**REQUEST FOR PROPOSALS**

**COMMUNITY WILDFIRE PROTECTION PLAN  
Risk Assessment and Hazard Mitigation Options Project**

The Alberni-Clayoquot Regional District (ACRD) requests proposals from qualified and experienced proponents to conduct a wildfire risk assessment and provide hazard mitigation recommendations for identified areas in and adjacent to municipalities and rural communities within the Regional District .

The ACRD has identified two Assessment Areas. An application for funding under the Community Wildfire Protection Plan program has been approved to undertake the works proposed in response to this Request for Proposals.
