

Alberni-Clayoquot Regional District

On behalf of the Alberni-Clayoquot Regional District we would like to extend our appreciation to all those who participated in the Emergency Coastal Response Exercise, June 7th to 10th in the Alberni Valley.

The exercise was a resounding success and assists the Regional District in being better prepared in the event of a real emergency or disaster. This would not have been possible without your support or participation.

THANK YOU

Russell Dyson,
Chief Administrative Officer
