue at that time. Certain “Commercial” and “Cottage” zones permit the operation of a STR on a permanent basis or under certain parameters.

3.2 Notification and referral

If the ACRD Regional Board passes a resolution to consider issuing a TUP, it must give notice to all neighbouring property owners and residents within 100m, and post a notice in the newspaper.

Prior to the Regional Board issuing a TUP, the application will be reviewed and discussed at the Electoral Area (EA) Advisory Planning Commission (APC) meeting. A public information meeting may also occur prior to the issuance of a TUP, if deemed necessary by the EA APC or Regional Board.

3.3 Term and renewal

A property owner can apply for a TUP, which can be issued for up to three years, and can be renewed once for a further three years. The South Long Beach (Area C) OCP permits TUPs for a period up to two years, with consideration for renewal for another two years. At the end of the two or three years, the property owner may have the option of applying for a subsequent TUP. The issuance of a TUP should not be interpreted as eventually leading to permanent zoning, however, a property owner can apply to rezone their property to a zone that permits the operation of a STR on a permanent basis or under certain parameters.

3.4 Criteria

In evaluating a TUP application submitted to the Regional Board by the applicant, the Regional District may consider the following criteria:

- a. the use must be clearly temporary or seasonal in nature;
- b. the use must not alter the residential appearance of the property;
- c. one STR permitted per property;
- d. compatibility of the proposal with adjacent uses; and
- e. impact of the proposed use on the natural environment, including groundwater.

3.5 Conditions

3.5.1 In issuing a TUP, the Regional District may specify conditions including, but not limited to:

- a. the buildings to be used;
- b. the area of use;
- c. the hours of use;
- d. form and character; and
- e. environmental protection.

3.5.2 In issuing a TUP for a STR, the Regional District may specify conditions, in addition to those listed under sub-section 3.5.1, including, but not limited to:

- a. Screening or fencing in order to address potential impacts or to address neighbour privacy issues;
- b. The owner or caretaker’s contact information, with availability or accessibility by phone 24 hours a day and 7 days a week, as well as a copy of any issued TUP, posted in a visible public location;
- c. The owner or caretaker living on-site or available within 20 minutes;

- d. The posting of the following information:
 - I. any applicable Regional District noise control bylaws;
 - II. clear noise rules and quiet times;
 - III. measures to address water conservation;
 - IV. fire safety regulations;
 - V. boater safety and marine patrol information;
 - VI. storage and management of garbage; and
 - VII. control of pets (if pets are permitted);
- e. Confirmation of adequate on-site sewage system capable of accommodating the STR;
- f. Confirmation that the dwelling has adequate safety for occupation (which may include review by a ACRD Building Inspector);
- g. A maximum occupancy of two (2) persons per bedroom within a dwelling unit when such a dwelling unit is being occupied as a STR;
- h. A maximum of one (1) boat per STR rental, if adequate dock space is provided;
- i. The provision of one (1) parking space on-site for each bedroom available for STR;
- j. With the exception of an Accessory Dwelling Unit, the prohibition of the use of recreational vehicles or camping on the property or any use of accessory buildings for STR occupancy;
- k. Rescinding and/or terminating the TUP if the STR is not adhering to the conditions, or if there is a change of ownership; and
- l. Other requirements that the Regional District Board may consider appropriate.

3.1 APPLICATION

This policy applies to all properties within the ACRD.

3.2 RESPONSIBILITY

Planning and Development Services Department.

4.0 DEFINITIONS

“**short term vacation rental**” means the use of a dwelling unit for the temporary commercial accommodation of paying guests for a period of less than one month. This use does not include bed and breakfast.
