## MEMORANDUM

**To:** Russell Dyson, Chief Administrative Officer; and  
Regional Board of Directors

**From:** Heather Adair, Junior Planner

**Date:** June 19, 2015

**Subject:** TUP15012, Lance Goddard. LOT 1, DISTRICT LOT 22, ALBERNI DISTRICT, PLAN  
VIP70566, 5771 Beaver Creek Rd.

---

### Recommendation

Board direction requested.

### Options

- 1) Issue Temporary Use Permit as proposed
- 2) Issue Temporary Use Permit with amendments
- 3) Deny Temporary Use Permit

### Background

On May 27, 2015 the Board reviewed an application for a Temporary Use Permit for LOT 1, DISTRICT LOT 22, ALBERNI DISTRICT, PLAN VIP70566 located at 5771 Beaver Creek Rd.

The Board recommended that this application be furthered to the next stage of the temporary use permit process subject to:

- Written response from the RCMP with their recommendations;
- Compliance with the conditions listed in the Temporary Use Permit; and
- Written approval from the Beaver Creek Volunteer Fire Department Fire Chief.

On June 12, 2015 the Beaver Creek Volunteer Fire Department Fire Chief indicated approval subject to the following conditions:

- the ban on open fires must be adhered to;
- smoking is restricted and policed as per the plan;
- access for fire trucks must be kept clear of traffic at all times;
- adequate water pump cans/extinguishers are on site for immediate use by event staff; and

### TUP15012

- sufficient security personnel are present to enforce the above with zero exceptions.

The RCMP provided a letter dated May 22, 2015 that indicates: “The general plan and actions outlined within meet what is expected for an event this size. I do wish to take this opportunity to remind you that this view is contingent upon what has been outline being put into place. The responsibility for security remains with the organizers of the ‘Five Acre Shaker Music Festival’. Although not required by the Ministry of Transportation and Infrastructure it is highly recommended that ‘certified flagger’ be used for traffic control on Beaver Creek Road”.

On June 18, 2015 the applicants provided a letter from the Alberni Motocross Association that indicates that they will provide the use of their 1000 gallon water truck for August 14<sup>th</sup> and 15<sup>th</sup>. The truck has a water spreader to wet down event grounds and has a built in water pump with 40 feet of fire hose for on-site fire prevention and fire fighting. The applicants have also provided an email from the Port Alberni Port Authority which grants the applicants the use of the launch ramp at Clutesi Haven Marina to fill a water truck from August 14 – August 16, 2015.

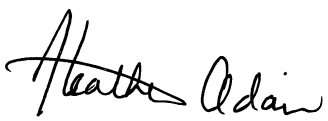

**Notification and Correspondence Received**

Notification of the Temporary Use Permit was advertised in the June 16, 2015 issue of the AV Times, and notification to all residents and property owners of properties within 200 feet of the subject property was completed June 12, 2015. The signed correspondence that was received by 8:30am on Friday June 19, 2015 is attached (Appendix A) and summarized below. Signed correspondence received after this date will be provided to the Board of Directors in a hard copy.

Signed Correspondence in Support of TUP	Unsigned Correspondence in Support of TUP	Signed Correspondence Objecting to TUP	Unsigned Correspondence Objecting to TUP
994	8	88	0

\* Please note that correspondence that was unsigned is tallied above but not attached as per ACRD Board Policy.

If approved, the permit will allow the applicant to hold the “Five Acre Shaker Music Festival” on August 14<sup>th</sup> – 16<sup>th</sup>, 2015 on property legally described as LOT 1, DISTRICT LOT 22, ALBERNI DISTRICT, PLAN VIP70566 (5771 Beaver Creek Road) subject to the conditions listed in the permit.

## APPENDIX A

**CORRESPONDENCE**

**SIGNED CORRESPONDENCE IN SUPPORT OF TEMPORARY USE PERMIT**

**Sent:** Sunday, June 07, 2015 5:52 PM  
**To:** Mlrg  
**Subject:** 5 acre shaker

To All it concerns.

I am 64 years old and live directly across the street at 5762  
beaver creek rd.

I absolutely have NO problems with them having it again this  
year. Also they could make it bigger .

There were no problems at all with it last year and the music  
hardly carries across.

I hear Thunder in the Valley more than them.

Thanks

Lois Lockett

Please find attached my letter regarding this years request to hold the 5 acre shaker, and I request a chance to speak at this public hearing please  
Thank you so much for your time on this matter  
Kim Blake

---

Letter to the Alberni Clayquot Regional District Re: Lance Goddard, Five Acre Productions and The Five Acre Shaker.

To whom it may concern,  
My name is Kimberly Blake and I am writing to encourage you to please consider Mr. Goddards request to hold an event this coming August 2015.

I am in favor and in support of "all things Lance Goddard and Five Acre Productions" , please let me explain.....

In the winter of 2013/14, My son Zakkaree and a friend Nic had a dream of planning a summer event, local event, local talent.  
A place for our local youth to blow off steam and show off their talents. As they were together in a band called North by Nature Collective and had been playing locals venues such as the Rainbow Room. They last played the Rainbow Room Feb 28th, 2014.....  
While coming home from Duncan on April 6th 2014, my son Zakkaree was killed in a car accident.

While the family was still in shock, Nic and Lance Goddard picked up this dream and moved forward. Although Zakk and Lance had never met, they all shared this same vision.  
Lance then planned...."The Five Acre Shaker" of course I know he didn't do it alone, but it was his property, time and planning he extended, and it was well worth it.

When we approached as family, in the trees we could see, a wooden memorial to my son.  
To the right was organized parking and toilets, porta potties I guess.  
We continued on and found burgers, hot dogs, salads and drinks for sale. Along with vendors selling shirts and such.  
There was a wonderful stage setup with dance floor and as a parent I noticed the garbage cans and cigarette butt containers.  
As you walked past the stage area you came into this wonderful field for the campers, tents and trailers.  
Security was everywhere and their moods were pleasant and calm and helped add to the

overall feeling of the event.

This was a well thought out and planned event and went without any emergencies or police needed.

It deserves recognition as a local festival. along with such events as Thunder in the Valley, Fall Fair or Salmon Fest. I believe it holds the potential to be an island event.

It brings in visitors, which in turn sells gas, groceries, beer, hotel rooms and meals at our restaurants.

As well as bringing in much needed local revenue, Mr. Goddard then handed me a donation.

I looked all over town for a fit to that donation.

I went to the high school, mental health, womens center and family guidance but I just couldn't find the right fit.

You see my son was only 22 and would write music to release depression and the small public performances became an outlet. So I'm looking for that kind of fit. It must be youth and it must be music.

In the meantime, Mr. Goddard held another wonderful event..."The Halloween Shaker" , and donates more money. So we have named ourselves "The Zattzoo Project" and want to fund local youth music programs.

The Zattzoo Project has held 2 events raising more money for this "mystery" program.

Well mystery no more...Thanks to Jess Towers. This wonderful person has come to us and is planning and putting together the first Zattzoo Project funded,

Port Alberni Youth Battle of the Bands,

for youth under 25. It is happening May 15th 2015 and will have 3 celebrity judges and is bringing more than local attention. The winner gets to play at this years Shaker.

So as a mother this warms my heart to be part of something so positive with our local youth

Most importantly it hits an age group that needs attention and deserves our attention.

And really, you can't argue with the much needed revenue it brings.

I ask you to please seriously consider his request as I see only positive things coming from Mr. Goddard and his events.

Thank you for your time and consideration

Kimberly Blake

Hello there I'm sending this email because I understand that it is up to the public to support the event this time around, I just wanted to let you know how awesome and inspirational it is to see an everyday average guy host such a good & clean event. I think that smaller Community's such as port Alberni need more venues like this, I think it brings people together in a way bars and strip clubs never will. These folks have 100% of my vote , I hope more people take the time to let you guys understand how we feel about it , thank you for your time.

Sincerely  
Joey Banys

**Subject:** 5 Acre Shaker

Hey there,

I am writing to tell you what the shaker means to me. I'm actually new to the Alberni Valley and was not here for last summer's shenanigans so unfortunately I have yet to attend a Shaker. But as an avid festival goer and lover of LIVE music and being outdoors, and from all the great reviews I've heard, I think this festival is HUGE for the Alberni Valley, especially with the current 'slump' this city is in, it's a great event for people of all ages to get together and have a good time, and it's bringing money from outside of the valley which is really what this town needs right now! :) There's my two cents.

Thanks,  
Ashleigh Clark

**Subject:** Letter regarding: The Five Acre Shaker

To whom it may concern:

My name is Michael Winkler, and I would like to share my thoughts on the Five Acre Shaker, my Partner in life ,Kim Blake, and I moved back to Port Alberni in 2012,happy at first, then she lost her youngest son Zakk in an mva in April 6th 2014,our life changed. For the first time in My life, I saw if I dare say the beauty of death? The love and support was amazing, and then it slowly started to change others, This so called movement, mixed with Love and Support, and the Love of Music was awesome to watch grow. I had the privilege to escort Kim Blake to this event....The First 5 acre Shaker, Kim and I have gone to a lot of music shows in our life, this was simply ,a Happy event, organised ,friendly,lots of room, food, Washrooms, ashtrays for the smokers ,friendly security ,proper amounts of parking ,now I have to admit Kim and I felt a Little older, considering how young the crowd was,(and NO under aged Kids).It was Awesome to see THIS display of Port Alberni's Youth, enjoy themselves ,Any parent that would have seen there child there would have been proud, but , Music has a way of freeing the mind ,this is no time for Reruns of Foot loose the movie, This is a Town of Dancing and music, and let us not forget the bond that Music can do for us all. We have LOUD events such as the Fall Fair of which WE hear at South Port where WE live ,but yet we know there is a Beginning and an End ,and of course the Toy Run, no loud bikes in our hood? ,but again ,there is a beginning and an end. The respect for Lance Goddard and Jess Towers, will grow in this town, they are the Young Bloods of this Fine little City. ....and maybe Growing up in a small town, will have a whole New meaning in this Part of the Island.

thanks for your time and effort , looking FORWARD to seeing THIS Town be Recognised in a New Light.

.

Forever Trying  
Long Live The Five Acre Shaker

I totally support this fun event.. I feel it will bring people closer together .. Bring people to our town to enjoy our amenities and find zero issue with this event.. Everything is up to par for security and entertainment. And last year it went well . I didn't get to go last year but this year I plan to attend... All money goes to local charity to so I see no issues at all here ...

To whom it may concern,

I am writing in regards to the Five acre shaker. As a young working professional who has just moved back to Port Alberni from the city, I am always looking for positive community activities I can take part in.

This is one of them. We need these kind of events to bring more young professionals back to our town, as well as give people the opportunity to join together in support as a community. The more events we can have like this one, the more tourism we will have for our beautiful town.

This event has my full support and I hope more events like this will be organized in the future.

Thank you for your consideration,

Cc: lancegoddard

I am writing to you to show my support for the Five Acre Shaker Outdoor Music Festival as they have planned the event for this year.

I think it is extremely narrow minded and petty to deny a temporary use permit to host the Five Acre Shaker Outdoor Music Festival event for one thousand people at 5771 Beaver Creek Road this year during the timelines they have specified, given that written consent has already been obtained from the RCMP, the Beaver Creek Volunteer Fire Department, the Vancouver Island Health Authority, and the Ministry of Transportation and Infrastructure to host a thousand person event, and the fact that they have no plans to host the event at this location in the future.

The organizers have clearly demonstrated that they are committed to hosting a safe event. They hope to continue to grow the event in following years; should you deny their permit this year, that may not happen.

It makes little sense to sabotage an event that may draw more tourists and economic activity to Port Alberni on a weekend when we have no other large happenings going on. It seems especially punitive to possibly derail an event where all monies raised are used to support local youth music programs.

I hope that you will do all that you can to support these local organizers to create a future valley tradition.

Sincerely,  
Suki Dhillon

Philip Wright  
Sent: Wed 6/10/2015 5:38 PM  
To: Mike Irg

I'm writing to express my whole-hearted support for this event.

I am a 55 year old man and attended last year's Shaker. I was impressed with the attention the organizers had paid to safety. I was equally impressed at what a happy event it was. The people attending we're pleasant, polite and very well behaved. there was great music that appealed to all. There were folks of all ages and everybody seemed to be simply enjoying the show. I would certainly attend again.

This is just the sort of thing that Port Alberni needs. It is good for our youth, good for community relationships and a great way to show the world what a wonderful place the valley truly is. So let's support this kind of event, support our young people and show everybody that we trust them and have faith in them.

Thank you.

To whom this may concern,

I urge you to please consider allowing Lance Goddard to host his second Five Acre Shaker. As someone who wouldn't normally attend a big group function like this, I can attest to the quality of event that this group can host. I went last year as a friend and I were invited over because her property meets the "party" area. We had a blast, and I didn't feel uncomfortable at all that evening. People were respectful, safe and most of all, from what I saw, responsible.

Thank you for your time and I hope that you consider this event as it is such a positive weekend for a good cause.

To: Mike Irg

Hi there,

I'm Chase Spencer and I want to show you my support for the Five Acre Shaker. I think it is a great event with a lot of opportunity for local artists to play at a festival. I plan to play there provides my work allows it.

I've found that this community has a large lack of culture in it and this is a great way to provide a start to being something big. Young people like myself have no motivation to excel in the art world without a beginning and a start that this festival will bring to the community.

I think it is a great opportunity for so many people not just performers and listeners but local businesses as well.

I hope you take into consideration all of the positives that come from an event such as this one when making your decision.

Thanks,

Chase

Destiny Huff

Sent: Wed 6/10/2015 4:46 PM

To: Mike Irg

I think they should allow this it's one weekend! Besides being fun, looks like its a well-managed event and has many social benefits to our community. festivals attract visitors, which stimulates the growth of tourism and other businesses which we need in this town, And those visitors spend money, which boosts the local economy both on and off the five acre site. off-site spending related to festivals generates revenue for communities, too. For example, visitors stop at local gas stations, souvenir shops, liquor stores grocery stores and restaurants—the list goes on. Not to forgot the Overnight visitors provide another source of off-site revenue to a town that puts on events like this, by needing a place to stay for the night and using our motels or hotels. Planning and conducting the five Acre shaker takes a lot of effort and Lance has done a great job last year. I'm sure there was some haters when they hosted the first salmon festival 44 years ago and look how it is today, Everyone enjoys it and comes to our town to fish that weekend so why not start having our town look like the fun town for a weekend. We should be proud to host this festival in our territory. Looks like Lance has done his homework on this Music festival, investigated the security and operational plans and even has a smoking areas and has a level of confidence that they will be able to deal with many of the traffic, people and other issues that challenged the event, I say those neighbors need to suck it up one more year..he already said he will find a different area next year. He is creating a really awesome music experience and even in the worst place to live. Let him prove them wrong that there is more to our small town.. Good luck Lance and thanks for putting in the effort to see our town grow!

To whom it may concern at the ACRD,

I am emailing in support of the Five Acre Shaker and encourage your support of this local event. I have many friends who attended last year as well as performed.

As a local musician who played shows all over this town for over 8 years I know the importance of local, low cost, but fresh and exciting venues.

The relaxed, friendly, and outdoor festival atmosphere offered here is not currently offered in Port Alberni. This event, unlike the fall fair or salmon festival, is all about the concert and the musicians. People are here for the music and concert experience which is so important to local talent looking for exposure and to gain experience.

Please keep this wonderful event going. Alberni musicians and fans alike deserve this.

Thank you for your time and consideration.

Re: the Five Acre Shaker 2015

There will always be people who will complain about anything. So I'm not surprised there are people opposed to this event. But what is beneficial for the community? Never letting things happen because of the few who are opposed or promoting well-planned, well-intentioned events that will provide a safe environment for youth and young adults to enjoy living in our community? It sounds like Lance has done his homework. If there are areas that still need to be addressed, work with him on it. This event will be a positive addition for years to come and will help put us on the map as a community with a heart. Let's not become a ghost town because some cynical people are afraid of change.

To: Mike Irg

Cc: lancegoddard

Hello to whom it may concern.

my name is Brandon Wells and I wholeheartedly support this event for the town of Port Alberni. I was born and raised here and moved away for 10 years moving back just before last years 5 acre shaker. I have been a part of multiple music fests/events such as Tall Tree music fest and Rifflandia as an organizer and performer. These events started from grass roots beginnings and are now considered too of the best events of the summer in B.C and the city of Victoria. What lance Goddard and his team have done as far as planning and execution is exceptional work. This town is starved for something different and thats what the 5 acre Shaker is trying to do. Believe in the younger people who grew up in this town and want to bring change to it embrace those ideas, and embrace the goals of us that will be here long term and want to be doing positive work to make Port Alberni what we know it can be. Thank you for your time may you have. A great day.

Thanks

Good morning,

I grew up in Port Alberni and spent 22 years of my life there. Currently residing in Nanaimo, I go and visit friends and family as much as possible. When I do, I always support the local businesses whenever I get the chance to. It's very important to me to support all things local. This is why I'm supporting the Five Acre Shaker.

When I was a teenager, I absolutely loved going to The Academy to watch bands play. It fueled my love of music to what it is today, and I thank Dustin Dame for believing that youth should have shows like that to go to on the weekends. It was a highlight of my high school years for sure.

Over the years, Dustin tried numerous times to start a small music festival, and unfortunately he failed numerous times. He never had enough support, which is sad because PA always talks about how much they support things, but when it comes to push and shove, they never actually physically support these type of things. That's why I'm advocating for this festival to be able to stick around.

When I went to the Five Acre Shaker last year, I had the best time! It was the most fun I had had in PA in a long time. I could only make it for one day, but I wish I could have done the whole weekend. What could be more fun than being with friends and listening to some live local talent?!

I was very impressed with how great this event was run. Lance Goddard did an amazing job with this event! There was ample parking, my ID's were checked any time I left the event and came back, there was food, security, medics, everything. I had actually hurt my foot at the event and went to ask a friend for a bandaid. As soon as I did, there was a medic behind me asking me if I needed help. He had noticed from across the way that I was bleeding and immediately came to my assistance. I was very impressed with this, and got cleaned up immediately. He was professional and very nice, and it left a lasting impression on me and my friends throughout the night.

The live music was unbelievable!! I was able to watch my friends and people I grew up with perform their music on stage in their hometown for the first time in awhile! Seeing that made me proud to be from PA and to have so much young local talent come from the apparent "Worst Place in Canada" is inspiring. I love my friends and watching them fulfill a dream to play at a festival in PA was fantastic. I know they had the best time doing that. The crowd embraced them as they played their music, even if it wasn't something they would have normally listened to. It was local talent, people they knew or grew up with, and supporting them was all that mattered.

Another great thing about the Five Acre Shaker was being able to physically see all the people who support it last year. I had seen friends from out of town

come, just for the event. I was reunited with people I hadn't seen since high school. There was a wide array of people there. Sure there were tons of 19-25 year olds, but there were older adults and parents there too, all because they support events like this happening in Port Alberni. It wasn't about the music, or getting drunk at a party, it was about the music and the local people who would benefit from this event.

The Zattzoo Project is one of the charities that benefits from this event. They help provide kids with music programs that otherwise wouldn't be available to them. This is a fantastic cause as so many kids don't get to do what they want with their activities anymore. When I grew up, my family couldn't afford to put me through band in school. I really wanted to choose that elective, but knew it wasn't available to me. I wish I had something like The Zattzoo Project to help me out with that. It would have changed my life that's for sure.

The Five Acre Shaker is something this community needs. I hope that this community pulls through to support this event instead of just saying they will. I've seen too many promising events get turned down all because one person complained and nobody physically did anything to stop it.

I understand the neighbours concerns, but clearly Lance has this all very well planned and thought out. To go and get written consent from all the important services, i.e. Beaver Creek Fire Department, Island Health, PAPD, etc., is a huge deal. I remember hearing last year that Lance wanted to change the venue to get out of the residential area as soon as he could. Unfortunately, that would not be this year, but what's one more year going to do?

It will be a great event for the community, and so many people will profit from it, not just from money, but from heart and spirit.

The Five Acre Shaker deserves to happen one last year at Lance's property. The community deserves to have a music festival that supports all local musicians. We deserve to be able to support all things local.

If you care about your town, and supporting local people/talent/stores/events, you should support the Five Acre Shaker.

Thank you for your time,  
Arielle

Dear Mr. Irg,

I am writing this email in support of the 5 Acre Shaker that is scheduled to take place Aug 14, 2015.

I strongly believe this is an amazing event and benefits the whole town of Port Alberni! It's economic benefits are

This event is being put on to help raise money to help the Zattzoo Project which helps to benefit local youths and their love of music.

Mr. Goddard and his gang of helpers have done an amazing job of making sure there is security in place, designated smoking area, they have RCMP as well as Beaver Creek Fire Dept all on board.

Please let this event happen!!!

Sincerely,

Melinda Geddes

To whom it concerns,

I am writing to express my support for the "5 Acre Shaker" event happening in Port Alberni in August.

I feel that due diligence has been done to ensure the safety and respectful execution of the event. This event will also help support the community in multiple ways. Proceeds will support local charity and projects. Services used to put on this event will be local. The entire event is a tribute, and that is not to be overlooked either.

I sincerely hope to see this event happen and have absolute faith that it will be a success once again.

Kind regards,

Tanya Willshaw

This could lead to something big for port alb. Like the music festival in cowichan valley the an local business will also profit ,gas groceries restaurants to name a few ,we have to get our heads out of the sand if want to change ,they might be able next year bring in some top musicians ,but I do agree need to have in a better location away from public housing ,their expecting over a 1000 people this year so if each person spends \$ 150.00 bucks add it up an their giving it back to charities after they pay the bills that's \$ 150000.00 going back to community or probably a lot more if they stay in hotels an motels everyone benifits from this event ,Cumberland just had a huge concert with many entertainers an they got over 2000 people for 2 day event I was their ,it was well organized ,police ,medivacs ,fire departments, an many volunteers something we do well with here ,so let's support this event ,they had no problems last year Greg Taylor a port alberni for 45 yes.

As a fairly new Port Albernian, and a friend of Zakk's Mom Kim, this is a great event that not only honours a young life taken way too soon but it also promotes a positive uplifting fun even that raises funds to help kids get into music (and stay out of trouble & harms way) that may not have a chance to do so without events like the Five Acre Shaker.

Vancouver earned the title of the "no fun city" and really, having moved back to the Island I've found the zest for life here infectious and awesome and SO glad to be back....let the positivity flow from this awesome event.

This event is planned well and all the precautions and due diligence has been done to make sure it is and will always be a positive thing....please don't let one grumpy gus ruin a good thing.

It is one weekend out of the year....let the shaker happen and the positive vibes and good things flow forward from there.

There are many events in the Valley that are much appreciated, this is the only event of it's kind. I have been to plenty of festivals in the past. Last summer we went far out of town to enjoy one at an absorbant cost. We we're so pleased to find out that our Valley had it's only cozy Music Festival that was Fun, Affordable and Safe. Please Let Us Have Fun In Our Own Community With Our Friends and Family In a Safe Loving Environment!!!

Thank You,  
Francis Palazzolo.

The point of this e-mail is to express how much I support the Five Acre Shaker and how beneficial I think it is for the community.

Port Alberni has never had an event like this and I think we should all feel gratitude and appreciation for the fact that not only did it HAPPEN but that it was so successful, it's happening again.

This is one weekend out of the entire year. I don't think it would kill Port Alberni to allow it. They're expecting DOUBLE the amount of people from last year. That just shows how successful this event is. Not only that, people from surrounding communities are attending. How often does Port Alberni actually get other communities to participate in our events that are especially aimed at a younger crowd?

If everything is legal and paperwork is filled out, which to my knowledge, it is, then I see absolutely no reason why this event shouldn't be permitted. Because of noise? Can't we suck it up for three days out of 365? It's for a good cause that goes straight back to OUR community and influences and shapes Port Alberni's music scene.

I hope to be able to attend this years Five Acre Shaker!

Sincerely,

Celine Sauve

Dear: A.C.R.D

I am writing this letter in support of the proposed music festival the "5 acre shaker".

Events like these if properly planned can offer both a social and economical benefit to the surrounding community. Whether it be the tourist revenue, the sense of community pride or the possibility of someone getting inspired to be creative and get involved with music these are all positive aspects that will benefit the Valley.

In regards to health and safety concerns, I feel that Lance and the 5 acre shaker team have made health and safety a priority. They have demonstrated their due diligence by creating a plan that has been approved by Fire, Police and Health.

Having grown up in Port Alberni, it would have been great to have more events like the 5 acre shaker for the community to get behind.

I fully support this event and hope that the A.C.R.D will support Lance and his team to help bring something positive and exciting to the Alberni Valley.

Sincerely,

Richard Greve

To whom it may concern:

Hello my name is Lilly Campbell I am 19 years old and have been born and raised in the city of Port Alberni. And even out in Beaver creek. Although I am unaware of the entire legality of the situation when it comes to the 5 acre shaker, I have no understand meant of why there is such a controversy considering the amount of detail and security that is going in to this one weekend event, The people of the Alberni valley are consistently reminding us that we have many local businesses and charities that we need to continue to thrive on, The 5 acres shaker has all of its contributions going towards local Port Alberni functions and people. It is flabbergasting that this entire petition and situation is even possible, if you are from the Alberni valley you know the heart and soul that it carries with the music in the wind, so if we cannot have a 5 acre shaker why allow the toy run? Considering the toy run is a nonprofit organization that allows people to exceed their limitations all proceeds are donated as is the 5 acres shaker why I allow the fall fair in town it makes much noise and it makes our city itself no profit, I think that this entire situation needs to be reevaluated with some people with a Brain and a heart You are absolutely more than welcome to contact me with any questions or comments in regards to the above statements Sincerely 5 acres shaker participant

To: Mike Irg

To Whom it May Concern,

I am writing today to show my support for the "Five Acre Shaker" event. I understand that the future of this event is under review, and I appreciate the diligence of the Alberni Clayquot Regional District in working to ensure the safety and integrity of activities in our valley.

While I currently do not live in Port Alberni, I still consider it my home and am interested in staying involved how I can. I have been following the articles and news regarding the Five Acre Shaker. It seems to me that every possible effort has been made by its coordinators, to not only make safety a top priority, but also to channel all funds spent back into the local economy. Not only that, but all additional funds raised are donated to a local charity. This means that the organizers are doing a tremendous amount of work, completely unmotivated by financial gain.

I understand that large events create a number of legitimate concerns, and again I am grateful for the considerations of the ACRD. However with all due respect, I think it would be a great disservice to cancel this event. I am inspired to see my former classmates working together to make our valley better. And I think they are setting a wonderful example to the youth of Port Alberni - that not only is it possible to party without being reckless, but if you work hard you can be involved in great things.

Please consider allowing the Five Acre Shaker to continue.

Kind regards,

Kirsten Nesbitt

To: Mike Irg

I would like to start by saying that i was very impressed by last years event on how much cooperation and respect i saw from the concert goers on such things as simple as only being allowed to bring cans and not bottles and not one fight or incident. And a thanks to lance goddard on taking all the necessary safety precautions including a security gate and baggage check. The five acre shaker is more than just an event it is the only thing that the youth of port alberni has to bring everyone together and support a good cause in remembrance of a fallen comrade. I feel that lance and the zatt zoo project will go over and above all precautions to make it and even better venue this year if this gets approved. By moving the venue this will destroy the entire idea and atmosphere behind the event. With the increased attendance this will draw a new younger generation to the beautiful port alberni. Thank you for reading my letter. Sincerely Jay Devries

To: Mike Irg

My name is Megan Goodman I'm 26 years old living in Port Alberni. I've known Lance Goddard and Jess Towers for many years. Both beautiful people on the inside and out. I think what they are doing is amazing. Why not allow it to be a controlled event? What's the harm. I'm pretty sure the "Okee Dokee" ball tournament up at the ball fields causes way more of a problem for surrounding neighbors. Living in Kings Court myself(4110 Kendall Ave) my entire household was kept awake for 3 days straight with the loud music, fire works, hollering and hooting....and were literally a stone throw away from the grounds where its held. Lance has acres of property. Last year there were NO injuries, reports of drunk drivers or anything. Why not allowed the young people to have something to look forward to each year. If it doesn't happen there its just going to out to a pit where there won't be the amazing support they are receiving from the community. I vote YES for the shaker...and I really hope you do too!

I just wanted to take a minute to send in my letter of support for the 5 acre shaker. It is these types of things this small town needs to embrace to bring people here and give us something to look forward to. I feel that to many people here fight change and just want Port Alberni to sit dormant until every school, business, and attraction shuts down. Can we please start saying yes to fun events and maybe start a new annual event for our young adults.... Because salmon fest and the fall fair are generally family based events that are starting to lose their luster after you reach a certain age! Let's try something new!

Thanks so much

Nicole Taylor

Sent: Wed 6/09/2015 6:58 PM

To: Mike Irg; Lance Goddard

Hello my name is Nicole Taylor, I am a born and raised resident of port alberni bc and it has come to my attention that a few individuals are trying to rally against Lance Goddards "five acre shaker."

I'm writing to say forcing them to cancel this event would be a mistake, not only are people coming together and getting off the couch to have some fun with one another but all the proceeds raised from this event go to helping people in our community. Lance has worked very hard to make sure the event is done safely and respectfully and it would be a horrible loss to turn this wonderful idea down.

We cannot be a community with a heart if a one of the most heartfelt events in our town get turned down.

To whom it may concern,

As the event draws closer I know there is a lot of people for and against it. Speaking as the closest neighbor to this event, I walked around the grounds last year and had discussions with Lance as to my concerns. When the event was happening I did get into the event to see how things were run and how it was controlled. My main concern was fire, noting and seeing the only areas for smoking was clearly marked and was constantly announced over the speakers and what would happen to violaters. Next was bathroom facilities as I don't want the bushes next to my house used. With the amount of port a poddies on sight there was no problems that I had seen as I do walk my property line. I did notice a lot of security that was on sight which also kept things under control. All in all, I was impressed with how things were done and how it all played out, knowing the things that were in place made me feel a lot easier and comfortable. As you know my property borders Lance's and my house is within 200-300 feet of the stage. With all in place, security, toilets, food vendors, first aid, fire dept, insurance etc... And knowing he has gone through the right channels, I think this is a great fund raiser for a charity, if it helps any kids in music I'm 100% behind it and for the couple days of music I think it's worth it to help up and coming youth in the arts, sincerely,

Good afternoon,

I am sending my letter of support for the 5 acre shaker!

Our beautiful town needs more events like this to bring our town together and also bring people from out of town in.

It is something for our town to advertise and will draw attention.

These events or similar ones are done very successfully every year in other towns and people look forward to going back the following year.

The people who are hosting this event have proven to do so responsibly, asking permission, obtaining permits and security and have taken all the safety measures needed to put on a safe, fun event.

I have also heard that profits will go to local charities, another respectable reason to allow this event.

Our town has a few annual events that create noise... fall fair, thunder in the valley, and the salmon festival to name a few. We all except it for what it is and carry on if not involved because it only lasts a short time. Noise should not be a factor in the decision making of this event.

People are always saying we need more things to offer here in the valley. I'm not saying that this will be the event that makes port alberni known but every little bit helps.

I have not gone to past shakers but personally feel that there is no reason for permission not to be given.

I truly hope you allow this for Port Alberni!

Sincerely,

Patricia,

Hi there,

I just read an article posted online by the AV Times about a resident collecting signatures to oppose the 5 Acre Shaker due to fire and noise factors. This is a classic example of the “Not in my backyard” mentality that possesses many of the Port Alberni Residents. Mr. Goddard has clearly done his homework to put on a successful festival, and to make it better for this year. He understands the liability risks and have taken many precautions, including hiring security and obtaining a nod from the Beaver Creek Fire department. It was very clear last year that he was hoping for this to become an annual event, with no intention of making it a one time deal.

The gentleman quoted in the AV Times article makes Mr. Goddard’s event just sound like a typical Port Alberni Party when in fact it is not. It is **not** Mr. Goddard opening his home to a bunch of friends and acquaintances for a party that gets out of hand. He sells tickets, not only to benefit a cause, but to know how many people will be attending the festival. There is more planning than meets the eye that goes into an event like this, and Mr. Goddard has done it all.

There are many events within the City Limits that cause a “disruption” to the residents for an entire weekend. Anyone living in the Glenwood area can attest to 2 weekends a year (Fall Fair weekend and Salmon Festival Weekend) where there is increased traffic, increased fire risk, and increased noise as a result of the event. The Kinsmen and the Kiwanis have made these events better over time, and their events wouldn’t be the scale they are today with the increased support of the residents of Port Alberni. If the Fall Fair and the Salmon Festival were cancelled due to a few noise complaints, and increased risk of harm to others during these weekends, we wouldn’t have these events to look forward to. The alcohol consumption at the Salmon Festival alone puts many residents of Port Alberni at risk (drunk driving, mischief, general disruption), but the benefits to the community outweigh the risks. The noise from the Fall Fair often goes on past 11:00, and just the music being shut off doesn’t necessarily cause the party-goers to go home right away, causing a disruption in the neighbourhood.

Mr. Goddard has put in a lot of effort to make his music festival a successful annual event and give the residents of Port Alberni another weekend to look forward to. He’s not doing it to benefit himself - this is a fundraiser with an excellent cause.

Thank you for your time. I truly hope the Regional District considers all the relevant facts when discussing this matter at their next meeting.

Sent: Wed 6/09/2015 4:49 PM

To: Mike Irg

Hello,

My name is Whitney Rogers. I attended five acre shaker last year and was very impressed with how organized it was and how much thought was put into the festival. It was great to see people gathered and having a great time in our beautiful town. There are not many opportunities like that here. I believe Lance is committed to making this a positive event for port alberni and has obviously done his research. Let's allow port alberni to grow in creative ways and give the younger generation a chance to shine.

As a citizen born, raised, employed in town and raised my family in town, I am in full support of this event. What Lance and his helpers are trying to bring and keep in our Community is amazing. This is in support of giving back to our children through music. Lance has approached every authority needed, he is doing things the proper way. Kudos to him he's not throwing some backyard party. As for the noise that comes along with such a huge scale event.. Really? I live in upper North Port and numerous times a year I hear the noise of money coming into our community. Fall Fair, Salmon Fest, Toy Run, Funtastic Tourney, train to Mcleans Mill, kids baseball tournaments blocks away, music from the car shows, the hot rods cruising through town in preparation for thunder in the valley. Every one of these events are put on by volunteers in hopes of bringing people and their money to our community. I attended last years shaker, was a great mix of people and no incidents to be had. Security was amazing and there were no trouble makers, just a great group enjoying live up and coming musicians. I also attended s recent event at the rainbow room. ( battle of the bands) again brought out of town people and their money here. This was a pre cursor to the shaker. I'm 100% in favour of allowing this young man and his helpers to host this amazing event on his property.

Hi Darryl & Ann. Thanks for your thoughts, I will pass them on to the board ..what is your home address? John McNabb

On Jun 9, 2015, at 11:52 AM, Darryl & Ann wrote:

Hi John,

While we have been known to listen to loud music on occasion, last year's three day straight music event was a bit much. It went from morning to the wee hours of the morning with no reduction in volume. We own a farm (which backs onto the end of Mersey Rd.) and have to work every day. Seeing as we aren't 20 years old any more (drats!) we need more than two hours of sleep to function. Our chickens didn't act too crazy last year but our cows did. They were stressed the whole time the music was on and some notes and tunes and electric effects totally panicked them. They would just stampede around their field until the sounds changed. I can't sit down with them and explain it is just music and won't hurt them. They don't understand. Cows blasting through fences and running about the neighbourhood would not be good. Further, three days of nonstop stress is dangerous for pregnant cows. A couple of our neighbours have horses. I don't know how the horses reacted but maybe you could ask.

So, we are not against the music festival, please just keep the hours and the volume down from last year.

To whom it may concern

I would like to show support for the application to again hold the festival as applied for out in Beaver Creek. Having no problems with last years event why are people inventing reasons to deny the application. There are constant complaints about lack of things to do and this event fills the bill for a lot of people. If the area doesn't want the party try hosting it at the Cherry Creek park on Moore. I will not object to it being across the road from me.

---

Letter to the Alberni Clayquot Regional District Re: Lance Goddard, Five Acre Productions and The Five Acre Shaker.

To whom it may concern,

My name is Kimberly Blake and I am writing to encourage you to please consider Mr. Goddards request to hold an event this coming August 2015.

I am in favor and in support of "all things Lance Goddard and Five Acre Productions" , please let me explain.....

In the winter of 2013/14, My son Zakkaree and a friend Nic had a dream of planning a summer event, local event, local talent.

A place for our local youth to blow off steam and show off their talents. As they were together in a band called North by Nature Collective and had been playing locals venues such as the Rainbow Room. They last played the Rainbow Room Feb 28th, 2014.....

While coming home from Duncan on April 6th 2014, my son Zakkaree was killed in a car accident.

While the family was still in shock, Nic and Lance Goddard picked up this dream and moved forward. Although Zakk and Lance had never met, they all shared this same vision.

Lance then planned...."The Five Acre Shaker" of course I know he didn't do it alone, but it was his property, time and planning he extended, and it was well worth it.

When we approached as family, in the trees we could see, a wooden memorial to my son.

To the right was organized parking and toilets, porta potties I guess.

We continued on and found burgers, hot dogs, salads and drinks for sale. Along with vendors selling shirts and such.

There was a wonderful stage setup with dance floor and as a parent I noticed the garbage cans and cigarette butt containers.

As you walked past the stage area you came into this wonderful field for the campers, tents and

trailers.

Security was everywhere and their moods were pleasant and calm and helped add to the overall feeling of the event.

This was a well thought out and planned event and went without any emergencies or police needed.

It deserves recognition as a local festival. along with such events as Thunder in the Valley, Fall Fair or Salmon Fest. I believe it holds the potential to be an island event.

It brings in visitors, which in turn sells gas, groceries, beer, hotel rooms and meals at our restaurants.

As well as bringing in much needed local revenue, Mr. Goddard then handed me a donation.

I looked all over town for a fit to that donation.

I went to the high school, mental health, womens center and family guidance but I just couldn't find the right fit.

You see my son was only 22 and would write music to release depression and the small public performances became an outlet. So I'm looking for that kind of fit. It must be youth and it must be music.

In the meantime, Mr. Goddard held another wonderful event..."The Halloween Shaker" , and donates more money. So we have named ourselves "The Zattzoo Project" and want to fund local youth music programs.

The Zattzoo Project has held 2 events raising more money for this "mystery" program.

Well mystery no more...Thanks to Jess Towers. This wonderful person has come to us and is planning and putting together the first Zattzoo Project funded,

Port Alberni Youth Battle of the Bands,

for youth under 25. It is happening May 15th 2015 and will have 3 celebrity judges and is bringing more than local attention. The winner gets to play at this years Shaker.

So as a mother this warms my heart to be part of something so positive with our local youth

Most importantly it hits an age group that needs attention and deserves our attention.

And really, you can't argue with the much needed revenue it brings.

I ask you to please seriously consider his request as I see only positive things coming from Mr. Goddard and his events.

Thank you for your time and consideration

Kimberly Blake

I am writing in support of the 5 acre shaker event.

I have moved from Vancouver to Port Alberni and my sons who live in Vancouver have been invited to play at this event. They are bringing friends to hear them play and helping get Port Alberni known in the Vancouver music scene. I am excited to show my boys and their friends the wonders of Port Alberni and I am hoping that these new visitors will return to Port for a vacation in the future. This is such a wonderful reason for people to come and visit Port and to help local talent get known. Thank you for considering this event and making Port Alberni a vibrant place to live.

Sincerely  
Jan Norman

Hi my name is Jill Cayer and I live a short distance from the Five Acre Shaker, at 6005 Beaver Creek Rd. I was unable to make the event last year but I did enjoy the music from my backyard when I got off work. There was no one out on the road as I drove by and the music was good! I only heard good things from my friends who went, like how well it was put together and how much fun it was to be at an outdoor festival surrounded by friends and acquaintances from our very own community. And how can we not support something that not only goes to a local charity but supports local bands and businesses! It sounds to me like this year will be better than last and I fully support the Five Acre Shaker being held in my neighbourhood!

Subject: 5acre shaker issue

Sent from my iPad I reside at 6572 Hills Rd. And have no concerns regarding the upcoming event. Last year we heard very little noise beyond the ordinary. Drove by last years bash several times & things were well organized & under control. Noise level was bearable. I'm totally in favour of the 5 acre Shaker, it's for a good cause.

To whom it may concern,

My name is Helen and my husband and I live on 6155 Lugin Road, we are both in our late 70's. I would like to send in a letter of support for the Five Acer Shaker Music Festival.

I have raised three sons in the Alberni Valley and i have always been happy and excited by the young people taking the initiative and planning events on their own. This event has been very well organized and could give the Valley an event to be proud of. It will be a little louder on that weekend but it's only one weekend out of the whole year. I see lots of communities around Vancouver Island embracing music festivals and it would be a shame to see Port Alberni miss out on this opportunity.

Sincerely,

Helen Towers

Hello there,

I am writing in to show my support for this event. (The 5 acre shaker) And wish that there were more of them out there. Port Alberni does not have enough local events period. Let alone music related ones. We need more festivals near by. We leave town and spend nights in hotels, or camping, buy food, and fuel elsewhere to be able to attend such festivals. Think of not just the tourists that would attend something locally, but our locals themselves. To have it even go one step further and support such an amazing cause is even more reason for people to attend. Every detail has been carefully planned out, every concern has been addressed. Lance, Jess and their committee of volunteers have done an amazing job at dotting every "I" and crossing every "T". Hands down a very professional path has been taken for planning this. I live in the Beaver Creek area with my husband and 4 children (6467 Beaver Creek Rd) and we are all in full support of this event. The "noise" we will have to endure for one weekend is no different than that of the "noise" from the beer gardens or music from the Salmon festival, the screams, lights, and sirens from the Fall Fair, or the buzz of dirt bikes from the motorcross track during a race weekend. This is all part of a thriving community. A diverse culture of activities for young and old that make us love our community even more. It gives us things to do in a safe environment. My wish is for the 5 Acre shaker to continue to be annual festival, and in future years have the backing of the city, not just in permits, but in funding such an event.

For example "Lake Days" in Lake Cowichan, "Nautical Days" in Courtenay/Comox area. All amazing music festivals that their communities support, and many others who come from afar to enjoy them.

Cheers, Lindsay Higgins.

Hello I live just down the road from the proposed party@ 6511 walker and I would just like to point out how well it was organized last year!! The more we support these causes in our community, the more we will attract bigger events which all add to the city's economy! Port Alberni has the potential to be one of the best city's to live in canada but our city council has to step up and let events like this happen more often.

-Sincerely Brody Dalziel,

happy neighbour of the five acre shaker!!!

ACRD Board of Directors,

We are writing to you with our concerns with the 2nd Annual Five Acre Shaker. And as born and bred Port Albernians, 25 year residents of Beaver Creek and living less then 400 meters from the event, we do have concerns.

We are concerned that the efforts of Mr Goddard and his friends; to honour the memory of a young man, to raise money for a worthy cause, to show leadership in the community, to draw positive attention to the valley, and to just have a little fun, will be quashed.

Last years event was held without incident, and it appears that the organizers have gone above and beyond to ensure the same for this year. With all the precautions they have taken, will this event be any more of a hazard then an unsupervised backyard party? Can we not put up with the noise for a few nights? Perhaps we may even enjoy a few of the tunes.

The family and friends of Zack Coss were devastated by his passing. This effort to raise money for a charity, in his memory, is commendable. It should be encouraged.

In our opinion, Mr Goddard and his friends are showing exactly the type of leadership and community spirit that this valley needs to keep it alive.

We ask that the board allow the event to proceed.

Sincerely, Robert and Brenda Mayr

Dear council,

I live on grandview rd. , close to the 5 acre shaker . Last year I didn't know it was happening and didn't have a ticket. So I was resigned to hang out on the back porch and listen to the music from afar. Luckily I had friends visiting from out of town and some nice cold beer. Maybe in the future anyone who loves so close they can't help but be part of it gets tickets half price. I digress. It's summer! Let the music play and no let this town keep growing in a youthful direction. Maybe free earplugs for the sticks in the mud.

To Whom It May Concern,

I am writing to you with regards to the 2nd Annual Five Acre Shaker Outdoor Music Festival and their application for a Temporary Use Permit to host this event August 14 - 16, 2015 on Lance Goddards property, located at 5771 Beaver Creek Road, Port Alberni.

Last year, when I heard this event was going to happen I have to say I had my doubts and was very skeptical with safety of the people attending, along with the neighbours and passerbys, the traffic and congestion along Beaver Creek Road, the drinking and driving, the noise and distruption to neighbours, fires, liability issues, etc. Being an Insurance Agent at the time probably brought forth more questions and concerns then most people. Not to mention I also live just around the corner on Saunders Road N, which is maybe two minutes from this location so I was filled with apprehension as the event got closer.

**BUT**, the day of the event came, we had friends and family over for an afternoon barbeque and we were not bothered what so ever by music or extra traffic of vehicles. Later, my kids and their friends were walking from our house to the event and asked my sister in law (whom was visiting from Calgary) and myself to join them. Of course, being 50+ year old women and both loving music were flattered they asked so we couldnt pass this by. I was so glad I had attended to put my mind at ease, as this was a very well organized event right from entering into the acreage, ribboned boundries, lighting, bathroom facilities, security presence, food and of course the music and phenomenal, talented young artists we have in Port Alberni. We had an absolute blast !

I am in total support of the 2015 Five Acre Shaker, being I feel the event organizers have done due diligence on their part to be sure they host once again, another safe and secure event. Not to mention the money raised is for a good program and is put right back into the community also showcasing local musicians with a variety of music. The organizers also realize and have acknowledged this will be the last music festival at this location and should be praised for their drive and ambition to host such a successful event in our town, 'The Heart of the Island'. My family and household were not disrupted by any means during this weekend event. My sister in law was thrilled and had many a giggle to take home with her and is looking forward to visit this summer and attending the 2015 Five Acre Shaker.

Sincerely,

**Deb Payne**

Hello,

I am writing this email on behalf of myself (Jolene Watt) and husband (Willy Watt). We own our home at 5855 Saunders rd n which is a few houses down from Lances. Even with us having young children at home they weren't even bothered with the noise when it came to bedtime . We attended last year and felt they had it very well run and had all angles covered. We are in favor of them hosting it at Lances property and feel this is a good thing for our valley and the generation of our younger people. Having an event like this can only be beneficial to our valley and hope you guys give them the chance to prove so.

Sincerely,

Jolene and Willy Watt

Graeme Huysmans

Sent: Tue 6/16/2015 4:54 PM

To: Mike Irg

Hi there,

My name is Graeme Huysmans and I am a resident of Port Alberni. My family resides at 5760 Mersey Rd **directly behind** Lance Goddard's property.

As a resident **beside** this event, I can understand the state of concern that some people may be having. Hell, even the name *Five Acre Shaker* is enough to put anyone off. I honestly cannot give enough praise to Lance Goddard and company for organizing such a safe and responsible event.

Last year we were worried that we would fall victim to vandalism, littering, etc. At the end of the event we did not have one single piece of trash on our property. We did not have one beer can on our lawn, and we did not have one single complaint.

Think about this..

*There are more people residing around our Fall Fair grounds than the small area of Beaver Creek. Think of all the littering that takes place outside of our fair grounds.*

*Think of all the under-aged drinking taking place.*

*Think of all the noise!!!*

In terms of safety concerns, there will be EMT standing by. Lance is preparing the ground so we do not run into risks of a fire. There's beer gardens, designated smoking areas, food trucks. There are even security guards ensuring that nobody hops outside of the property to perform misdemeanors. Did Lance Goddard not receive written consent from the RCMP, Beaver Creek Volunteer Fire Department, VIHA, and even the Ministry of Transport?

We also need to think of the positive impact this concert effects. We have youth and musical events funded thanks to the ZattZoo Project. This festival brings the youth of Port Alberni (which is *clearly* dying) together! I am even coming home from Vancouver, just so I can catch up with friends.

We need more festivals and events. There is a ton of community spirit in this town and we can't have it ruined by a handful of people. A few complaints should not be enough to stop an event that can benefit our Valley.

Port Alberni is a small and quiet town, so what harm does a weekend of music really do?

Leslie Jensen

Sent: Tue 6/16/2015 4:34 PM

To: Mike Irg

What truly makes our town the 'Heart of Vancouver Island' is the way we all can come together for good times and through the darkest of times. We lost yet another resident way too young and the shaker is a powerful way to honour the young man while doing what we do best in Port Alberni- coming together. The organizers clearly have their ducks in a row including the promise of moving the location for the coming year of 2016- I live on Margaret street directly across from the Salmon Festival, I have 3 toddler siblings and none of my house hold has any issue falling asleep as they blast their tunes & beer gardens all weekend long ANNUALLY. I support the 5 acre shaker and respect the way the hosts are handling the unnecessary controversy over an event we should all be pouring our support into. Let's live up to our title shall we.

TWIMC:

My name is Heather Boe, and my residence is 6826 Beaver Creek Rd. I have a family of 4, my husband and I, and our 2 children, both under 9 years old. I can't tell you how happy we were to hear Mr. Goddard plans on hosting the "Shaker" again this year in our neighborhood! I don't personally know the host, and I don't plan on attending the event, but how great is it that a young local is willing to put so much of his own time into a charity event! Giving back to the community ... and all in memory of another local, who lost his life to young. All proceeds go towards helping local children learn to love music...sure there will be loud music, and traffic, and anything else that is associated with other events like this one but I am prepared to look past it and prepare my family to ensure this is a successful night for our community ... Let's be true to the slogan City with a Heart, the Heart of Vancouver Island, and support Mr. Goddard, while he supports this city future generation!

Thanks for your time and consideration  
Heather Boe

To whom it may concern,

I have been informed that there is a need for support for the 5 Acre Shaker from those most affected in the immediate area. I live nearby and could clearly hear the last event from my home on Grandview rd. This is not an issue and I am OK with another one. I know the plan is for this one to be bigger, but I doubt it will be much louder. I hope it is allowed to go since many people enjoy it and it's for a good cause.

Cheers, Miriam Turner

To Whom it May Concern:

This is an open letter stating my support for the 5 Acre Shaker event in Port Alberni this coming August.

We have only moved to the port Alberni area a year and a half ago, and after much deliberation, decided on this valley, in particular the Beaver Creek Area. Last summer when the 5 Acre Shaker was being held, we had been living in the area for 8 months already. We found the people that attended were most respectful of those others in the area, and that the event itself was run on a very high level of professionalism.

We never had any complaint with the noise level, as it was kept at a respectable level during the evenings, and the music was shut down at a reasonable time. We live about 2 blocks behind on off to one side of the event (on Drinkwater Rd). We never once felt "put out" by the event, and actually quite enjoyed listening to the music and the festivities during the evenings and during the day.

On a personal note, the one aspect that I hear time and time again in this area is: "How can we get tourists to stop in the valley on their way to Tofino?" This event ranks right up there with the other events happening around this beautiful area, and in this person's opinion, something that is sorely needed to revitalize this community. Music festivals on a whole bring in a lot of money to the community, not just in sales of tickets, but in satellite business. Helping to keep the communities vibrant, and alive preventing them from becoming stagnant in the "old ways of thinking".

Here is a quick break down of what I observed last year:

**A high level of grounds security**

**A lot of people enjoying themselves**

**An excellently run and facilitated event**

**A group of people whom were respectful of the surrounding community**

**An influx of tourists to the area**

I am personally looking forward to a return performance of the 5 Acre Shaker, and hopefully many more music festivals in the future.

If you have questions or concerns, please do not hesitate to get ahold of me at the information listed below.

Sincerely  
Darran Chaisson

Dear Mike Irg

Hello my name is Lorena Zanette and I live on 6162 Drinkwater Road. I recently met Lance Goddard who was fixing some electrical problems I had. We chatted and I came to learn that he hosted the party last summer that I had called the police about as it was loud and my daughter could not sleep. I found him to be an intelligent and energetic person. I very much appreciated his explanation of the event.

I did not understand that it was a charity event and I did not have any warning of what was involved or which date it was on. After talking to Lance I do think it is a wonderful idea and I believe in where the funds generated would go. I would love to support music and children. I understand it is a loud event and have no issues with a repeat event this summer but would like a warning so I can be prepared. Furthermore, I think such an event would have potential for boosting the city's tourism and image, especially if you find a great venue, organize it well and get some good music playing. I am not sure if Lance has thought of a weekend event with perhaps even a wider audience be it children and older adults as well in the future. Showcasing Port Alberni talent would be great for local artists as well.

I appreciate your time and wish Lance good luck with his venture in this matter and am excited to see how it will evolve.

Respectfully

Lorena Zanette

To whom it may concern,

My name is Amy and I grew up in port alberni with many friends and as you grow up you loose track of your friends due to work and children, I find events like lance Goddards 5 acer shaker a key to keeping everyone close after many years, and keeping people like Zac coss in our memories along with many people we have all lost along the years, it is events like this that keeps our town strong and together, I think we should have more events like this and for years to come. Yours truly Amy Coleman hope that this event is able to go through, there are many plans in place for anything and everything that can happen.

Chris

Hello,

I am writing in support of the 5 Acre Shaker. As being in such close proximity to this event last year I did not encounter any disturbances or see any incidents on my property or the property of my neighbours. I believe this event is highly organized and well planned with all the necessary precautions being taken. This type of event is what should be encouraged in our valley. It brings people in and showcases the skills of our community. The amount of time and effort Lance and his team have put into this event should be applauded. They are an example of young leadership that should be trusted.

Sincerely,

Christopher Naesgaard

Please keep the 5 Acre Shaker! Its for a great cause. It was so well done last year, and with such a great turnout. If Port Alberni can handle the loud craziness of Salmon Fest weekend, Thunder in the Valley, the Fall Fair, etc. then there's no reason why that should be a complaint this year!

Dayna Badesso

Serena Clarke  
Sent: Tue 6/18/2015 9:21 AM  
To: Mike Irg

Well....

Am I ever glad to see this even trying to shape up! We are very much in need of some great events. I too live out Beaver Creek on Horne Park Dr and don't see this as an issue at all. As do most of my neighbours and friends that live around me. They are supportive of it. I think they have everything covered and I feel confident that this will be something we could all enjoy for years to come. If we all complained about sound issues...should we have have the toy run...the party at Glenwood is loud that night for those neighbours! Fall Fair...Thunder In the valley you can hear for MILES!!!! everyone supports that. Why is this any different. It is one weekend in a whole year for a great cause.

Lets encourage the younger generation to build something to bring us all together. A little change won't hurt anyone!~

thanks :)

Serena

To whom it may concern:

As a resident of Beaver Creek and a community minded individual, I don't think we can ever have enough meaningful events, and festivals to celebrate our community's spirit as the Community with a Heart.

My heart goes out to the family and friends who lost such an amazing young man when Zach Coss passed on. The fact that they have channeled their grief into supporting our local musicians and music programs is inspiring and contributes to our community as a whole.

I fully support the five acre shaker in my neighbourhood.

I live at 6760 Beaver Creek Road, V9Y 8M2.

I am praying they receive enough support to hold their event where ever it may be for many years to come.

Sincerely,  
Debbie Rieder

**To:** Mike Irg  
**Subject:** Five Acre Shaker 2015

Hello,

I'm a Port Alberni resident and I fully support and believe that the Five Acre Shaker temporary use permit should be approved! Not only is it for a great cause it is also beneficial in many ways for our community. It is organized professionally and very well with all areas covered! Everyone involved is doing an awesome job getting everything in line and I really don't see any reason why the Five Acre Shaker 2015 shouldn't be a go!

I live close to the fall fair grounds and can hear it all weekend every year, but I don't mind at all because of what it brings to our community, a fun filled weekend for families. As long as the events are well planned, organized and all safety factors are taken into consideration I don't see any reason why they shouldn't take place.

"We have worked with every governing body to make sure that we are mitigating every potential risk to make this a safe and fun event. We will have onsite Certified Volunteer First Aid Attendants from the Beaver Creek Volunteer Fire Department with all first aid equipment donated by the BCVFD. Footprints Security will be present as security for the event at a Ratio of 50:1, even though their recommendation was only 100:1. There will be no smoking out of designated smoking areas, areas will be manned with event staff and a fire extinguisher as well as a moist non-combustible floor."

Everyone involved in the organizing is completely invested in hosting a safe and fun event for the community for years to come and I would love to join for years to come! Please lets make the FIVE ACRE SHAKER 2015 HAPPEN!

Karlie Ward

Hello Heather,

The purpose of this e-mail is to forward the Regional District the results of a petition we started to help generate support for the Five Acre Shaker. I have attached the signature list which contains a total of 913 people who signed in support of the 2015 Five Acre Shaker. When signing the petition people had a choice to leave a comment if so desired. I have attached the comments in another PDF file to this e-mail. It should be noted the comments are from the original 913 people who signed who decided to leave a comment.

Below is the wording used for the petition or you can alternatively find it online [here](#):

*" To Approve the Five Acre Shaker Temporary Use Permit*

*This is a petition to show support of the Five Acre Shaker Outdoor Music Festival @ 5771 Beaver Creek Road, Port Alberni, BC. We are in the organization stage right now and have applied to the Alberni Clayoquot Regional District for a Temporary Use Permit to host this event on my property. This will be the last year that we will be hosting this event on my property as we feel that next year we will out grow this venue. We have written consent from the RCMP, Beaver Creek Volunteer Fire Department, Vancouver Island Health Authority, and Ministry of Transportation and Infrastructure to host 1000 people on my 5.41 acre property. We have worked with every governing body to make sure that we are mitigating every potential risk to make this a safe and fun event. We will have onsite Certified Volunteer First Aid Attendants from the Beaver Creek Volunteer Fire Department with all first aid equipment donated by the BCVFD. Footprints Security will be present as security for the event at a Ratio of 50:1, even though their recommendation was only 100:1. There will be no smoking out of designated smoking areas, areas will be manned with event staff and a fire extinguisher as well as a moist non-combustible floor. The list of hazard prevention is way to long to write on here so i only selected a few. We are completely invested in hosting a safe and fun event for the community for years to come. Every Dollar Raised goes to the Zattzoo Project which is a local charity that*

*donates their money to Local Youth Music Programs. Every penny goes right back into our valley! It is only one weekend a year, this being the last at my property, we hope that the reward can be focused on instead of the risks which are present in any event this scale that happens in our valley (Thunder in the Valley, Toy Run, Fall Fair, Salmon Fest, Funtastic Slo Pitch Tourney, etc...). I hope to get as many people signing this as possible to show the amount of support our community has for this event! Please sign this and send in support emails to [mirg@acrd.bc.ca](mailto:mirg@acrd.bc.ca). All emails are read and will be weighted on for the boards final decision to allow this or not. Thanks again fellow Shakers!!!"*

Recipient: Alberni Clayoquot Regional District and Community of the Alberni Valley

Letter: Greetings,

To Approve the Five Acre Shaker Temporary Use Permit

# Comments

Name	Location	Date	Comment
John Dryden	Port Alberni	2015-06-10	There is ONE person against this event ... I'm in favor of it .... it is a community event and a good one to boot ....
Bryce Morris	Nanaimo, Canada	2015-06-10	I believe this is a positive event for the community which brings people together.
Dione Krause	Port Alberni, Canada	2015-06-10	Its a great event, and port alberni needs these kind of safe, planned events.
Wynita Jaworski	Port Alberni, BC	2015-06-10	It's a local fundraising for a good cause that I fully support :)
Ted Haggard	Port Alberni	2015-06-10	This is a great event and Port Alberni needs more things like this so.
Amy Francoeur	Victoria, Canada	2015-06-10	Port Alberni needs to support local events like this, especially ones that cater to younger people and families.
Jason Farrell	port alberni, Canada	2015-06-10	A responsibly run event which is needed in our community
Braedon Sutherland	Port Alberni	2015-06-10	I'm signing to support the local music scene in port alberni. So much talent!
Breanna boudreau	port alberni	2015-06-10	I think this event is a great way to bring the community together & send out awareness for what it stands for ☐
Anne Whitley	Port alberni.	2015-06-10	I fully support this event especially seeing that it goes back to the youth in our community! I would love to see it continue growing. Thanks to all the organizers!
Josh Spencer	Port Alberni, Canada	2015-06-10	i support everyone that is involved with this project
Sabrina Biggs	Port Alberni, Canada	2015-06-10	I'm signing because I had soooo much fun last. As far as I know everything went smoothly last year. Lance and his crew did an amazing job. It also generated more business for our community. Keep up the good work guys. See you there this year.
Coral Goddard	Port Alberni	2015-06-10	I spent the whole weekend last year and my 70+ yr old parents! We thoroughly enjoyed ourselves. This event brings a very special vibe with the zatt zoo project influence. Everybody was very respectful of their surroundings and if each other. Bravo to the organizers. I know it will be even better this year. It is exactly was port alberni needs!
Gerrit Van Kooten	Port Alberni, Canada	2015-06-10	It is a good thing for the community. Brings people together for great cause
Rachel Dame	Port Alberni	2015-06-10	I respect this event, and this things like this are great for the city, for our culture, and for bringing people into that town
Brenden Taylor	Port Alberni, Canada	2015-06-10	Because i wanna play a show with my rap group (Ninety5th)
Jenny Chrenek	Port Alberni	2015-06-10	Events like this are necessary in port alberni :)
Bryce Levasseur	Port Alberni, Canada	2015-06-10	I think this is good for the community
bryanna pearson	Victoria, Canada	2015-06-10	I think the 5 acre shaker is a great event to come to Port! Positive things all around!
Christopher Demoe	Port Alberni	2015-06-10	This is great for the community.
Larry Hovind	Port Alberni, Canada	2015-06-10	Supports local programs
Scott Jaworski	Port Alberni, BC	2015-06-10	I fully support this event... Great venue for new artists and fans to enjoy.
Kim Dudman	Port Alberni	2015-06-10	This event is necessary and a memorial to a great soul taken from us to soon...this is helping to fundraise for a great cause!!!
Alexa Colyn	Port Alberni	2015-06-10	Five acre shaker is a great thing for this community!!!!

Name	Location	Date	Comment
Logan Walcot	Port Alberni, Canada	2015-06-10	I fully support the 5 acre shaker , such a awesome event built from the heart of locals, that believe in the support young entertainers
Christine Cherry-Nesbitt	Port Alberni	2015-06-10	Festivals like this are good for the community. This event is well thought out and planned. It is a postive event and establishes something different for our town.
Sissy Scott	Port Alberni	2015-06-10	This is a wonderful community event, there is no logical reason it should not be allowed.
karen joseph	Port Alberni	2015-06-10	I think this is a great thing for port alberni with the potential to become even greater..Squamish music festival started small and look at it now.it could potentially bring in a lot of tourist money into port alberni.These young men have done everything possible to insure a safe a responsible event and I think it's ridiculous that anyone would object to this event
katy nitah	Port Alberni, Canada	2015-06-10	I'm new to the Alberni Valley, and am excited to have the opportunity to go to an event that is in our own city. I find myself travelling throughout the Island to other events at least once a month.
stacie camponi	Port Alberni, Canada	2015-06-10	This event will benefit the whole community!
Denise Lange	Port Alberni, B.C.	2015-06-10	Port Alberni needs events like this. We need to grow and move forward. From what I have read the organizers have done their due diligence and deserve a chance.
BJ Gillis	Port Alberni, Canada	2015-06-10	its worth signing
Tami Jones	Qualicum Beach	2015-06-10	This is a memorial, being very responsibly organized on someone's private property. It's as perfect venue.... No one drinking and driving, a good cause and it's summer for Heavens sakes! Let these people play! Put on your big girl panties and go to it and have fun rather than sit there and pout!
Del Smith	Victoria, Canada	2015-06-10	Port needs to be heard shared and enjoyed
Deanne Ruel	Port Alberni	2015-06-10	I think it is a great cause and will keep lots of money local
Melinda Geddes	Port Alberni	2015-06-10	I believe it is a great event for our community!!
Sarah Harrison	Nanaimo	2015-06-10	Nice to see new events happening in my home town.
Karley Scheffers	Port Alberni	2015-06-10	My brother zakkaree's fundraiser was supported there. Amazing group of people and great vibes all around. We need more things like this around, port alberni is getting far too boring.
Rose Kraneveldt	Port Alberni	2015-06-10	Rose Kraneveldt
darran chaisson	calgary	2015-06-10	I am new to the alberni valley, I love music festivals and from I experienced from the last event (I didn't attend, but I live behind the property) was all positive. It was nice to see the community I now call home put on and support a venue like this. You have my full and utter support
Chantelle Anderson	Port Alberni	2015-06-10	I believe this event is a positive for the alberni valley
Dustin Dame	Port Alberni, Canada	2015-06-10	Port Alberni needs more events like this! The event is well organized with tons of support and is great for the community in my opinion. Not to mention that it supports a great charity. My business is also directly supported by this event as they order merchandise from us and allow us to set up a vendor tent.
Cindy Wishart	Port Alberni, Canada	2015-06-10	I know many people who had a blast last year and we are not the worst town! We are the community with a heart! This event is fun and for a good cause &lt;3

Name	Location	Date	Comment
Jeremy Rai	Victoria	2015-06-10	I'm signing because the city of Port Alberni needs an event like this. The growing discontent with staying and raising a family in an economically descending city is increasing exponentially with every new wave of children. I left at the age of twenty, and all of my friends through high school quickly followed suit. This exodus was for one simple reason, the town's core was stale, and even worse it's showed no signs of change from that. So in short I signed this petition due to my hope that one small event could potentially help shape the future of a stagnant shell of a town into a younger person's city. -Jeremy Rai
Tanya Berry	Port Alberni, BC	2015-06-10	Im signing because hes doing everything right. I live 2 blocks away from the fall fair grounds, i put up with it & the starlight movie night every year. Neighbours can do it out there too. Good on him for a great cause!
jonathan cherry	Port Alberni	2015-06-10	This event needs to happen
Tracy Towers	Comox	2015-06-10	Because I intend to attend, to support growth initiatives in the valley, a place I call home and to sustain jobs, employment and a utube for the the next generation. Too many of ou our next generation have to leave valley to sustain a living...do the right thing!
Jill Cayer	Port Alberni, Canada	2015-06-10	I can hear the music from my house but it's no problem! It's great to have this in our community!
Ashley Gray	Port Alberni, Canada	2015-06-10	It is a great event for the valley!!!
Amanda Stephens	Port Alberni, Canada	2015-06-10	I am in full support of this well thought out, organized event. Fundraising from this event goes towards youth music programs which are desperately needed in the valley.
Brandee Sam	port alberni, Canada	2015-06-10	Good cause.
Jenny franks	Port Alberni	2015-06-10	Im signing because Port Alberni needs to attract and keep the youth and young adults in our town! We need special, fun, and safe events like this! Other towns near us like Parksville and Qualicum continually have music fests, sand castle events, and many outdoor venues for their towns people young and old alike. Shall Port Alberni be known as, or act like the grumpy old townfolk in the movie Footloose here?!?
chyeanne taylor	Port Alberni, Canada	2015-06-10	This is a peaceful event. There hasn't been any reason to not let it continue . The money made goes to a good cause everyone needs a little enjoyable time in this safe and controlled environment. I am not a drinker or at least a rare occasion one . I'm 56 and think this is a good idea. I don't believe in taking all the enjoyment out of peoples lives. Thank you
Tannis Sereidick	Port Alberni, Canada	2015-06-10	This town would benefit from more cultural events, and nothing touches the heart and spirit like music. Let them play!
Matt Banys	Port Alberni	2015-06-10	This is an awesome event bringing locals together, showcasing local talent, but most importantly going towards an awesome cause!!!
Tanya Willshaw	Grande Cache, Canada	2015-06-10	I fully support this effort and believe that Lance and Jessica have done their due diligence in ensuring the safe production of this event. This is a positive happening in Port Alberni and we need more events like this!
Graeme Huysmans	Port Alberni, Canada	2015-06-10	I live right behind where this event takes place, and I have no problem with it taking place. This event is for a good cause and it's a shame to see people rise up against it.
Elaine McLeod	Port Alberni, Canada	2015-06-10	Festivals happen all the time in many cities towns etc. People in Port Alberni have a habit of nay saying everything.
Laurie Nowosielski	Nanaimo	2015-06-10	Im in full support of this event

Name	Location	Date	Comment
Krysteen Ward	Port Alberni, Canada	2015-06-10	I approve and want to see this event take place
Jessica Hall	port alberni, BC	2015-06-10	It is wicked awesome and we need more community fun
Helena Sperling-Beaulieu	Parksville, BC	2015-06-10	This sounds like an amazing event for port Alberni. Although I don't live there any longer, I am still a property owner and port will always be home. I grew up living close to the Fall Fair grounds and every year, we could hear fair noise for the weekend. We also could hear other events held on the grounds. Tolerance people. It's one weekend a year. Stop being petty and support good events when they are willing to be held there.
Lacey Frazer	Port Alberni, Canada	2015-06-10	I like to have things to do! Having fun is awesome! Why shouyld everything fun be banned? Fun can be noisy, and fun can be had safely. It is one weekend! Not all the time
Nicole Rollans	Port Alberni, Canada	2015-06-10	Any event that raises money to support music amd youth in the valley needs to be supported actively!
Ashley Davies	Port Alberni, Canada	2015-06-10	I attended this event last year. Having never been to a music festival I was extremely impressed with the organization put into it from such a small group. I saw no violence or shenaigans! Port Alberni is becoming a go to community for special community events. But it's people like Lance who are willing to put forth so much of themselves in order to have new fresh events. I fully support Lance and this event. And look forward to attending again this year and many more to come.
Tyler Abbott	Port Alberni, Canada	2015-06-10	I support the cause
peter Flaatten	Port Alberni, Canada	2015-06-10	this is a great event for our community to have
Linda Smith	Port Alberni	2015-06-10	This town needs more events like this! It could grow into something great for this town
Debbie Reid	Port Alberni	2015-06-10	My son played at this event last year he travels from Vancouver to give back to his community! I think these organizers should be commended for all their hard work! Giving back to our community!
Bryce Goundan	Port Alberni, Canada	2015-06-10	This festival is about local musicians and sharing there talent with the town!! No one shud be against this
Melissa Dentoorm	Duncan	2015-06-10	Good on you lance! Keep fighting! Your doing a great thing for our hometown!
Arielle Rocke	Nanaimo	2015-06-10	I'm signing because this is a great event for the community! We need to support all local events and all the local companies that help make this event possible and profit from it! It saddens me that there are people who don't want anything fun to happen in this town. I loved having The Academy when I was younger to fuel my love of music, and this is just another way to do so! Let's ,sake this happen people of PA!!!!
Melissa Schram	Port Alberni	2015-06-10	This event should happen!
Karen James	Port Alberni, BC	2015-06-10	I feel that this is a good cause and Lance had done his homework to prepare for this promotion. We do need to grow with our interests in this town. Kudos to Lance!
Shelley Frank	Port Alberni	2015-06-10	Stay local, support local
al peffers	Port Alberni, Canada	2015-06-10	It should happen ! Every year
Celine Sauve	Port Alberni, Canada	2015-06-10	Port Alberni NEEDS this! Great for the community, great for tourism, great for the music scene and our youth. Let's not get rid of something that only takes up 3 DAYS out of the year!
Justin Sketsch	Port Alberni, Canada	2015-06-10	Port Alberni needs more things to do.
Marie Huneke	Port Alberni, Canada	2015-06-10	The younger people in our community are doing a good thing for charity!!!

Name	Location	Date	Comment
Cole Scheffers	Port Alberni	2015-06-10	I want something to do in port alberni!
Kelly Chan	Surrey, Canada	2015-06-10	I want to attend the Five Acre Shaker and experience all that I've heard it is. And I heard the Ded Beats are going to be there this year.
H Lazenby	Port Alberni, Canada	2015-06-10	Finally someone wants to bring something to this city, that is new. It's nice to see some change here we need to move forward.
Lenore Benedict	Port Alberni, Canada	2015-06-10	Because I totally believe in this event and the benefits to the community that come from it. Music is so important in my life and is a universal language that touches everyone.
Chelsey Kraneveldt	Port Alberni, BC	2015-06-10	This is a good cause and the party rocked last year!
Avery Herbert	Port Alberni	2015-06-10	Because port alberni should support local events put on by local people!
Kristan Vanden hoek	Nanaimo	2015-06-10	I want to support my old community! Love beaver creek!! &lt;3
Kristie St Claire	Port Alberni	2015-06-10	Cus it's for a good cause, benefits the community and all precautions are being made!
Susan Roth	Port Alberni	2015-06-10	I live close by. Last year's event did not cause me any problems.
Francis Palazzolo	Port Alberni	2015-06-10	It is an event that helps relieve stress and keeps us in touch with old friends and create new ones. We danced the nights away and were able to socialize with people we know from town on a different level outside of our professional lives. We should have the right to have Fun!!!
Linda Vissia	Port Alberni, Canada	2015-06-10	I think this is a great event to help Port Alberni Community & local area business.
Deb Payne	Port Alberni, Canada	2015-06-10	The 2014 Five Acre Shaker Outdoor Music Festival I attended with my children, their friends also my sister in law, whom was visiting from Calgary & we had an absolute blast ! (Not to mention we are both 50+ & enjoyed the music & the social). I live not 2 minutes from the property just around the corner on Saunders Rd N. & prior to walking to the event the music was only slight at our house which did not disturb the others in the household at all with sleeping. The event was very well setup and organized, right from entering into the acreage, security, to the music and food. So from the experience last year I totally support this event for 2015 & have no doubts they have done their due diligence once again to cover all bases for a safe & secure music festival.
Naomi horbatch	Port Alberni	2015-06-10	It is a great cause and plans are in place to mitigate safety issues. Any event can cause noise-get over it for one night. The valley is an event town for revenues
James Van Beek	Port Alberni, Canada	2015-06-10	I'm signing because this town needs more events an attractions. I guess some of us just forget what it's like to be young or even what it's like to live and have a good time. Some people need to live a little and relax cause life's too short.
Katherine Ralston	Port Alberni	2015-06-10	I support this event! It is good for our community, the people and the economy! I missed it last year but hope to go this year! □ □ □
Ross Bowen	Victoria, Canada	2015-06-10	This event has had all necessary precautions taken to safely host it. I feel that to cancel would be a crime against to local community. People are always complaining about having nothing to do in the area. This will provide something to do in a safe and fun atmosphere. This will be the last year in its current location too...My band Malahat played the local Battle of the Bands put on by the Zattzoo project and we were heavily inspired by the dedication to the local music scene and overall positive atmosphere put on. I speak as a musician and music fan when I say that this event will not only be beneficial to all local residents but also to the local economy.

Name	Location	Date	Comment
Ashlyn Mahar	Port Alberni, BC	2015-06-10	I missed out last year, would love to experience something as festive as this here in our home town :)
Jeffrey John	Port Alberni, Canada	2015-06-10	I like music, and a music festival in town would be really cool.
Romanie Dunnington	Port Alberni, Canada	2015-06-10	Port needs more events like this :)
Brad Loiselle	Port Alberni	2015-06-10	This has to happen,we have been told to go outside and play our whole lives now there's something to do outdoors and they wanna shut it down and keep us inside
GREG Taylor	Port Alberni	2015-06-10	Love music an this could bring a lot of \$\$\$\$ to port
Alannah Jules	Port Alberni, Canada	2015-06-10	Port alberni needs events like this. Support alberni and their talent.
Alysha Gaudet	Port Alberni	2015-06-10	I think it is important that we have events where all money goes to youth within our community. What's the difference between this and the fall fair, salmon Fest or the okie dokie. The concerts for the okie dokie are loud and the beer gardens are the same. It disturbs my sons sleep but I don't complain because it brings money into the valley. This event out beaver creek brings money into the valley specifically for youth and I'm not sure if other events do.. Whose going to replace these funds if this gets cancelled?!
Cam Strachan	Fort Saint John, Canada	2015-06-10	Valley youth have many troubles facing them (ie. unemployment, high suicide, crime rates etc) and very little to turn to. This event is a very good social and economic outlet for many.
Megan Lenihan	Port Alberni, Canada	2015-06-10	Its a community event about enjoying the company of friends and some good tunes. Let the people party, they have more safety in line then most port alberni events. It's amazing to me they even need all those permits.
melissa bordal	Port Alberni	2015-06-10	Port Alberni has many events that are proudly supported by the community. This event is held for a good cause and supports local music artists. We need to support that the way we support Thunder in the Valley, the Fall Fair and the Toy Run. We are asking only one week a year to run this event. That is not too much to dedicate to the memory of a young musical talent tragically taken too early and to celebrate the talent still here to give them a platform to share their voice.
joshua walt	port alberni	2015-06-10	I want tickets.
Jonny Lange	Port Alberni	2015-06-10	This should happen. Port Alberni needs this.
Sabah McLellan	Port Alberni, Canada	2015-06-10	We need more events like this here! Let's promote what we have here in the valley and help things grow instead of cut them down.
Debra Sutton	Port Alberni, Canada	2015-06-10	its a great social event...keep it alive this year!
Deanna Beaudoin	Vancouver	2015-06-10	I am a music journalist, and run a media business in Vancouver. I keep a house here in Port Alberni because I love the community. Additionally we fully support Music Therapy. This is a great community event and I hope it continues.
Rachelle Penrose	Port Alberni	2015-06-10	Moved away from port Alberni awhile ago, I support this event for all the old friends back home.
Bobbi Tatoosh	Port Alberni, Canada	2015-06-10	The owner of the property has done his due diligence in preparing for this event. He has gotten the support of many people within the valley and he is leaving a legacy for his lost friend. This is an amazing thing he is doing and amazing how much he has done to ensure it will be safe and secure.
F. Dykes	Port Alberni	2015-06-10	let's keep this positive event going....it's a good thing, don't let one bad egg ruin it....positivity is an addictive thing and let it flow and benefit the kids!!
Christopher Titian	Port Alberni	2015-06-10	I support good music and beer. Oh and the community.
Jolleen Dick	Port Alberni, Canada	2015-06-10	I support all community events

Name	Location	Date	Comment
Trina Lloyd	Port Alberni, Canada	2015-06-10	Port Alberni needs activities like this! It started from a tragedy and turned into a lasting memory
Eric demoskoff	Port Alberni, Canada	2015-06-10	last years event went off without hitch and was a blast to attend, we need more things like this promoted in our community for sure.
Val Gray	Port Alberni, Canada	2015-06-10	I think it's a great thing something fun to do in Port Alberni!
Karlie Ward	Port Alberni	2015-06-10	I fully support and believe that this event should be approved! Not only is it for a great cause it is also beneficial in many ways for our community. It is organized professionally and very well with all areas covered! Everyone involved is doing an awesome job getting everything in line and I really don't see any reason Five Acre Shaker 2015 should be denied
Scott Lothrop	Port Alberni, Canada	2015-06-10	I attended last year, and love to have events in my community. Had lots of friends come to the island for the concert
Thoma Bota	Port Alberni, Canada	2015-06-10	support for the community
Rene Sauve	Port Alberni, Canada	2015-06-10	I like to party
yvonne arentsen	Port Alberni, Canada	2015-06-10	We shid encourage good events that is supervised and controlled properly !!
Norman Smillie	Port Alberni, Canada	2015-06-10	I believe festivals like this should happen more frequently!
Bruce Leyland	Port alberni, Canada	2015-06-10	This a great event! Its a great opportunity for a community.
Richard Mace	Qualicum Beach, Canada	2015-06-10	full support for music festival in PA
Laura Olsen	Port Alberni	2015-06-10	I went last year. It was excellent!
Clark power	Port Alberni	2015-06-10	its good to see someone working hard to bring new things to this community
courtney vandenakker	parksvillr, Canada	2015-06-10	Last year I never got a chance to go but I do have to say everything was done very well being a beaver creek resident I never had a problem and I think it's put on very organized and a great for us young folk to enjoy differnt ways of the summer!!
Debbie Manning	Port Alberni, Canada	2015-06-10	I believe that this event would be good for port Alberni,
Joshua McRae	Delta	2015-06-10	I am a Vancouver artist and supporter of all things local.
Jared Dick	Port Alberni, BC	2015-06-10	This event was a blast last year and there needs to be increased awareness and fundraising for local musicians. They've taken every step to insure a safe and fun event. Port Alberni needs more fun events for young adults ranging 19-30 for sure.
lindsey hadley	Port Alberni, Canada	2015-06-10	I believe in community events, but if the shaker shouldn't happen because of noise and the like the fall fair, toy run and drags shouldn't either!!
Keely Wagner	Port Alberni, Canada	2015-06-10	I wasn't able to attend last year but I think this event is great for the community, friends that attended last year said it was a well organized event for all ages. Let this event happen.
Curtis Bouleau	Port Alberni, Canada	2015-06-10	It's right
Evan Down	Burnaby, Canada	2015-06-10	Durp durp the show must go on
Dallas ward	Port Alberni, Canada	2015-06-10	Supporting youth & live music in the valley.
Les Doiron	Port Alberni	2015-06-10	without growth in our community which is positive we stand still
Kelsey Anderosov	Nanaimo	2015-06-10	Because Port Alberni NEEDS more events like this! This is an amazing idea, put on by a bunch of amazing people who are doing everything they can to make sure this town has some kind of fun. Let them do it!

Name	Location	Date	Comment
Haley Anderson	Port Alberni, Canada	2015-06-10	im signing because we need more events like this to happen,it's a great fundraiser and gives people in this community a reason to stay. I always go out of town for events and for once it's nice to stay home and enjoy something fun. I live out beaver creek and thinks it's fantastic!
Kaydin Bird	Port Alberni	2015-06-10	I'm signing because I like to party
chelsie rai	Port Alberni, Canada	2015-06-10	I believe it's a great opportunity to put money back into our community & enjoying yourself while you do it ! They sound like that have thought of every safe precaution & see no reason why this shouldn't happen !
Chance Moffat	Fort Saint John, Canada	2015-06-10	A supporter of music. And from the area
shayla vandermey	port alberni, Canada	2015-06-10	I feel this is a good community event!!
Rob Namor	Port Alberni	2015-06-10	Because this town lacks anything fun to do. It's for a great cause and people should support it.
Al Ward	Port Alberni, Canada	2015-06-10	This is a fantastic CHARITY event supporting my list cousin Zakk Coss
derek james	Port Alberni	2015-06-10	Tbis is an amazing event for this community and everything fun in this town gets shut down. Cmon ppl no wonder everyone moves away and never comes back
Caroline O'Neill	Nelson, BC	2015-06-10	Being from Port Alberni this event is needed to have some fun. Come on Port Alberni we have so many music events here in Nelson and it's always a blast and brings in so much revenue for our city. Good luck !
Lynnette Lucas	Tofino, Canada	2015-06-10	youth support programs are important. Innovative ways to raise money for them are needed
Bill Brown	Port Alberni, BC	2015-06-10	This sounds like it'll be a well managed, safe event - let's not turn away an opportunity that local folks worked hard to produce!
Raquel Bailey	Port Alberni	2015-06-10	We need more events like this in our community to attract more visitors. I want to thank Lance for all his due diligence and hard work. He is committed to making this a safe, fun event.
Andrea Pettigrew	Port Alberni, Canada	2015-06-10	this is a great cause. Every fundraiser held for Zakk has been great!!! Let his memory live on!!
connor smyth	Port Alberni, Canada	2015-06-10	I'm signing to support the local music scene in port alberni!
Barb Calabrese	Parksville, B.C., Canada	2015-06-10	It is a positive venue for music and very well organized.
Jaime Lessard	Victoria, Canada	2015-06-10	Fun things need to happen in port alberni!
Evan Hammond	Port Alberni, Canada	2015-06-10	Charity, local spirit and morale.
Kurt Filipchuk	Port Alberni, Canada	2015-06-11	This is a great even to showcase local talent and brings awareness to the fact the this town does have entertainment to offer
ron harkness	Port Alberni, Canada	2015-06-11	great time
rick hebert	port alberni, BC	2015-06-11	these guys support a great cause and help many young talented artisrs
Sheila Manson	Port Alberni	2015-06-11	I'm signing because this is a great event for port alberni. These guys are trying to do something for port. We need people that want to do things for our town.
christie stellinga	Port Alberni, Canada	2015-06-11	I believe this town needs more fun activities for young people. I think it's great and it sounds well organized. I live out Beaver Creek and I welcome it

Name	Location	Date	Comment
Destiny Huff	Port Alberni, Canada	2015-06-11	I think they should allow this it's one weekend! Besides being fun, looks like its a well-managed event and has many social benefits to our community. festivals attract visitors, which stimulates the growth of tourism and other businesses which we need in this town, And those visitors spend money, which boosts the local economy both on and off the five acre site. Planning and conducting the five Acre shaker takes a lot of effort and Lance has done a great job last year. I'm sure there was some haters when they hosted the first salmon festival 44 years ago and look how it is today, Everyone enjoys it and comes to our town to fish that weekend so why not start having our town look like the fun town for a weekend. We should be proud to host this festival in our territory. Looks like Lance has done his homework on this Music festival, investigated the security and operational plans and even has a smoking areas and has a level of confidence that they will be able to deal with many of the traffic, people and other issues that challenged the event, I say those neighbors need to suck it up one more year..he already said he will find a different area next year. He is creating a really awesome music experience and even in the worst place to live. Let him prove them wrong that there is more to our small town.. Good luck Lance and thanks for putting in the effort to see our town grow! ☐
Dave Ralla	Port Alberni	2015-06-11	We need to support young people trying to grow our community. They have obviously taken great measures to make this event safe.
Carol Fiorilli	Port Alberni	2015-06-11	This event did not cause any harm last year. Plus it's great to see new and exciting events benefiting our community!
Tamara Mannix	Port Alberni, Canada	2015-06-11	It's a weekend of time for Port Albernians and out of town people to enjoy our local talent in a safe and fun environment!! I'm not sure why this is even on question. These young men have done a FANTASTIC job organizing for this event. Let all enjoy some time together!!
Lisa Smith	Burnaby, Canada	2015-06-11	I attended last year and was immensely impressed with how safe, clean, and well organized the event was. Such a peaceful venue for the gathering of Friends and Great Music!
Alexandra Macdonald	Port Alberni, Canada	2015-06-11	I believe in this program and supporting youth music.
Brianna oneill	nelson, BC	2015-06-11	It could bring the city back into a better place Bringing more people from other places will be good
Mary McLaughlin	Port Alberni, Canada	2015-06-11	This is a very well organized event that benefits our community.
Pamela Bouvier	Port Alberni, Canada	2015-06-11	promote fun, safe local activities
danny gillis	Port Alberni, Canada	2015-06-11	This event is a very good thing!!!
wayne morgan	Port Alberni, Canada	2015-06-11	I believe the shaker should happen, the last one was fun and it goes to a good cause!
Shae Henson	Port Alberni, Canada	2015-06-11	This is a great, safe event for everyone in the community.
Angie De Jong	Port Alberni, Canada	2015-06-11	I think its for a great cause!!
Tyson Smith	Port Alberni, Canada	2015-06-11	I sign because this is a spectacular event to host in port Alberni!! We have very little summer events this is just one great thing to look forward too :)

Name	Location	Date	Comment
Laura proulx	Calgary	2015-06-11	I find this is very beneficial on getting young ones and older doing stuff outdoors. It is a very harmless and friendly atmosphere. Also excersise with the dancing and sports games.
Michelle Romphf	Gibsons, BC	2015-06-11	I am from Alberni and come back often to visit. These events are what keeps the town alive and it is for a very great cause! If I'm there when it's happening I will be attending for sure!
Joel Sked	Nanaimo, Canada	2015-06-11	This is an important event. It is of benefit to many people and communities.
Dennis Olsen	Port Alberni, BC	2015-06-11	This is a good thing for Port Alberni. I've been a performing musician my whole life. Opportunities to play and perform are always a good thing. The way forward is not to look back.
terry bellas	Port Alberni, Canada	2015-06-11	I went last year, great fundraising for great reasons, we raised over 700 dollars for the zat zoo project which helps kids with musical ability, not dangerous, well controlled with security. Outside city limits and it's on acreage
Dave Schofield	port alberni, Canada	2015-06-11	I believe its a good thing for port and also for Kim to heal for the loss of her son!!
shayla frechette	Port Alberni, Canada	2015-06-11	Good community event and brings other people in. Great to have a local music festival for a great reason
Chris bodnar	Port Alberni, Canada	2015-06-11	its a great local event for a great cause and it's well planned.
Keeley McBride	Surrey, Canada	2015-06-11	I'm from Port Alberni and this is the kind of event that will bring people back to visit!
aaron sheare	Port Alberni	2015-06-11	not to sign would be silly! its just a concert to raise money for charity! how can anyone really havea problem with it . its 2 days out of 365
mitch thomas	Port Alberni, Canada	2015-06-11	I live in the area and it doesn't bother me! We need more events like this.
Wendy Roederer	Port Alberni, Canada	2015-06-11	this town needs a few fun things to do in summer
Marja Sheare	Prince George, Canada	2015-06-11	I am signing because I think PA doesn't have enough for the younger generation. They always need to go outside the valley for fun stuff to do. I think this is awesome and you've done your due diligence in making sure it'll be fun and safe event!
J Lloyd	Grande Cache, AB	2015-06-11	I'm signing this petitions because I agree with the cause! This is a well thought out event bringing something new to port alberni. Profits going to charity and supporting another great cause! The organizers have planned and taken the correct steps to ensure everyone's safety and are trying to give something back to our community!
Gina Parsons	Port Alberni, Canada	2015-06-11	Went last year ..I support the Shaker!
annette gill	Port Alberni, Canada	2015-06-11	it's an opportunity to raise money for a good cause. .. connect with friends..
leah turner	port alberni, Canada	2015-06-11	I am signing because I think this has such a fantastic positive effect on our community.
Nick Thierstein	Port Alberni	2015-06-11	Good for this community
Kyla Schafer	Victoria, Canada	2015-06-11	It's a great community event that supports up and coming local talent.
Robert Glennie	Kelowna, Canada	2015-06-11	Good times
Phil Towell	Port alberni, Canada	2015-06-11	I think it is a good thing for the community as a whole, any money donated to charities is always a good thing
Matthew Bridgen	Port Alberni, Canada	2015-06-11	I want to
Tana Schwartz	Port Alberni, Canada	2015-06-11	It's for a good cause and has been very anticipated amongst many people in the valley!
M Lowe	Port Alberni, BC	2015-06-11	Port Alberni need's more positive things for people to do.!

Name	Location	Date	Comment
Kim Ivezich	Port Alberni, BC	2015-06-11	Music is my religion!
Dan Iamb	Port Alberni, Canada	2015-06-11	great community event
Karen Rathbone	Port Alberni, Canada	2015-06-11	My daughter plays two instruments in the ADSS band and it is an important part of her life.
Deb Roberts	Port Alberni	2015-06-11	I would like to see port Alberni support something other than logging, coal, and McLain mill
Steve Cyr	Port Alberni	2015-06-11	We need more events like this in PA.
Paula Mercer	Port Alberni, BC	2015-06-11	I support this event!
Shannon Sasaki	Port Alberni	2015-06-11	i believe in the power of music to soothe, inspire and heal. Great idea, worthwhile cause!
Marian Mallon	Port Alberni, Canada	2015-06-11	I live just down the old grade from the property that is having the Music Festival. I was not disturbed by the last one and think it is a great idea. There is a lot of great talent in this town It is something that the old and young can enjoy together. BIG THUMBS UP!!!
Maureen Manhas	Port Alberni BC, Canada	2015-06-11	This is fantastic and it supports our community!!!
Jody Coulthart	Port Alberni, Canada	2015-06-11	I see no problems with Lance hosting this event again. He and I spoke today and he seems to have all concerns addressed.
Crystal Bailey	Port Alberni, Canada	2015-06-11	I attended last year, had a great time. Well organized, security was visible throughout the crowd and the property. Looking forward to this year and supporting a great charity and our community!
Gerri-Linn Smalley	Calgary	2015-06-11	Proud past resident of Port Alberni...Loved it! Music is a fantastic "Port" for our younger generation to express themselves (ourselves). ☐☐ If this function is well organized, why would you not allow this opportunity to happen in the chance it could truly become an economic benefit to the Valley? I'd bring my family!!!
Sarah Schram	Port Alberni	2015-06-11	Port alberni needs an event like this to happen,I think it's a great idea
Carol Maltais	Port Alberni, BC, Canada	2015-06-11	This town needs events that every age can enjoy that does not cause major traffic congestion AND the money raised stays in the community. An annual musical event is held by several communities of all sizes across the island - why not Port Alberni/Beaver Creek?
Lucy Hotchkiss	Vancouver, Canada	2015-06-11	It's a great cause, only one more year, sounds well thought out and safe, what's the problem?
Alicia Mayer	Port Alberni, Canada	2015-06-11	This town could use a festival that draws in the younger people. It is a safe and well thought out event. Bring in tourists, which then spend money throughout city over the event weekend. All money raised stays within Alberni valley.
Nancy Smeltzer	Port Alberni, B.C., Canada	2015-06-11	I don't see anything wrong with having this festival, it's time Port Alberni had some fun things going on..
Randi Clayton	Port Alberni, Canada	2015-06-11	I believe in supporting new musicians and sounds like a very organized event
avalon schroeder	Port Alberni, Canada	2015-06-11	This event is in memory of a wonderful soul who brought life to Port Alberni. I will never forget him & neither should anyone else. There were no problems last year, this was a safe, secured event that everyone in Port should support.
Annette Clement	Port Alberni	2015-06-11	If you build it, they will come. What is one night out of 365? I live in Beaver Creek, why not have a great event out here? Also it is a great fundraiser... Looking forward to it.
Kyle Hamelin	Port Alberni, Canada	2015-06-11	This city needs a music scene. Events like this keep the music scene on Vancouver island alive.
Dustin Thompson	Port Alberni, Canada	2015-06-11	Cuz word

Name	Location	Date	Comment
Kristina Corey	Port Alberni, BC	2015-06-11	I believe that this event will do wonders for the community. It is going to keep growing and drawing more people into Port Alberni, plus they are giving back to the community through charity!
Linda Smith	Hamilton, ON	2015-06-11	It is a great community event
Rebecca Mitchell	Port Alberni, Canada	2015-06-11	I believe in the cause and the memorial of a young mans life that was lost affecting his family left behind , every day. This is a safe well organized event. The show must go on !!
Dennis Watts	Port Alberni	2015-06-11	I just like muzik, especially live shows.
Patty Edwards	Port Alberni, BC	2015-06-11	girls just want to have fun
Lydian Heiman	Port Alberni, BC	2015-06-11	Port Alberni needs these kinds of events.
rechelle martin	langley BC, Canada	2015-06-11	I'm all for coming over to enjoy a fantastic venue
Melanie Welden	Port Alberni, Canada	2015-06-11	Im signing this as i find this is the best thing that could happen in PA. Keep it up, never back down.
Jacklyn Martini	Errington, Canada	2015-06-11	I think this is a great event. A good time, where people get together and celebrate music etc. It is one weekend, only a couple of nights, and it is well organized and the safety and enjoyment of the attendees is clearly a priority.
Kaicee Trott	Port Alberni, Canada	2015-06-11	Port Alberni should have events like this. It gathers people all together!
brad tardif	port alberni	2015-06-11	I fully support this event and what it stands for
shamane manyk	Port Alberni, Canada	2015-06-11	So we can keep the local music and friends together
ken smith	Port Alberni, BC	2015-06-11	My understanding is that last years event was a huge success speaking to local persons whoom attended. Every large event will draw bad apples per say (some whoom get out of control) although as was last year these bad apples were dealt with accordingly by the well organized personnel. Last years event drew lots of locals and non locals to a organized event not only to have fun but also to support a local cause .Organized community functions are greatly needed in port alberni and draws out of town persons also which is good for local businesses.
Hailee frechette	Burnaby, Canada	2015-06-11	Zakk Coss was one of my bestfriend and it meant a lot when they started this fundraiser. I would really like to see it grow and become something fun and exciting for the Alberni valley! The potential for this festival to grow is a great opportunity for the increase of tourism in port Alberni!
Ken chandler	Port Alberni, Canada	2015-06-12	I'm a Cherry Creek residant and I love the idea of events like this going on in my community
Deb Masso	Port Alberni, Canada	2015-06-12	I think that this is one way of attracting more people into Port Alberni. I've talked to people that say, "Port Alberni, where is that?" It's an attraction, it's fun, & it can be seen as an opportunity to make more people aware that it's not such a bad place after all. We had great fun last year and it seems the majority of people there were there for good music and fun....
Janice Clark	Port Alberni, Canada	2015-06-12	I think this event puts Port Alberni on the map!
Robert West	Port Alberni, Canada	2015-06-12	I am an artist in the show.. ive been rehersing all winter waiting for this event.
Roxanne Wilson	Port Alberni	2015-06-12	because I supported last year it is a fun charity event I live close
Jesse Garner	Calgary, Canada	2015-06-12	i grew up in port alberni , there was never a music fest to enjoy while I lived there , I'm not a bitter old man I like to see people enjoy themselves, it makes the world a better place
Stephen Haack	Port Alberni	2015-06-12	I believe in local talent and local fundraising for this community!! Oh yeah and a good time close to home :)

Name	Location	Date	Comment
Violet Starr-Goforth	REgina, SK	2015-06-12	i care
Leighland Daumont	Campbell River, Canada	2015-06-12	This is silly people need to sign a petition to have a shaker ! Too many rules
Eric LeBlanc	Port Alberni, Canada	2015-06-12	I was there last year and it was a magnificent time....Brilliantly executed as far as security and organization...
Keegan Moore	Kelowna, Canada	2015-06-12	Port Alberni absolutely NEEDS the 5 Acre Shaker to happen. Other towns are thriving with music culture and love and it can be so difficult to find that in Port. Finally something comes along where tons of different people from every different genre of music can get together and make new connections and there is a chance it may not happen again this year? It is inspiring for fans and artists. I see a ton of positive reasons to let the Shaker happen and very few negatives. It would be completely silly to let such a beautiful thing ran by people with such a great vision come to a halt so soon.
jayme haack	port alberni, Canada	2015-06-12	Too many fuckin old people that refuse to look past there own bitchiness and have a good time for a great cause
Jacob Albaya	Whitecourt	2015-06-12	Glad to help
Janet Pleasants	Port Alberni, Canada	2015-06-12	I attended last year and it was one of the best events I have ever attended. Extremely well managed. Kudos to all the workers and volunteers.
butcg nig	port alberni, BC	2015-06-12	we need this
brodie paxton	Port Alberni, Canada	2015-06-12	It's for a great cause! Port alberni needs more events like this!
Matthew gauthier	Nanaimo	2015-06-12	This is an event that port Alberni needs. There will always be opposition, as there always is. The only difference I really see is that this event is being planned by younger adults. If the drag racing society wanted to put on a fund raiser festival on for the drags there would be no problem. The fall fair plays music 30 feet from a road and houses where a lot of families live. Let's not make port Alberni look worse than its perceived by squashing something fun and beneficial because that seems to be what happens to all things fun planned by responsible young adults in the community trying to make the town an enjoyable place to visit, live, and relax.
Nicole Goodyear	Port Alberni, Canada	2015-06-12	This is a great event for the community.
gail hellesen	tofino	2015-06-13	i feel they should be able to have this event as it brings a community together and raise money for there community as our goverment sure won,t
Milt Levins	Port Alberni	2015-06-13	This is a good thing for Port Alberni.....ENJOY!!
tammy werner	Port Alberni	2015-06-13	someone is trying to liven up this town and I think events like this need to happen here. why just because we live in port alberni can we not have fun music events ?! other places get sunfest what does port alberni have ???! think this town is only what you make it and you can't please everyone cause one guy hates the noise .
Richard Hewitt	port alberni, Canada	2015-06-13	this is for a good cause, gives young adults a venue to have fun, enjoy and support local entertainment, and provide upcoming talent a place to showcase their talent. My concerns about the event have addressed .
Robert Millar	Port Alberni, Canada	2015-06-13	This town needs to support this because it will enhance the profile of Alberni being an inviting community of different performing art forms. Last year Shaker was a pretty good indication this Valley needs a festival for the young
deanna mulvey	Port Alberni, Canada	2015-06-13	It's great that this town can host an event to where the money directly goes back locally to the youth of the valley. I support this 100%

Name	Location	Date	Comment
Megan Cathers	Port Alberni	2015-06-13	I'm signing because Port Alberni truly needs more creative ways to bring tourism and profit into the Valley. We have a unique opportunity with this event in that it could become a traditional yearly event that could truly benefit our economy.
Kathleen Farrow	Kelowna, BC	2015-06-13	I believe there needs to be more of tgis . It can bring funding to small towns.
Alysa Ryles	Port Alberni, Canada	2015-06-13	This is a great event for everyone to come out and enjoy local bands play!
Dave Cathers	Port Alberni, Canada	2015-06-13	It's a great opportunity for local bands to show off they're talent
Heather Boe	Port Alberni	2015-06-13	port alberni needs more creative people like Mr Goddard, to being more life and interest to this dull and grey town!!
Dustin Haracka	Port Alberni, Canada	2015-06-13	I'm going. I want to make the pissy whiney neighbors lose. Too many good thing get scared away from this valley by the closed minded senile fucks that live here. Anything to attract youth to this dying shithole of a town is a good thing.
Clifford Whitney	Port Alberni, Canada	2015-06-13	just let the kids dance and play
Stephen McOrmond	Port Alberni, Canada	2015-06-14	Port Alberni needs more community events
Randi Hanson	Port Alberni	2015-06-14	I believe in this community
Jay Ward	Fruitvale, Canada	2015-06-14	It's an event that promotes the Alberni Valley ina POSITIVE light! Do people not read the negative press Port has been getting?
John Stephen	Port alberni, Canada	2015-06-14	I saw first hand how well this event went last year. The 2015 shaker is going to be even better because a lot more planning has gone int it.
joe garcia	Port Alberni, Canada	2015-06-14	The valley needs new, exciting entertainment!
Trenton Vanderkooi	Port Alberni, Canada	2015-06-14	Because I think Port Alberni needs more things like this.
dustyn bath	Edmonton	2015-06-14	Lance is an awesome intelligent person and we share a love for music. This festival is a brilliant gesture of generosity.
Jessie Kirton	Vancouver, Canada	2015-06-14	Sounds like a fun time
Emilie Herrling	Port Alberni, Canada	2015-06-14	I'm signing this because Port Alberni should have more events like this, plus it's for a good cause.
Damian debaie	Port Alberni	2015-06-14	I'm signing because port alberni needs more entertainment and I don't see a problem with this event
Holly Schutt	Port Alberni, Canada	2015-06-15	Our community needs this.
KRISTY demers	port alberni	2015-06-15	we need more good entertainment for our community!!!
Kim Bellas	Vancouver	2015-06-15	Its gonna be a blast!
bud huot	Port Alberni, Canada	2015-06-15	I beleive this is a great cause
tanya lawrence	Port Alberni, Canada	2015-06-16	Im signing because I think its a great event and I would like to go!
Jean-Philippe Harvey	Port Moody, Canada	2015-06-16	Need to wake this town up with some festival and new events, nothing against what I'm place but it obviously attract only an older crowd, if we wanna pump some young blood within the community we need to open our horizon
darian ziegler	Port Alberni, Canada	2015-06-16	It's a great way to bring the community together. Meeting new ppl is always a huge plus!
Kerri-Anne Janzen	Port Alberni, Canada	2015-06-16	Good for you guys, Port needs more wonderful ideas like this, have fun!!! Be Safe!!!
Kori Woiwod	Port Alberni	2015-06-16	I agree Port deserves fun
dale bondue	port alberni, Canada	2015-06-16	We need money for the kids music!

Name	Location	Date	Comment
Crystal Kerr	Port Alberni, Canada	2015-06-16	I'm signing because we need community music festivals! We live in such a beautiful location and need to think forward and stay connected to the world of arts, music and entertainment!
Angela Mallory	Port Alberni, Canada	2015-06-16	I believe this city needs to support entertainment events. We need to grow.
danika bratt	Port Alberni, Canada	2015-06-16	This event is for one night, I think people should learn respect, this event is for good causes.
Kristine Abbott	Port Alberni	2015-06-16	I'm signing this because our town needs events like these to look forward to. A safe environment for people to meet and greet and have a great time!
Peggy Parkes	Port Alberni	2015-06-16	Because, why not? That's why I'm signing.
Rowena Cootes	Port Alberni, BC	2015-06-16	Rowena Cootes
Blain Pouliot	Port Alberni	2015-06-16	I support this venue and the organisers
Deanna Sheers	Port Alberni	2015-06-16	This is a great cause, it's well organized and I really hope to be a part of it :)
Colleen Brooks	Port Alberni, Canada	2015-06-16	This sounds like a great event and we need things like this in our beautiful town!
denise angrignon	Calgary, Canada	2015-06-16	its a great cause. and port alberni needs it.
Richard Kudra	Port Alberni	2015-06-16	It is this type of activity that builds a strong community!
Carl Warm	Fort St John, Canada	2015-06-16	I'm in support of charity events and I support what these people are doing for the community
lorrie hennessy	port alberni	2015-06-16	this town needs more like this..out door fun
Sean Paul	Port Alberni, Canada	2015-06-16	itd be sik as f to have this
Andrea Markiewicz	Port Alberni, BC	2015-06-17	I am signing because of all the work you have put in to make a safe event. It is appreciated!
Robin Hayes	Port Alberni, B.C., BC	2015-06-17	Went last year.
bernie muller	Port Alberni, Canada	2015-06-17	Let the kids have fun.
sandra anderson	Port Alberni	2015-06-17	I think this will be an awesome annual event for the valley to promote how beautiful the valley is and bring people of all ages to enjoy the musical talent that's out there
Chris Berti	Victoria	2015-06-17	I wish there were events like this when u still lived in the valley
Leona Hiltz	Port Alberni, Canada	2015-06-17	Great fundraiser, good time had by all and well organized.
kim miller	Ahousat	2015-06-18	Joining this event last year was a safe and fun filled event. No drama did not see anyone get hurt. No forest fire was started. All around great time for the younger generation :)
Melissa Williamson	Port Alberni	2015-06-18	I think this event should go on! We need to be more supportive on community events, not put up barriers for people to get together and have a great time. This is a charity event and we are a community with a heart...remember?
Lee-Anne Zielke	Port Alberni, BC	2015-06-18	Charity events should be encouraged not taken away!
Paige Senger	Port Alberni	2015-06-18	I'm signing this because I've known lance for a long time, he's a very smart and hardworking guy, this event is a positive for port alberni. Last year lance went above and beyond to make shure his property was safe along with everyone who attended the event I personally can't find a negative thing to say about my experience at the five acre shaker and I hope it can carry on for many years.
Robert Todsén	Parksville, Canada	2015-06-18	Sounds like it would be a good time!!!
Courtney ketchum	red deer, Canada	2015-06-18	Why wouldn't PA want this for its city? So many great things seem to be developing in my hometown- it warms my heart and this is one of them. And a local boy investing in the community? It'd be a shameful to see this abolished.

Name	Location	Date	Comment
Perry Piroutz	Nanaimo, Canada	2015-06-18	The meaning of All is Awareness Loves Life. Music is love not war, 1 Billion Dollars given by the federal government to foreign terrorists in Middle East and this local community event is issuous!?
Brant coney	Port Alberni, Canada	2015-06-18	this is a very beneficial event and I am all for community events such as this one!!

Hi Darryl & Ann. Thanks for your thoughts, I will pass them on to the board ..what is your home address? John McNabb

On Jun 9, 2015, at 11:52 AM, Darryl & Ann wrote:

Hi John,

While we have been known to listen to loud music on occasion, last year's three day straight music event was a bit much. It went from morning to the wee hours of the morning with no reduction in volume. We own a farm (which backs onto the end of Mersey Rd.) and have to work every day. Seeing as we aren't 20 years old any more (drats!) we need more than two hours of sleep to function. Our chickens didn't act too crazy last year but our cows did. They were stressed the whole time the music was on and some notes and tunes and electric effects totally panicked them. They would just stampede around their field until the sounds changed. I can't sit down with them and explain it is just music and won't hurt them. They don't understand. Cows blasting through fences and running about the neighbourhood would not be good. Further, three days of nonstop stress is dangerous for pregnant cows. A couple of our neighbours have horses. I don't know how the horses reacted but maybe you could ask.

So, we are not against the music festival, please just keep the hours and the volume down from last year.

I keep seeing this five acre shaker event being discussed on Facebook and petitions and letters of support being sent. As far as I can tell from what I've seen it looks like this party is planning on being double the size of last year, and I believe, extended to 3 days. I am absolutely not in favour of this. Last year I was kept up all night not only by music but by announcers screaming and swearing into a microphone until at least 4am. I live on the corner of batty and Debeaux rd which is quite away away but that did not muffle the sounds at all. My whole family was kept awake, and my kids had to listen to every profanity clear as if they were in my own yard. I understand the need for community events and I am all for them (I may be wrong) but my understanding is that this is a 3 day house party with 1000 guests! One night was bad enough last year so If that is the case and it is anything like last year I will be forced to leave for the weekend.

I've seen a lot of comparison to the noise of the fall fair, salmon derby and drag race events but fall fair and salmon derby are shut down at 11pm and the drags even earlier. I do not know all the details of this event but I hope that if this does go through (which I am not in favour of and quite surprised it is even being considered) that it is at least regulated like any licensed event and is shut down at a decent time. I also am concerned about the amount of people who feel that they don't need to take a cab when they are in beaver creek and just "take the back roads" home (as I live on those back roads)

Again, I don't know the exact details and I'm only going off info I've read on Facebook. I have no problem sleeping through music or the sounds of my neighbours having a party but last year the noise and disturbance of this five acre shaker party was beyond ridiculous, and I can't imagine 3 days of it.

Thank you for considering my opinion.

To Whom it may concern,

I am writing this to express my concern about the proposed 5-acre shaker event that is being planned for this summer. My concern is not with the event itself, or with the cause; it is the location that concerns me. I believe it is highly inappropriate to hold an event of this magnitude in such an area.

I currently reside at 5860 Mersey Road about 400 yards from the rear portion of the proposed site for this event. I have two very young children, one 3.5 years old and one newborn at 3 weeks old. We don't get enough sleep as it is and I simply do NOT want 1000 people partying in my back yard all weekend. Last year, if I recall correctly, the noise did not die down until well after 2am. That was with about half the people as proposed for this year's event. Good luck telling 1000 drunken revellers that they all need to quiet down and turn off the music at 11pm.

The other problem that I have with this event is the fire hazard. It's only the beginning of June and, if I recall correctly, water levels are currently sitting somewhere around what they should be for September; We are already on water restrictions. The weather is hot and dry and shows no sign of changing anytime soon. All it is going to take is one drunken idiot flicking a cigarette in the wrong spot and we will have a potentially devastating wildfire in a populated area. This event is simply not worth the risk.

To put this into perspective, I'm not just some grumpy meddling killjoy that never wants anyone to have any fun. I'm actually a member of the BCVFD and I was originally planning on volunteering for the event as an OFA 3 First Aid Attendant. That was until I learned that the scope of the event had nearly doubled in size from last year.

Please find an alternate venue for this event.

Thank you for your time and consideration in this matter.

Sincerely,

Dean Anderson

Mike; I am totally against the 5 acre shaker. I do think the concept of the charity is fine but the venue is all wrong . I am a volunteer with Beaver Creek fire department and the fact is we are going to have a truck at the site is not true. Some of our younger members are going to the event and have volunteered their time in first aid but it is my understanding if a fire should break out we as a department would have to respond with our PPE and apparatus. As a home owner in the district of Beaver Creek it seems that allowing this event to go on in a residential area may set a president and what is to stop the farm beside my house from having a 3 day concert .There are places in the community that are set up for such events and should be used. The first year was fine but as it has out grown the 5 acre 's it is time to move to a more appropriate venue .  
thank you for your time kirk mcgiffin

I oppose the shaker, I live 2 doors down from them, Last year the noise and music went well into the night. Then the roaring of drunk drivers leaving the party was frightening to say the least. We are rabbit breeders and we didnt know the shaker was going on, so we lost a litter of show rabbits due to the mother being stressed out by all the noise. So I oppose the event happening, sorry

To: Mike Irg

Hi,

I'm emailing about the possible 5 Acre Shaker concert. I live at 5695 Strick Road. I have a few concerns. Fire would be my number one concern. I know that Lance has stated that there will be designated smoking areas, but if there are tents and campers, there will be no way to control where people are smoking. There will also be camp stoves of all sorts. There also could be people with fire crackers, etc. It's only June and my grass is already brown. I can't imagine how dry it will be in August if this weather keeps up. As for the noise, that's not a big concern of mine, but there is Hyde's place which houses some elderly people. I don't think they have many elderly there anymore, but I'm pretty sure they still have some. I am also concerned about the cars and traffic. With the estimated 1000 people, that's a lot of vehicles that will need some place to park. He's talking about food vendors, beer gardens, camping area, stage, designated smoking areas, but where will everyone park? Five acres may not be enough. I think the idea of it is great, especially if he does donate all profit to charity, but I feel the area isn't a good idea in that it's not big enough and it's too close to other houses.

I'm all for bringing in musicians, making money for charities, and honoring a young man taken too soon. I just don't want this to end up disastrous. I like the idea of the Fall Fair grounds. People camp there during the Fall Fair so I'm sure people won't mind camping there in August. It's fenced in and there is no grass to worry about fires starting on.

I hope the ACRD and Lance can come up with a safe solution that everyone is happy with.

Thanks,  
Danielle Tramer

To Whom it may concern:

It is troubling when people feel they have no say in the events that affect their lives. .... especially those things that affect their actual homes and the environment in which they live, where they have chosen to live and where they want to continue to enjoy the characteristics of that particular piece of heaven. When people want to do something that is not sanctioned by the laws of the that area, that would affect the lives of the people who live there and who have lived there for many years, it would be very hard to argue why those who are **not** affected should have the final say in whether the event will take place or whether it will not or **where** the event would take place.

We are a "yes" society. We want to say "yes" to our children in most things. We want them to be happy and feel self-fulfilled. Not because we don't want the hassle of saying "no" (although that is certainly part of the reason) but because we love them and we want to tell them that without saying the words. We want them to know that we care about what they want. But we need to be more concerned about what others need that are affected by our children's actions.

Wants are different from needs. The organizers of the Five Acre Shaker are bright enterprising young people who have worked hard for what they **want**. But they do not **need** to have the event and they certainly do not **need** it to be where they **want** it. They have been given other alternatives. The people who oppose the event where it is planned to be held **need** to have their legitimate concerns listened to if only to reaffirm the trust that ordinary people place in their officers-----whether they are appointed or voted into office.

Many of the regional district panel who heard and read the submission of the organizers have expressed their concerns that twice the number of participants over last year's attendance would be too much for the area. That it would not be in keeping with the bucolic nature of the area. I concur. So do others. At present it is not legal to hold that kind of event in this residential area.

It must be stated that last year they did not ask for permission to hold the event, therefore the concerns of their neighbours within a mile of the event were not heard at all as opposed to the "music" which everyone heard in the Beaver Creek, Grandview, Mersey area.

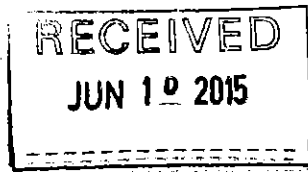

As energetic and as talented as the organizers are they still are less concerned about the inconvenience and possible jeopardy they are placing everyone around them in than they are about getting what they want.

I am against the "Music Festival" being held at the property currently proposed.

Vaughan Chase

June 16 2015

To Heather Adair and the Regional Board,

We are very concerned about another five acre shaker taking place in our neighbourhood. There were complaints to your office last year and prior to his party your office let Mr. Goddard know that permits were required for such an event. For reasons of his own, Mr. Goddard decided to go ahead anyway, regardless of the risks involved, not only to his own patrons, but to his neighbours families and homes as well. He didn't care if his actions bothered anyone else or ruined anyone elses plans. He didn't care then, and by his refusal of the Fall Fair Grounds as an alternate venue, he apparently doesn't care now. His " vision " is to fence 1000 people onto a hayfield in mid august. The patrons are attending to support the musicians and listen to music. We do not believe they would refuse to attend because it wasn't held in a hayfield.

Last year we were bombarded by non-stop thumping noise from Mr. Goddard's party. After the two hundred foot perimeter it stops being music. As the hours wore on this became a " torture ", causing me extreme anger and resentment that I was being forced to endure this. Even leaving our home unattended to get away was not an option as there were groups of people walking the neighbourhood at all hours.

I was also subjected to an extensive " smoke-show " in front of our home, with trucks and motorcycles burning off their tires, and actual flames being produced from a motorcycle. There was a huge risk of fire in the tall roadside grass and of serious injury to the many bystanders had one of these drivers lost control. Bystanders had traffic stopped in both directions several times. When I called the R.C.M.P. I was told they had many calls already. When an officer eventually showed up most of the vehicles and foot traffic returned to Mr. Goddards party. In the morning I found several beer cans tossed over my fence. While we understand Mr. Goddard is in no way responsible for the actions of people off his property, this is exactly what I would like to address next. If this permit is allowed, Mr. Goddards solution to any patrons criminal activity, violence, public inebriation, destruction of property ect.,, is to evict them from his property. Evict them to where? Right into our residential family neighbourhood? We find that completely unacceptable!

We note Mr. Goddard's rule " outside alcohol permitted in campsite area only." 200 campers plus their guests plus their own after 12am. music?. Well that would still have to be better than last year when the invitation was open to all to bring your own booze. With vehicles driving in and out of the party all evening, I'd guess the odds were pretty high that there were several, at least, driving under the influence. Perhaps M.A.D.D. would have been a suitable charity donation for Mr. Goddard to have considered last year as well.

Mr. Goddard also states his company assumes no liability for personal loss, injury, death, property damage or other related harm suffered by participants, spectators, site owners, leasers or others who may be adversely

affected by this event. He wants us all to support his " vision " but if anything goes wrong, well then, we're on our own.

Mr. Goddard has known since before his last party that this is the wrong venue. He intends to hay the field and water down the property. Since we are already on water restriction, this would be a huge waste of water and would probably have to be done several times.

If we had bought our retirement home next to a ball park we would expect to see and hear ballgames played there. Next to a fair ground, we would expect to see and hear fairs taking place. We chose to live in a residential family neighbourhood, in the country. I was told your office informed Mr. Goddard that even if he gets the permit this year it would not be allowed next year. How could that be enforced if you allow it this year? And how could you deny anyone else that decides a party for 500 to 1000 people is a good idea? Where would it end? Why let it start?

When people attending the party last year had enough they made it all stop just by driving away, possibly to their nice quiet homes. We did not have that option. We live right here, we pay property taxes right here.

Heather Adair states in her report, Planning staff is of the opinion that this is not the appropriate location for this event given the proximity of homes, fire hazard risk, noise concerns, traffic flow concerns, and public safety concern with 1000 people being on a residential property. We agree completely.

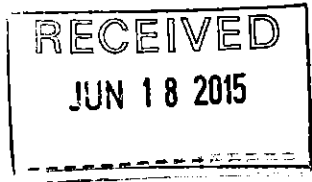

sincerely,

Stacey Donovan and

Leonard Verhaeghe

5822 Beaver Creek rd.

Hello. Please read the attached letter which may give you helpful information in this potentially very dangerous situation, that I hope you consider as important as I do. If the letter is not attached (I have had some trouble) please let me know and I will try again. I have been to the office in Port Alberni but as of yet I have had no response. Thanks very much.....Loren Smith

ACRD Letter

RECEIVED

JUN 08 2015

May 30, 2015

Attention ACRD directors:

My name is Loren Smith and I live at 5890 Mersey Road and have lived here for 26 years. I am writing to inform you of my decision regarding the "5 Acre Shaker" to be held in very close proximity to my home. Firstly I would like to say that I commend the work and diligence of the two young promoters of the event. I think it is a great cause to raise money for and I'm certain the donated funds are very much appreciated. They have worked very hard and have done a lot of preparation for this worthwhile cause.

Having said that I must inform you that I am totally against this event being held at it's present location of 5771 Beaver creek road or any residential location within the ACRD. Having 1000 people in basically my backyard in the middle of the potentially driest summer season in the Valley's history is ludicrous and very dangerous. I have several points to bring up that explain why I feel my neighborhood will be negatively impacted, and explain my position. In no particular order they are as follows:

- 1) I have lived here 26 years and enjoy the peace and tranquility the area offers. Mr. Goddard on the other hand has lived at his residence 2 or 3 years and is asking the many long time landowners to put up with a second large party, which to me is a private business venture in consecutive years, when we were informed last year it was a one time affair, and was not called a music festival at all.
- 2) I own 4 acres and I do not believe I would have the room on my property for my house my shop, 500 cars to park, an access lane, a beer gardens, a stage area, a food truck, a dance floor, 12 porta potties, a EMT vehicle, 1000 attendees, and 200 hundred campers, so I find it very difficult to believe Mr. Goddard would either.
- 3) I notice the ACRD staff has recommended against issuing a permit. Why would the directors have staff do the time consuming work of researching this event and then disregard their recommendation?
- 4) It is quite clear in the staff report this event does not comply with the Beaver Creek OCP and is not a permitted use in this area, so why has this application even gotten this far?
- 5) The applicants, by their own admission, have said that they must move next year as the event is too big for the present location. To me this shows clearly they are aware that it is a problem but are ignoring that fact at our expense, for their own private gain.
- 6) Also the applicants, again by their own admission, have said they have been offered an alternative location, that being the Fall Fair Grounds. This makes much more sense as the police, fire protection, noise, traffic and all parking concerns would be alleviated if they used this venue. The only reason given as to why they did not accept the Fair grounds is that patrons did not wish to pitch their

Page 1

#### ACRD Letter

tent on rocks! I think a few bales of straw could fix that lone problem quickly! One has to wonder if there is a hidden agenda here that they want kept out of the public eye, such as business licenses.

7) The applicants also stated they gave 100% of the profits to charity but no financial papers have ever been made public. Does this mean that after all expenses and the promotional fees were paid to themselves for all the organizational work they did a little was left for the charity? I do not think people, no matter how strongly they believe in a charity will do all this work for no monetary reward. Therefore this is now a business venture first and foremost, and after an allocated amount of money is awarded to charity. I wonder if the government has any knowledge of this "Charity" as they would want their share of the pie I'm sure. No registered charity number has been produced to date. Let's call this what it is: not so much a "Music Festival" but a large outdoor party with beer sales for more profit.

8) By the applicants own figures they have a security to participant ratio of 50 to 1. I worked for many years in security and I can tell you from experience that one drunk person was hard enough to handle, two made it very difficult and any more drunk friends added to the mix made it impossible. One has to wonder how a single security guard could handle 50 or more drunk people who wish to cause trouble. I also wonder how a patron, after paying for weekend camping, can be policed on what goes on in his or her own private trailer or motor home. I don't think they can be policed. This leaves a multitude of scenarios that could happen with drunk people exiting their private RV's and possibly trying to start their BBQ that could get knocked over, or butting a cigarette on the grass etc.

9) I attended the PAC meeting on May 26, 2015. The advisory council was not convinced on passing the application. The chairperson had to be told how to run the meeting and what options were available at various times of the meeting. She seemed totally confused when a motion was made to accept and pass the recommendation on to you, the board of directors. She finally talked herself into seconding the motion, although she said several times that she disagreed with the number of people that would attend the event. So under duress, in a total state of confusion, she was the deciding vote to accept the application and pass it on to you. In a tie vote, as I understand it, apparently with the chair seconding a motion, it passes. Hardly a resounding endorsement from the PAC.

10) I notice the number of letters in support of this party. I also noticed that in two instances there are letters from duplicate address which means the number of support letters from different residences is decreased. There is a letter from a landlord that lives in Nanaimo so he will not be affected at all with this party. One letter is from John Stevens who resides at Mr. Goddard's home and is a member of the Beaver Creek Fire Department which seems to be a conflict of interest and holds very little weight. One letter is from a family friend from whom Mr. Goddard purchased his property. Another is from the father of a family member who will be playing in a band at the event. Finally a letter from the person (Kimberly Blake) who directly profited from a donation. One has to wonder how much weight should be given to these support letters. Lastly I counted up the very minimum number of houses

### ACRD Letter

that would be impacted by the outdoor event on the map provided by Mr. Goddard and doing a little driving myself, and got to well over 70, so 4 or 5 legitimate support letters from a selected hand picked few seems to lose all strength and legitimacy. I wonder too, how much weight should be given to Chief Councilor Steven Tatoosh's letter as I do not think Chief Tatoosh would be affected at his residence. Maybe the Hupacasath could host the event. I'm sure I can get several support letters for my cause from people who would not be affected by the "Five Acre Money Maker" but what sense does that make? The only sense it would make is that all taxpayers from the ACRD should be made aware that a similar event could happen in their close proximity so maybe letters should be written and phone calls from many people in different areas in the ACRD should be made to all directors to show they are totally against this application.

11) The noise problem is a no brainer. In their support letter the applicants admit to loud noise omitting from the property. This noise will carry for miles and be more than uncomfortable for many property owners no matter what sound man is hired. A live band on a stage in the middle of a quiet night cannot be muffled. If you have ever laid in bed and listened to a wailing siren, you can attest to the fact you can hear it for miles. The same case can be made for a gunshot or fireworks, so multiply those noises several times and you can easily imagine what taxpayers for miles around will have to put up with.... again.

12) One of my greatest concerns, probably the most important, is the one of a fire breaking out. We are in a record breaking month for lack of rainfall with predictions of the driest summer on record. I know there is no possible way Mr. Goddard can absolutely guarantee a fire will not happen. Although the Beaver Creek Fire Department has not officially stated they will attend 24-7, I wonder even if they do, what happens if another fire breaks out in the Beaver Creek area while the festival is going on? What takes precedence? How would taxpayers like the fact that their hard earned tax dollars are being spent by having a BCFD vehicle sitting at a private residence for an entire weekend? Although there may be a member of the BCFD on site, how does that help if a fire breaks out, when they are there with no equipment? Mr. Goddard states the area will be heavily watered. Water restrictions will most likely be in effect, so are you to allow the event organizers to break those rules and water at will, while policing restrictions on the rest of us? Everyone knows a fire can break out at any time and place, and these odds are much greater with a group of people that are intoxicated. Imagine the odds with 1000 people wandering around with propane tanks and barbecues in close proximity. I am recognized as a disabled person by the government of Canada. I would have a hard time exiting my house quickly in case of a fire. Mersey Road is a dead end road. The wind is a prevailing wind from the Southwest which puts our exit right in the path of a fire which would make driving out impossible. We would have to try and outrun the fire, on foot, to the North through a wooded area. Would any of you like to gamble your life that you could win that race? I don't think so. To be perfectly clear we have no way out in case of fire. In the worst case scenario all the properties North of Mr.

#### ACRD Letter

Goddard's residence would be destroyed. I do not believe the amount of insurance Mr. Goddard has purchased would come close to replacing the properties that would be lost. I see in his proposal he has \$2,000,000 coverage. Speaking with my insurance company I was informed policies for \$5 million and \$10 million are available, but at a much higher cost. Does this mean profits are a higher priority than responsibility? What effect would an insurance claim have on me? Would I have to pay a deductible? Would I have to live in a hotel until my house is rebuilt? Who is responsible for my four collector cars? Can Mr. Goddard replace 26 years of memories made here? Can anyone replace pictures of my children and Grandchildren? Is any life worth the chance???? Will the ACRD take responsibility for any of the damage that may occur? If so, will the directors sign a legal and binding document saying as much? Who from the ACRD, staff or directors, will manage this event or will it be left to the honor system? Will the ACRD taxpayers or the directors pay all costs associated with any and all damage that may occur?

We have three local businesses on our road and any fire could mean financial ruin to all of those well established company's. Who would compensate them? Mr. Goddard's insurance company, their own insurance company, or the ACRD?

In closing I will sum up my thoughts. The applicants have been offered another venue that is a much better choice for many good reasons, and have not given a logical reason for refusing to use this venue. Why? They have not produced a registered government charity number or a single financial statement as to where the money raised this year will go or where the money from last year went. They have not finalized an agreement with the Beaver Creek Fire Department that I can see. They, nor anyone, cannot guarantee a fire will not happen. The applicants have mentioned the financial bonus to the Valley. Have they given thought to out of towners coming here for a wild weekend, who could care less about our valley, only to party as hard as possible and leave after doing what ever they wanted for two days not caring about any damaged they have caused? Although they have security (50-1) I wonder what would happen if a biker gang decided to attend, as they do to many festivals. Will their "professional security team", of whom we have heard very little, be able to handle that situation?

Is the board aware there is a fish bearing stream running through an adjacent property, and that 12 porta potties may not be enough for 1000 people meaning the creek could become contaminated? The applicants have hand picked support letters from 4-5 address from a total of at least 70 homes that will be affected. I have approached several of my neighbors only to find out that almost none of them are aware of this event being held, which tells me very little research was done or information made public by the applicants except for their handpicked friends and fellow party goers.

There are a lot of questions the board has to ask or answer. There is a tremendous amount of responsibility resting on the directors shoulders, both morally and legally, on an application that should never have made it this far. One can only imagine how many more

ACRD Letter

applications, for any number of various events, in any one of the ACRD areas, will be applied for if this application is successful. The taxpayers will be watching. It would seem the only logical choice is to deny the application and have the event moved to a more suitable location, out of our residential area, which has already been offered to the applicants. Also, a class action lawsuit, should it come to that, could cost the ACRD a very large amount of money.

I love the concept. I appreciate the charity aspect, I am impressed by the work ethic and organizational skills shown by the entrepreneurs/promoters but I cannot support an event of this magnitude in a residential area within the ACRD boundaries.

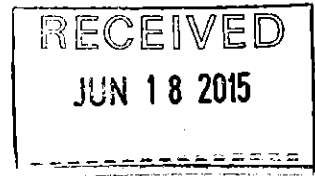

Any questions you have can be answered by:  
email: smitty077@shaw  
Phone: 250-724-2915

Thank you for your consideration on this matter.

Loren Smith

**Introducton for directors**

**June 17,2015**

**Directors:**

**Please find in your package a number of letters and other pieces of information for you to read and contemplate. I have also added the Five Acker Shaker proposal which you have read already, but I ask you re-read the proposal carefully as I have underlined many conflicting statements, and bits of information that do not fit the actual facts, that maybe went unnoticed when you first reviewed the application. In my package you will find the ACRD review of the application which again I ask you review carefully as many facts may have slipped past with the applicants statements of facts holding more truth than the actual facts themselves. Finally you will find approximately 20 letters of opposition to this application signed by taxpayers from the immediate neighborhood which speaks volumes towards the opposition to this event, despite the organizers saying they have "lots of neighborhood support." I have found some statements and actual facts are not even close to being the same thing or have the same meaning.**

**Thank you for your consideration in this matter.**

A handwritten signature in black ink, appearing to read "Loren Smith". The signature is fluid and cursive.

**Loren Smith**

**"I never stated it was a onetime event," Goddard said. "But this time I can say 100 per cent that it will be the last time on my property."**

**Goddard said he has written approval from all governing bodies, including the RCMP, Island Health, the Beaver Creek Volunteer Fire Department and the Ministry of Transportation and Intrastructure.**

**He said the BeaverCreek Fire Department will have volunteers on site around the clock with first aid and there will be a professional security company that can handle the number of people.**

**Goddard was offered the use of the Fall Fair grounds to hold the event, but said it would be a detriment to the festival's atmosphere.**

**"It would be a big dust pit," Goddard said. "Because this is a music festival, it doesn't suit what we are looking for. It is also more of a residential area than my property."**

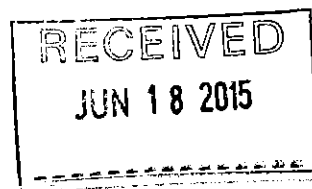

**He said he has done his homework and has enough room to host the event on his propertyfor one more year before looking into a bigger space.**

**"We have a vision for the future of keeping it as a festival in the fields with grass and don't want to taint that vision by having it on the Fall Fair grounds," Goddard said.**

**Smith is also concerned about the noise factor. "If you have ever laid in bed and listened to a wailing siren, you can attest to the fact that you can hear it for miles," he said.**

**Although Goddard said he has a lot of support from residents, including written consent from neighbours within 200 feet of the property, Smith intends to continue to canvass the area.**

**Chief Starratt emails**

**June 9,2015**

**Attention ACRD Directors:**

**Having read Mr. Goddard's statement in the Tuesday, June 09, 2015 edition of the A.V. Times I can only wonder how he can state he has the support and blessing of the Beaver Creek Volunteer Fire Department. He says in his Health and safety plan BCVFD will be present for fire and first aid. According to Chief Starratt these are strictly volunteers who happen to belong to the BCVFD, with no official capacity at the event nor official representation of the BCVFD. I spoke with Chief Starratt myself today and he assured me he is not supporting or endorsing this event in any way. He stated it will be treated as any other emergency incident would be treated.**

**Please read the attached e-mails that are dated May 26,2015 and you will see Mr. Goddard has become blatantly liberal with the truth to suit his own wants and needs.**

**Thank-you.**

Hello Lance,

Having reviewed your Fire and Safety Plan I believe you have the basics covered. My only concern is that you are able to properly police and enforce your smoking and open flame rules. I believe having trained volunteer fire fighters on site is a good proactive idea.

As I stated in my previous letter my only endorsement is in support of my volunteers, and their use of any BCVFD equipment is limited to that which would not compromise our response to any other emergency incident and is subject to ACRD board approval.

Just to be clear, the Beaver Creek Fire Department will not be present except in the event of an emergency incident.

**Subject:** BCVFD Involvement with Five Acre Shaker

Charlie,

First off we would like thank you for writing a letter confirming BCVFD involvement with the Five Acre Shaker. We respect the process with the ACRD and realize that the BCVFD involvement is contingent with the board's approval. A confirmation letter from the BCVFD was a requirement from the ACRD to complete our Temporary Use Application.

June 10,2015

Attention ACRD directors:

While speaking to an individual who contacted me regarding their support for my opposition letter,they bought up a very interesting comparison. They wondered if the director from Sproat Lake would permit 50 houseboats with 20 people on board each houseboat, which equals 1000 people, to be anchored 200 feet off her, or any wharf. There could be two houseboats in the middle of these 50 that would serve as a beer gardens. This would provide a total of 52 porta potties, ( at least one per boat), so they could not imagine anyone would urinate overboard. By the way this number of porta potties is over 4 times as many as will be provided at the 5 Acre Shaker. Noise could be at a minimum as a soundman would control the 6 live bands that would play for two days and 2 nights. We concluded that the people who rented these boats would stay anchored overnight of course, but they felt the noise would stop at 12:00 AM because the security crew would tell the participants to be quiet at that time and all the boaters would of course comply. The fire hazard would be at a minimum as the houseboats would be surrounded by water, and smoking would only be permitted on 5 of the houseboats. General boat traffic may increase as boaters from everywhere on the lake wouldbe running around to listen to the music and buy beer, but we couldn't imagine any impaired boaters actually running their boats home, in the dark, after attending the festival all day.

I mentioned to this person that houseboats have already been banned from all but one area of the lake, away from homes, sent way down Two Rivers Arm to an appropriate place. They could not help wondering why, as according to director Ruttan, it's only noise "it is no big deal". I promised that I would pass this person's comparison on to all the directors, as this could apply to all the directors who have a body of water in their areawhere this could happen, including Ucluelet, Bamfield and Tofino. It certainly is food for thought as a terrific money maker, for charity. Some entrepreneurs may call it the "50 Fathom Folly Music Festival" and put an application in to change the bylaws allowing this event. Interesting comparison.

A handwritten signature in black ink, appearing to read "Loren Smith".

Art Vale  
5990 Mersey Rd  
Port Alberni, BC V9Y 8W4  
June 1, 2015

Alberni-Clayoquot Regional District  
3008 5<sup>th</sup> Ave  
Port Alberni, BC V9Y 2E3

To the Alberni-Clayoquot Regional District:

I am writing this letter in opposition to the music festival that is proposed to take place on the adjacent property to mine. I have lived on this end of Mersey Road for 45 years, mostly for the peace and quiet. If you decide to allow this festival to happen, you are saying, Mr. Vale, you should be, for this weekend, a prisoner of your property again, like you were during the last event, with your pickup hooked to the horse trailer and the horses confined so you can easily load and haul them out of there in the event of a fire breaking out.

This spring, I have spent a few thousand dollars running a two inch water line another 300 feet to the barn, just because of the extreme conditions projected by Environment Canada. The water coming down Mersey Road will not supply two 1.5 inch fire hoses at one time.

Whether or not this is passed, to me, is a no-brainer; the answer is it should not. I appreciate the fact that these people have put a lot of effort into this application, but in my experience, if you hike down the wrong road, you will end up at the wrong location.

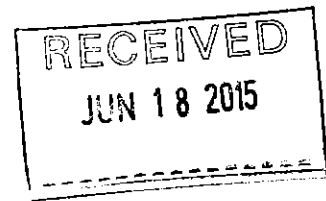

Further, this thing of everything being called a charity to me is a joke; profit can be whatever you want it to be. It should be a percentage of gross, or not accepted as a charity.

Thank you for your consideration to my very strong opposition to this event.

Sincerely,

A handwritten signature in cursive script, appearing to read "Art Vale".

**June 11, 2015**

**Attention ACRD directors:**

**It would seem that Mr. Goddard has made a convenient error and not done his due diligence correctly as he has stated. It has been brought to my attention that several addresses within the 200 foot perimeter that the ACRD bylaw requires Mr. Goddard to approach and receive permission to hold his event, have not been contacted. Coincidentally these addresses that were not contacted are totally opposed to the event being held at 5771 Beaver Creek Road.**

**The homeowners of the following addresses within 200 feet of 5771 Beaver Creek Road were not contacted and are totally opposed to the event being held:**

- 1) 5825 Saunders Road - Simister**
- 2) 5860 Mersey Road – Simister**
- 3) 5739 Beaver Creek Road – Deederly**
- 4) 5722 Mersey Road – Anderson**
- 5) 5695 Gordon Ave – Bratosh**

**Using the map provided by Mr. Goddard and Ms. Towers in their presentation, the addresses were checked for legal size dimensions.**

**It seems 5785 Beaver Creek Road and 5820 Mersey Road to the north of 5771 Beaver Creek Road is only 188 feet wide which means the Simisters at 5825 Saunders Road and the Simisters at 5860 Mersey Road should have been contacted but were not. The lot at 5755 to the south of 5771 Beaver Creek Road is only 147 feet wide which means that homeowners, the Deederlys at 5739 Beaver Creek Road should have been contacted but were not. Also with these dimensions the Bratoshs at 5695 Gordon Ave should have been contacted but were not. Finally the homeowners at 5722 Mersey Road, the Andersons, once again should have been consulted but were not. As stated above all of these homeowners have signed documents in opposition to the proposed party.**

**The lot sizes have been confirmed by a local certified and licensed surveyor. This seems to be yet another spin of the actual facts or a**

**Page 1**

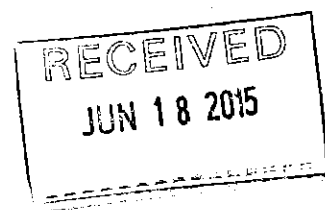

**Lot size**

convenient error by the applicants, facts they were hoping would go by unnoticed. You directors are elected to uphold the bylaws of this district, by the people of this district. These additional facts should make your decision a little easier.

**Presentation points**

**Final presentation points**

**1) The applicants have shown no respect for the neighborhood, for the directors or for the legal process of the ACRD. They have already held two unsupported events (First 5 Acre Shaker and a Halloween Shaker) with no permits and with total disregard for the neighboring taxpayers. No apologies have been offered or explanations expressed. Even now they are only trying to do the very minimum to get the directors to pass this application, and they have failed at that. If this application is passed you directors will be not only disregarding those passed violations of the district bylaws, you will actually be rewarding these people for illegal actions. You also, will be showing no respect for the taxpayers who have sent you proof of overwhelming evidence of opposition to this event being held at 5771 Beaver Creek Road.**

**2) Mr. Goddard, stated in the text of his online support campaign, that the fall Fair grounds "taints his vision of the music festival". This is only after realizing his first response to the question of moving to the Fall Fair Grounds that "our patrons don't want to "pitch tents on rocks" made him look rather foolish. He could care less about tainting our neighborhood despite over 70 letters of opposition against the proposed event from the immediate neighborhood, including 5 letters from people within the 200 feet, the bylaw says he must have approval from.**

**He is quoted in the newspaper as saying he has lots of support from the neighbors, yet over 70 letters of opposition from those neighbors have been put in front of the directors. Having the festival at the Fall fair grounds almost completely eliminates the threat of fire as it is a gravel area. If the festival itself is indeed the prime interest of these people, I am certain festival goers will attend no matter where it is held.**

### **Presentation points**

**Why wouldn't they? I can not think of a single logical reason. I can not find one person online who said they will not attend if the festival is not held at Mr. Goddard's property. I wonder what the real reason is that Mr. Goddard insists the event must be held at his property.**

**3) A prominent local traffic control company, has refused this money making opportunity and said no to the applicants, as the company management thought it was far to dangerous situation to put their employees into. This speaks volumes to the safety aspect of this event.**

**4) In the oath all of you directors have sworn to when you were elected, it states very clearly:**

**“I will faithfully perform the duties of my office and will not allow any private interest to influence my conduct in public matters;”**

**This seems very straight forward. This is a private application, for an event that is on private property. You are going directly against your sworn oath to the taxpayers if you pass this application which could have significant legal consequences.**

**5) In their proposal to the ACRD under section (f) Rules and Regulations the applicants clearly state:**

**"The Five Acker Shaker and Five Acker Productions assume no liability for personal loss, injury, death, property damage or other related harm suffered by participants, spectators, site owners, leasers or others who may be adversely affected by the event"**

**So my question is, if the applicants are not liable, for anything, who is? The directors or the ACRD taxpayers, most of whom do not want this event in this location? If every last detail is in place as the applicants claim why is that statement necessary?**

**Thank you for your honest consideration in this matter**

JUN 18 2015

## What location or event is not eligible for an SOL?

- \* ➤ **Private residence:** An SOL cannot be issued for an event occurring in a private residence. This is because liquor inspectors do not have the authority to inspect private residences. A licence must not be issued for a location that cannot be inspected to insure compliance with liquor laws.
- **Licensed premises:** An SOL cannot be issued for a location that is already licensed (liquor primary licence, food primary licence, or manufacturer licence with an endorsement). The licensee of that location must temporarily de-license during the time the SOL is being held (SOL Policy Manual, Section 3.2). Also, an SOL cannot be issued for an event at a location where their regular liquor licence has been suspended (SOL Policy Manual, Section 2.6).
- **Bachelor and bachelorette parties:** Such pre-wedding parties cannot be licensed under an SOL. Persons seeking an SOL for this type of event should be advised to hold the party at a licensed premises to ensure a safe and enjoyable event (SOL Policy Manual, Section 3.0).

## If eligible, please have the applicant complete an application

If the applicant is eligible for an SOL, provide them with the applicable application form and have them complete Sections A, B, C, & D.

## Events to be held in another area

If the event is being held in another area, encourage the applicant to apply for the SOL through the BC Liquor Store in that area. Staff there are better able to advise on what additional approvals are required. However, if circumstances make this impractical, for example the distance is too great or ferry travel is required, please facilitate the application as necessary (e.g., phoning the other store, faxing the application, etc.).

## 9.7 Security, Door Control and Enclosed Licensed Area

At all events, and especially those held outdoors, the area in which liquor is to be served must be surrounded by a barrier sufficient to confine the sale, service and consumption of liquor to a specified area. Access must be permitted only through limited and controllable points supervised by responsible adults. In addition to other reasonable security features, the entrance area where you check ID should be well lit.

If 500 or more people are expected to attend the event, a security plan must be submitted to the Liquor Control and Licensing Branch well before the event. The plan must include how the licensee will control crowds, prevent minors from accessing liquor and prevent over consumption. The SOL applicant is required to confirm on the SOL application form if a security plan is required and, if so, that it has been approved by the branch. (If a licence has been issued but the applicant does not have an approved security plan when one is required, the branch or local police may cancel the SOL or take enforcement action against the licensee.) See Appendix 7 of this manual for a sample security plan.

If the special occasion has paid or unpaid door security, the individuals providing door security must be licensed under the *BC Security Services Act*. Door staff who will be responsible for preventing the entrance into the establishment of persons exhibiting aggressive or unruly behaviour or persons carrying a weapon or drugs and for removing, through means of persuasion or otherwise, persons who become unruly, aggressive or who present a safety risk to others in the establishment are considered to be "security workers" and are required to be licensed. Although individuals providing door security commonly check identification of persons entering an establishment and ensure that the number of persons within the establishment does not exceed the maximum allowed capacity, these are not duties that are restricted to individuals providing door security. If a server, bartender or individual checking identification or counting to ensure that the event is not over crowded is not expected to perform other tasks associated with the security of the establishment, that individual does not need to be licensed under the *Security Services Act*. Further information about licensing requirements for door staff can be found at [www.pssc.gov.bc.ca/securityindustry/legislation/docs/licensingpolicy.pdf](http://www.pssc.gov.bc.ca/securityindustry/legislation/docs/licensingpolicy.pdf).

## 9.8 Other Licensing Conditions

### 9.8.1 Pre-sale of entry tickets for private events

For private events, licensees must sell or reserve entry tickets or invitations to the special occasion prior to the start time of the event (see s. 1 – Definitions). For example, if the doors open at 7:00 p.m. for a concert that begins at 8:00 p.m., all tickets must be sold prior to 7:00 p.m. in order to qualify as a private special occasion. Attendees may pick up pre-purchased tickets at the door during the hour between the doors opening and the event actually beginning and even after the event has begun.

### 9.8.2 Provision of food

As part of responsible beverage service, we strongly recommend that SOL licensees for both private and public special occasions ensure there is an adequate variety and supply of food and non-alcoholic beverages available, such as hot-dogs, hamburgers, sandwiches, chips, juice, coffee, and soft drinks (see section 6).

### 9.8.3 Advertising

No advertising for a private or public special occasion is allowed that indicates that liquor will be sold or served at the special occasion. Text or graphics that either depict or imply the availability of liquor are

## Step 1 - Determine Eligibility

It is the responsibility of the BC Liquor Store manager to ensure the applicant and event are eligible for a *Special Occasion Licence*. Unless the applicant has already completed the SOL application before coming into the store, time can be saved by asking these few basic questions to confirm eligibility, before the form is filled out.

### Is a *Special Occasion Licence* needed?

- > An SOL is needed if: (SOL Policy Manual, Section 2.2)
  - > the liquor will be sold,
  - > the liquor is being served (but not sold) in a public place, e.g., a rented hall, sports field, etc.
- > An SOL is not needed if the liquor is being served: (SOL Policy Manual, Section 2.3)
  - > in a private residence, occupied and used by the event host,
  - > in a private place (SOL Policy Manual, Section 2.3) and the liquor is not being sold,
  - > by a licensed caterer and the caterer will purchase, supply and serve the liquor. (Section 2.4.3)

### Is the applicant eligible for the SOL?

An applicant for a *Special Occasion Licence* must: (SOL Policy Manual, Section 2.4)

- > be 19 years or older and be either:
  - > a BC resident, or a Canadian citizen, or lawfully admitted to Canada for permanent residence.
  - > If not, please see *Step 3 - Approvals & Exemptions*.

**Important:** The applicant must be in attendance at the event for its full duration. Under section 42 of the *Liquor Control and Licensing Regulation* the applicant cannot drink alcohol during the event.

### Is this a family, private or public event?

There are three types of SOL events: family, private and public - it is important that the correct type is selected because in some cases different rules apply.

- > **Family event:** (SOL Policy Manual, Section 3.0.1) An event that is attended by family and friends only (not open to the public) and celebrates an aspect of family life. Examples include weddings, birthdays, anniversaries, bar mitzvahs, christenings, wakes, reunions, etc. Bachelor or bachelorette parties are not eligible for SOLs. Events with a family focus, e.g., a neighbourhood block party, do not qualify as *family events* for SOL purposes. (A *family event* is entered as a *private event* on the LDB system.)
- > **Private event:** (SOL Policy Manual, Section 3.0) A social, cultural, recreational, religious, sporting or community event or a tasting to acquaint guests with the product of a winery, brewery or distillery. Attendance is limited to an organization's members, staff, and invited guests, as well as to ticket holders where all tickets were given or sold before the start of the event. If tickets are available at the door after the event has started, it is a public event.

Continued on next page

- > **Public event:** (SOL Policy Manual, Section 3.1) Open to the general public, a social, cultural, or community event, e.g., music festival, sporting event, boating regatta, cultural and other festivals. Winery, brewery, or distillery tastings open to general public are public events.

## Who can apply for which type of SOL?

Not everyone applying for an SOL is eligible to get one. Here are the four types of applicants and what they can and cannot host. (SOL Policy Manual, Section 3.0)

- > **Individual:** An individual may only obtain an SOL for a **Family Event**. An individual may not be issued a **Private Event SOL** or a **Public Event SOL** (see \* below for an exception).
  - > **Business/commercial enterprise:** A for-profit business may obtain only a **Private Event SOL** and only for two types of events: staff parties (or similar occasions), and customer appreciation events/special openings (e.g., a grand opening, a store introducing fall fashions, art gallery opening, etc.). Attendance must be by personal invitation only - no walk-ins, and there can be no charge for entry or liquor. **A business may not be issued a Family Event SOL or a Public Event SOL** (see \* below for an exception).
  - > **Non-profit club, society or group:** For example community groups, sports clubs, benevolent clubs, religious organizations, student associations, unions, theatre groups, etc. These organizations are eligible for SOLs for a variety of events including dinners, dances, meetings, concerts, sports tournaments, club events, awards nights, parties, etc. These organizations are eligible for either **Private Event SOLs** or **Public Event SOLs**.  
(Please see SOL Policy Manual, Section 2.4.5 *Miscellaneous Issues*, for additional information on other groups or genuine organizations which may obtain SOLs.)
  - > **Manufacturers - winery, brewery, distillery:** A liquor manufacturer or its agent may hold a tasting event to acquaint the public with its products. Tastings can be either private or public. If the event is held at a location away from the manufacturing site, please see SOL Policy Manual, Section 3.3. If the tasting or other event is held at the manufacturing site, please see SOL Policy Manual, Section 3.4.
- \* An exception: If more than one manufacturer will be attending and providing tastings at the event, private or public, the host may be one of the manufacturers, an individual, a non-profit club, society or group, or a business.

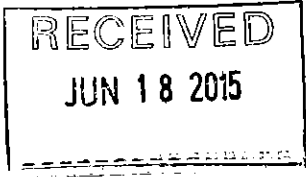

## Who is not eligible for an SOL? (SOL Policy Manual, Section 2.4.3)

- > **Caterers, event organizers, wedding planners, etc.:** Persons providing this type of service are not eligible for an SOL. Only the event host is eligible for an SOL. (Businesses which provide catering services may be eligible to obtain a permanent *Catering Licence* which entitles them to purchase and serve alcohol at the events they cater. See *Contact Information*.)
- > **Organizations providing rental space:** An organization (including a service club) which rents out its premises (e.g., hall) to others or which provides catering/bartending services is not eligible for an SOL. The SOL must be obtained by the organization hosting the event and the host must buy the liquor, bring it to the event location, and return any unused liquor to the BC Liquor Store from which it was purchased.
- > **Businesses // commercial enterprises:** For-profit businesses and commercial enterprises are not eligible for an SOL, except as outlined in the section above.

Continued on next page

**TEMPORARY USE PERMIT APPLICATION**

**TO:** Russell Dyson, Chief Administrative Officer; and  
Regional Board of Directors

**DATE:** May 19, 2015

**FROM:** Heather Adair, Junior Planner/Bylaw Enforcement Officer

**TEMP USE PERMIT APPLICATION:** TUP15012

**APPLICANTS:** Lance Goddard

**LEGAL DESCRIPTION:** LOT 1, DISTRICT LOT 22, ALBERNI DISTRICT, VIP70566

**LOCATION:** 5771 Beaver Creek

**ELECTORAL AREA:** "E" Beaver Creek

**Applicant's Intention:** The applicant intends to hold the "Five Acre Shaker Music Festival" at 5771 Beaver Creek Road August 14<sup>th</sup> – 16<sup>th</sup> 2015 with 1000 people in attendance.

**Options:** That the Regional Board:

- 1) Consider denying a Temporary Use Permit;
- 2) Consider issuing a Temporary Use Permit August 14, 2015 – August 16, 2015 subject to the following conditions;
  - Written response from RCMP with their recommendations;
  - Compliance with the conditions listed in the Temporary Use Permit.

**Recommendation:** That the Regional Board:

- 1) Consider denying a Temporary Use Permit;

**Procedure:**

Prior to the issuance of a Temporary Use Permit, the Board must first pass a resolution to consider issuing the permit. Staff then notifies neighbouring property owners and tenants, and publishes a notice in the newspaper to afford the public an opportunity to make written or verbal submissions to the Board. At the subsequent meeting, the Board issues or denies the Temporary Use Permit.

Note: Should the Board consider denying an application, the Board's policy is to defer the application

Members: City of Port Alberni, District of Ucluelet, District of Tofino, Yuułu'it̓at̓ Government, Huu-ay-aht First Nations, Uchucklesaht Tribe  
Electoral Areas "A" (Bamfield), "B" (Beaufort), "C" (Long Beach), "D" (Sproat Lake), "E" (Beaver Creek) and "F" (Cherry Creek)

and invite the applicant to speak at the next board meeting. The resolution would be: "The Regional Board, at this time, is considering denying this application. Prior to doing so, the Board wishes to offer the applicants the opportunity to present their own case as to why this matter should not be denied".

**Observations:**

1. **Property Description:** This is a 5.41 acre parcel of land that contains a house and a garage at the front of the property which is accessed from Beaver Creek Rd. The front and back portions of the property are cleared with the middle portion of the property being forested.

2. **Services:**

(a) **Sewage Disposal:** 12 porta potties in addition to the on-site septic for the single family dwelling on this property.

(b) **Water Supply:** Beaver Creek Water System. Water will be provided for hand washing stations at food vendor sites and near porta potties. Bottled drinking water will also be sold on site.

(c) **Fire Protection:** Within Beaver Creek Fire Protection Area. The applicant has indicated that they have had preliminary discussions regarding fire risk with the Beaver Creek Volunteer Fire Department (BCVFD). The applicant also outlined that they will have First Aid attendants available and would consider renting an Emergency Medical Transport (EMT) vehicle.

(d) **Access:** This property is accessed off of Beaver Creek Road.

(e) **Parking:** The applicant has indicated that they will provide 500 parking spaces on site.

3. **Existing Planning Documents Affecting the Site:**

A. **Agricultural Land Reserve:** Not within the ALR.

B. **Official Community Plan:** The Beaver Creek Official Community Plan (OCP) designates this property as "Residential Use". The objective of the Residential Use designation is to allow a range of housing options within the plan area.

The proposed music festival does not comply with the Beaver Creek OCP. Policy 3.2.10 of the Beaver Creek OCP allows for temporary use permits to be considered in appropriate areas in all land-use designations, in accordance with Section 921 of the Local Government Act (LGA).

A. **Zoning:** The property is zoned Small Holdings (A1) District. This district provides for intensive farming, truck gardening, orchard or nursery cultivation, greenhouses and other intensive rural uses.

Music Festival is not a permitted use in this zone.

Under Section 921 of the *Local Government Act*, the Regional District may issue a Temporary Use Permit, by resolution, in areas where areas are designated in an Official Community Plan. A Temporary Use Permit may do one or more of the following:

- i. Allow a use not permitted under the Zoning Bylaw;
- ii. Specify conditions under which the temporary use may be carried;
- iii. Allow and regulate the construction of buildings or structures in respect of the use for which the permit is issued.

**TUP15012**

Where a temporary use permit is designated in an OCP, the Regional District must give notice to the public in accordance with the requirements of the Act which includes notifying the neighbouring property owners and tenants, and publishing a notice in the newspaper.

**B. Temporary Use Permit:**

The Temporary Commercial Use Permit for LOT 1, DISTRICT LOT 22, ALBERNI DISTRICT, VIP70566, 5771 Beaver Creek Road shall be subject to the following conditions:

1. This permit is only applicable to LOT 1, DISTRICT LOT 22, ALBERNI DISTRICT, VIP70566, 5771 Beaver Creek Road;
2. This permit is issued for a music festival from 5pm Friday, August 14, 2015 through 2pm on Sunday, August 16, 2015;
3. Music is allowed on Friday, August 14<sup>th</sup> from 5pm – 12am, and Saturday from noon – 12am. No music on Sunday;
4. First Aid personnel must be on site at all times during the event;
5. Confirmation from the Fire Chief that fire risk has been adequately planned for;
6. No camp fires or open flames permitted;
7. Drinking water and hand washing stations to be supplied for participants during the event;
8. Professional Security personnel to be on site 24 hours a day at a ratio of 50:1;
9. Six foot construction fence will be erected around festival area for security;
10. Twelve porta potties to be supplied and serviced daily;
11. Compliance with the Liquor Control and Licensing Act;
12. Garbage and recycling will be removed from property immediately after the event concludes;
13. A maximum of 500 parking spaces to be provided on site;
14. No parking on Beaver Creek Road;
15. Supply adequate traffic control as per Ministry of Transportation and Infrastructure recommendations;
16. A maximum of 1000 participants per day;
17. Compliance with recommendations provided by RCMP; and
18. Food vendors permitted with a 'Temporary Food Service Permit' issued through VIHA.

**Comments:**

The Five Acre Shaker is a music festival that aims to showcase local talent while raising money for local charities. The applicant indicates that music festivals are becoming a popular theme for communities to embrace as they stimulate the economy through sales in gas, hotels, food and drinks. The applicants have stated that the 2015 event will be an all-ages event with liquor being sold at the event by way of a "Special Occasion Licence". Approximately 500 parking spaces are available and 50 campsites available with 200 campers in total. Outside alcohol will be permitted at campsites.

The Five Acre Shaker Music Festival began in 2014 with approximately 500 participants per day at 5771 Beaver Creek Road during the August 8<sup>th</sup> – 10<sup>th</sup> weekend. The 2014 music festival was held without a permit from the Alberni Clayoquot Regional District (ACRD). Prior to the 2014 event the ACRD fielded calls from neighbours who were concerned with fire hazard, noise, and animal safety. After the event the ACRD received two noise complaints and the RCMP indicated that they received several noise complaints, traffic complaints, and one dropped 911 call from the property. RCMP indicated that they

**TUP15012**

Members: City of Port Alberni, District of Ucluelet, District of Tofino, Yuuul?i?ath Government, Huu-ay-aht First Nations, Uchucklesaht Tribe Electoral Areas "A" (Bamfield), "B" (Beaufort), "C" (Long Beach), "D" (Sproat Lake), "E" (Beaver Creek) and "F" (Cherry Creek)

had an extra officer on duty as "Thunder in the Valley" event was on the same weekend. RCMP indicated that this officer allocated more time to the music festival over the "Thunder in the Valley" event.

The application includes a letter from the Vancouver Island Health Authority that states "all noted public health concerns have been addressed", signed by Katie McNamara (Environmental Health Officer).

Ministry of Transportation provided an email that indicated approval for the proposed event subject to;

- No parking allowed on Beaver Creek Road, all parking to be on-site;
- Adequate traffic control will be required on Beaver Creek Road including, but not limited to, flag person(s) with high visibility vests and traffic control paddles plus signage;
- Notification of Emergency and Road Maintenance Services (RCMP, Fire Department, Ambulance, EMCON); and
- All debris and garbage is to be removed immediately after the event.

Also included with the application is a quote for 'Special Events Liability' Insurance.

The application included nine signed letters of support from the owners and occupiers of property immediately adjacent to 5771 Beaver Creek Road. A letter of support was included from Kimberley Blake, mother of Zakkaree, who was killed in a car accident and whose memory the "Five Acre Shaker" honors. A letter has also been submitted from Chief Councilor Steven Tatoosh of the Hupacasath First Nation which encourages the ACRD to consider the request made by Lance Goddard to host the "Five Acre Shaker".

**The following is a summary of the Temporary Use Permit application requirements that the applicant has addressed:**

#### Fire

- Site will be heavily watered
- Grass area will be cut short to mitigate flammability
- Large ashtrays to be available and zero tolerance to butting out on the ground
- No camp fires or open flames cooking devices permitted

#### First Aid

- Volunteers on site for first aid
- First aid station and emergency vehicle to be established in a central location

#### Water

- Bottled water will be available for purchase on site
- Water will be provided for hand washing station at food vendors and by porta potties

#### Security

- Professional security group will be hired (24 hours a day)
- Festival organizers will work with security group to put together an in depth security plan
- Security to participant ration will be 50:1 as per RCMP suggestion
- Six foot construction fence will be erected to keep participants within festival grounds and the help organize the flow of foot traffic.

#### General Safety

- Area lighting will be provided for safety and security
- Staff/volunteers/security will be available for questions
- Land will be cleared and detailed to accommodated foot traffic

### TUP15012

- Mill felt will be laid down in the dance floor area

### Rules and Regulations

- "Five Acre Shaker" wristbands must be worn at all times.
- Any criminal activity, violence, public inebriation, destruction of property is subject to removal of wristband and immediate ejection from the grounds and possible arrest.
- Security will dispose of outside alcohol that is found outside the designation camp site area.
- Two pieces of identification required
- Underage drinking/contributing to a minor is a criminal offence
- Show grounds are open from 5pm on Friday August 14<sup>th</sup> until 12am
- Show grounds are open from 12pm on Saturday August 15<sup>th</sup> until 12am
- No animals on site with the exception of service dogs
- No ATV's, scooters, golf carts, horses allowed on site
- No glass bottles or containers allowed on site

### Noise Control

- Stage will be in forested area to help mitigate sound
- Sound system will be run by a professional sound technician that will keep the sound within reasonable decibels for the space
- The event will shut down at the predetermined time in which time day pass users will be required to leave the ground and campers are to return to the camping area

### Facilities

- 12 porta potties will be rented and serviced daily
- Hand washing stations will be made available for public use

### Garbage/Recycling

- A roll off garbage container will be rented for the weekend to deal with all on site waste
- Garbage and recycling containers will be made available to public throughout the site
- Campers will be handed a garbage bag upon entry and use of the bags will be enforced by volunteer staff

### Parking/Traffic

- Volunteers will manage the parking area insuring parking is safe and that access lands stay clear
- A roundabout will be established on the front end of the property to allow for taxis and for easy pick up and drop off as well as serving to reroute people if the parking area is full. The roundabout is to allow Beaver Creek Road to remain clear.
- Carpooling is encouraged
- Social media will update parking lots status
- No parking on Beaver Creek Road allowed
- Adequate traffic control will be required on Beaver Creek Road including, but not limited to flag person(s) with high visibility vests and traffic control paddles plus signage
- RCMP, EMCON, Fire Department, Ambulance will be notified

### Food Services

- Food vendors will require a temporary food service permit issued through VIHA as well as 'Food Safe'
- All food vendors will be required to set up hand washing stations

### Liquor and Liquor Licensing

**TUP15012**

Members: City of Port Alberni, District of Ucluelet, District of Tofino, Yuulu?il?ath Government, Huu-ay-aht First Nations, Uchucklesaht Tribe Electoral Areas "A" (Bamfield), "B" (Beaufort), "C" (Long Beach), "D" (Sproat Lake), "E" (Beaver Creek) and "F" (Cherry Creek)

- A Special Occasion Licence will be pulled for the event and all rules, regulations, laws and recommendations from the Liquor Inspector will be followed.

**Utilities**

- Power for event (stage, sound, food vendors, lighting) will be run from generators
- Water lines run to the back of the property. Can be used for dust and flammability mitigation

*X*

The applicant has been in discussions with the Beaver Creek Volunteer Fire Department to discuss fire risk. Further discussion of the fire risk would need to be completed to ensure that the Fire Chief is satisfied that the risk of fire has been adequately managed if this application should proceed.

The applicant has not satisfied all of the Temporary Use Permit application requirements. Written confirmation from the RCMP that indicates that they are satisfied with arrangements relating to public order and security has not been received. The applicants have indicated that they have met with the RCMP and they are awaiting a letter in the next few days.

It is anticipated that the neighbour and general public concern for this event will be high. The event does not align well with the "Residential Use" in the OCP nor with the permitted uses in the Small Holdings (A1) District. The Ministry of Transportation has provided their conditional support, but the impacts of 500 extra cars on Beaver Creek Road will have a short term negative impact on this residential neighbourhood.

*X*

The Beaver Creek OCP general planning policy 3.2.10: consider issuing a temporary use permits in appropriate areas in all land-use designations, in accordance with Section 921 of the LGA. Planning staff is of the opinion that this is not the appropriate location for this event given the proximity of homes, fire hazard risk, noise concerns, traffic flow concerns, and public safety concern with 1000 people being on a residential property.

If the Temporary Use Permit is issued a noise exemption from the Beaver Creek Noise Bylaw R1002 would be necessary as the expected noise from this event will not comply with Bylaw R1002. With an increase from 500 to 1000 participants this year, the traffic concerns will increase.

## Introduction

“Events and festivals tourism is one of the fastest growing forms of tourism. They are becoming increasingly popular in rural areas as a means to revitalize local economies. Festivals and special events play important roles in destination development, image makers, animators of static attractions, and catalysts for other developments. Events have direct and indirect impacts on communities. They provide opportunities for participation, skills development, volunteering and social, cultural economic and environmental developments. Community events and festivals can attract tourists and visitors at regional, national and international level. Events help to capture attention and promote attractions and infrastructures. Benefits of festivals to communities can be extensive, particularly when the draw is from outside the region. Research shows that the more involved local people and suppliers are in terms of provision of services, food, beverages, and attractions, the greater the economic benefits to the region. Local vendors, artisans, craftspeople, restaurateurs, hoteliers and innkeepers may make a large portion of their annual income during the course of an event. Festivals and events have impacts that go well beyond what can be measured in economic terms. They contribute to the quality of life across Canada by strengthening communities, providing unique activities and events, building awareness of diverse cultures and identities, and acting as a source of community pride.” (Government of Alberta, Impacts of Community Events and Festivals on Rural Communities. June 2011)

The Five Acre Shaker is a music festival that aims to showcase local talent while aiming to bring a fun, exciting and meaningful event to the Alberni Valley. In its first year of inception the Five Acre Shaker raised money for local charities and was well received by all ages. Music Festivals are becoming a popular theme for communities to embrace as they stimulate the economy through sales in gas, hotels, food and drinks, etc. While having a positive effect on the community, music festivals, give locals something to look forward to and gives the community an event to be a part of. This festival gives opportunity to show case the culture here in the Valley and gives Port Alberni an opportunity to host people from all around the province.

## Proposal

To have the festival ground be located at 5771 Beaver Creek Road.

## Location

Last year the festival was held on Lance's private residence in at 5771 Beaver Creek Road , Port Alberni. This is a **5.41 acre lot** that has both wooded and grass field areas (see appendix). There were approximately 600 persons that attended the festival each day. There was parking, a games area, a stage/dance floor area, food and merchandise tents as well as a camping area. There was ample space to accommodate everyone with the games area remaining largely untouched.

## 1. Health and Safety

### a. Fire

- Fire concerns are to be dealt with by heavy watering of the site in the days leading up to the event.
- Grass area is to be cut down very short to mitigate flammability.
- Large ashtrays to be available in abundance with constant reminders from the Emcee on stage to use ashtrays. Zero tolerance for butting out on the ground.
- A blessing from the Beaver Creek fire department with all local fire departments being made aware of the festival.
- Emergency vehicles will always have a vehicle lane clear to access the whole property. As per the RCMP suggestion.
- No camp fires / open flame cooking devices etc. will be permitted.
- Beaver Creek Fire Department will be present for Fire and First Aid Emergency Services

### b. First Aid

- First Aid is to be provided by the Volunteers of Beaver Creek Fire Department
- First Aid station and Emergency Vehicle will be established in a central location on site

### c. Water

- Bottled drinking water will be available for purchase on site.
- Water will be provided for hand washing stations at both food vendors sites as well as by the porta potties for the public.

### d. Security

- A professional security group will be hired to provide security services for the entirety of the event. This will be 24 hr service.
- Organizers will work closely with the hired security group to put together an in depth security plan that is multi faceted in working in festival environments. This plan will include all recommendations from the local RCMP and will be strictly enforced by both paid security staff as well as volunteers.
- Security to participant ratio will be 50:1 as per RCMP suggestion
- Security will be equipped with walkie talkies to remain in constant contact with one another.
- Rules and Regulations of the event will be made clear and available to festival goers on the festivals webpage and will also be outlined when purchasing tickets as well as clear signage during the duration of the event.
- There will be reminders from the stage given to spectators of the rules and regulations.
- A six foot construction fence will be erected to keep participants within festival grounds and to help organize the flow of foot traffic.

**e. General Safety**

- Area lighting will be provided around the whole event premises for safety and security of all personnel.
- Staff/ Volunteers/ Security will be available to answer any questions anyone will have.
- The land will be cleared and will be detailed to accommodate foot traffic.
- Mill felt will be laid down in the dance floor area.

**f. Rules and Regulations**

- On site security is available 24 hours a day throughout the weekend. Lock up all valuables to avoid theft.
- Five Acre Shaker wristbands must be worn at all times and are subject to inspection. Any wristbands found to be altered, tampered with or fraudulent will be removed and the owner will be escorted from the site.
- Any criminal activity, violence, public inebriation, destruction of property or any other violation of Five Acre Shaker 2015 rules is subject to removal of wristband and immediate ejection from the grounds and possible arrest.
- Two pieces of valid ID (1 photo) required at all times.
- Parents please be advised – underage drinking /contributing to a minor is a criminal offense. Police will be involved and violators are subject to removal or possible arrest.
- Outside alcohol is permitted in the camp site area only. Security will confiscate and dispose of alcohol found outside designated camp site areas.
- Show ground gates are scheduled to open from 5pm Friday August 14<sup>th</sup> until 12am. On Saturday August 15<sup>th</sup> the gates will be open at 12pm until 12am.
- With the exception of service dogs, NO animals are allowed at The Five Acre Shaker 2015.
- Patrons entering onto the festival property may have their image and/or likeness reproduced for promotional and/or publicity purposes in festival photography and/or web casts by the festival, contractor, media and/or partners of The Five Acre Shaker 2015. By entering the grounds, you agree to allow such use of your image and/or likeness by The Five Acre Shaker 2015.
- No personal ATV's, scooters, golf carts, horses, etc. allowed on site.
- No glass bottles or glass containers allowed
- The Five Acre Shaker and Five Acre Productions assume no liability for personal loss, injury, death, property damage or other related harm suffered by participants, spectators, site owners, leasers, or others who may be adversely affected by the event.
- THE SHOW WILL GO AHEAD RAIN OR SHINE.
- LINEUP SUBJECT TO CHANGE WITHOUT NOTICE.
- ALL SALES FINAL – NO REFUNDS.

## **2. Noise Control**

- The stage will be located in a forested area to help mitigate sound from travelling.
- The sound system is to be run by a professional sound technician that will keep the sound within reasonable decibels for the space.
- The event will shut down at the predetermined time in which time day pass users will be required to leave the ground and campers are to return to the camping area.

## **3. Facilities**

- Porta potties will be rented and serviced daily by Walco Industries.
- Based on 1000 persons 12 porta potties is the recommended amount necessary.
- Hand washing stations will be made available for public use.

## **4. Garbage/ Recycling**

- A roll off garbage container will be rented for the weekend to deal with all on site waste.
- Garbage cans will be made available to public throughout the site.
- Campers will be handed a garbage bag upon entry and use of the bags will be enforced by volunteer staff.
- Recycling containers will be made available throughout the site.

## **5. Parking/Traffic**

- Volunteers will manage the parking area insuring parking is safe and that access lanes stay clear.
- A roundabout will be established on the front end of the property to allow for taxis and for easy pick up and drop off as well as serving to re route people in the case of a full parking area. This will allow beaver creek road to remain clear while the event is underway. The roundabout will serve as an extra layer of versatility for traffic issues.
- Carpooling will be strongly encouraged through the event webpage as well as on tickets.
- A line of communication through social media sites will update participants on the current parking availability.
- No parking will be allowed on Beaver Creek Road, all parking is to be onsite;
- Adequate traffic control will be required on Beaver Creek Road including, but not limited to, flag person(s) with high visibility vests and traffic control paddles plus signage;
- Notification of Emergency and Road Maintenance Services (RCMP, Fire Department, Ambulance, EMCON)
- All debris and garbage is to be removed immediately after the event.

## **6. Food Services**

- All food vendors will require; a proper business license, a temporary food service permit issued through VIHA as well as food safe.
- All food vendors will be required to set up hand washing stations.

#### **7. Liquor and Liquor Licensing**

- A Special Occasion License will be pulled for this event and all rules, regulations, laws and recommendations from the Liquor Inspector will be followed.

#### **8. Utilities**

- Power for the whole event including stage, sound , food vendors, area lighting will be run from generators.
- Water lines run through to the back of the property that are used to water down the site to deduce flammability and well as a tool for dust mitigation.

#### **9. References**

- With the success of the first Five Acre Shaker we have gained a lot of insight and experience in the planning of this event. We see this event turning into a large community festival that will benefit each and every one of us in the Valley. We have received a lot of positive feedback from this event and some members of the Valley have prepared support letters to document their opinion on the event. We have letters from Steve Tatoosh (Chief Councillor of the Hupacasath First Nations Band), Dave Colyn (First Aid Attendant), VIHA, Ministry of Transport, Kim Blake (Late Zakk Coss mother/Zattzoo Project). I have also included consent letters from my surrounding neighbours (See property layout map with names on it) including: Darrin Kozlowski, Gerry Gaiga, Adriano Sandre, Tyler Firth, Ron Hughsmans, David Luckett, Vic Rowlinson, Tammy Glover, Nancy and Dennis King.

Yes, you are correct it would make sense for the T.U.P to include the campers on the 16th. They will be off site by 2 pm on Sunday August 16th.

Hi Jess,

Could you please clarify the status of the Beaver Creek Fire Department (with respect to Fire Safety for the event). As well as First Aid. You mentioned that someone other than the BCVFD would provide First Aid. Name and times this person will be on site We have spoken with the BCVFD about the event and they have expressed interest in providing First Aid attendants and an emergency vehicle to be on site throughout the course of the weekend. Subsequently they're will always be members of the BCVFD on site to provide fire response should it be necessary. The fire chief is in the process of writing up a letter confirming their involvement. We had 4 individual members of the BCVFD come forward and state they would be willing to provide First Aid services in the event the BCVFD didn't come forward. In this event we would rent a EMT vehicle for the weekend to be on site throughout the duration of the event. Again,they're will always be members of the BCVFD on site to provide fire response should it be necessary These people are Dave Coyln (who's support letter can be found in the appendix of the application), John Stephens, Dave Cathers and Kerria Frechette. There will be two First aiders on the grounds at all times.

When I met with Lance today he indicated that he was thinking that there would be about 200 campers but unsure how many campsite would be made available. Could you please confirm the number of campers and campsites. 200 campers is accurate to the amount of space that we've allotted for camping. We would designate 50 campsites which works out to 4 person per site (on average). The camping area is 4500 sq m. In the ACRD bylaw manual the minimum size for a camping site is 55 sq m.

4500/55sq m. = 81 campsites

This will allow room for sufficient road access to all campsites as per RCMP recommendation.

To whom it may concern,

My name is Kimberly Blake and I am writing to encourage you to please consider Mr. Goddard's request to hold an event this coming August 2015.

I am in favor and in support of "all things Lance Goddard and Five Acre Productions", please let me explain....

In the winter of 2013/14, my son Zakkaree and a friend Nicolas Vance had a dream of planning a summer event, local event, local talent. A place for our local youth to blow off steam and show off their talents. As they were together in a band called North by Nature Collective and had been playing locals venues such as the Rainbow Room. They last played the Rainbow Room Feb 28th, 2014..... While coming home from Duncan on April 6th 2014, my son Zakkaree was killed in a car accident.

While the family was still in shock, Nicolas Vance and Lance Goddard picked up this dream and moved forward. Although Zakk and Lance had never met, they all shared this same vision. Lance then planned.... "The Five Acre Shaker" of course I know he didn't do it alone, but it was his property, time and planning he extended, and it was well worth it.

When we approached as family, in the trees we could see, a wooden memorial to my son.

To the right was organized parking and portable toilets.

We continued on and found burgers, hot dogs, salads and drinks for sale. As well there were vendors selling shirts and merchandise. There was a wonderful stage setup with dance floor and as a parent I noticed the garbage cans, recycling bins and cigarette butt containers. As you walked past the stage area you came into this wonderful field for the campers, tents and trailers.

Security was everywhere and their moods were pleasant and calm and helped add to the overall feeling of the event.

This was a well thought out and planned event and went without any emergencies or police needed.

It deserves recognition as a local festival. Along with such events as Thunder in the Valley, Fall Fair or Salmon Fest. I believe it holds the potential to be an island event.

It brings in visitors, which in turn sells gas, groceries, beer, hotel rooms and meals at our restaurants.

As well as bringing in much needed local revenue, Mr. Goddard then handed me a donation.

I looked all over town for a fit to that donation. I went to the high school, mental health, women's center and family guidance but I just couldn't find the right fit.

You see my son was only 22 and would write music to release depression and the small public performances became an outlet. So I'm looking for that kind of fit. It must be youth and it must be music.

In the meantime, Mr. Goddard held another wonderful event... "The Halloween Shaker" , and donated more money. So we have named ourselves "The Zattzoo Project" and want to fund local youth music programs.

WO \*  
PERMIT

The Zattzoo Project has held 2 events raising more money for this "mystery" program. Well mystery no more... Thanks to Jess Towers. This wonderful person has come to us and is planning and putting together the first Zattzoo Funded Project, Port Alberni Youth Battle of the Bands, for youth under 25. It is happening May 15th 2015 and will have 3 celebrity judges and is bringing more than local attention. The winner gets to play at this year's Five Acre Shaker.

So as a mother this warms my heart to be part of something so positive with our local youth. Most importantly it hits an age group that needs attention and deserves our attention. And really, you can't argue with the much needed revenue it brings.

I ask you to please seriously consider his request as I see only positive things coming from Mr. Goddard and his events.

Thank you for your time and consideration.

Kimberly Blake

To whom it may concern,

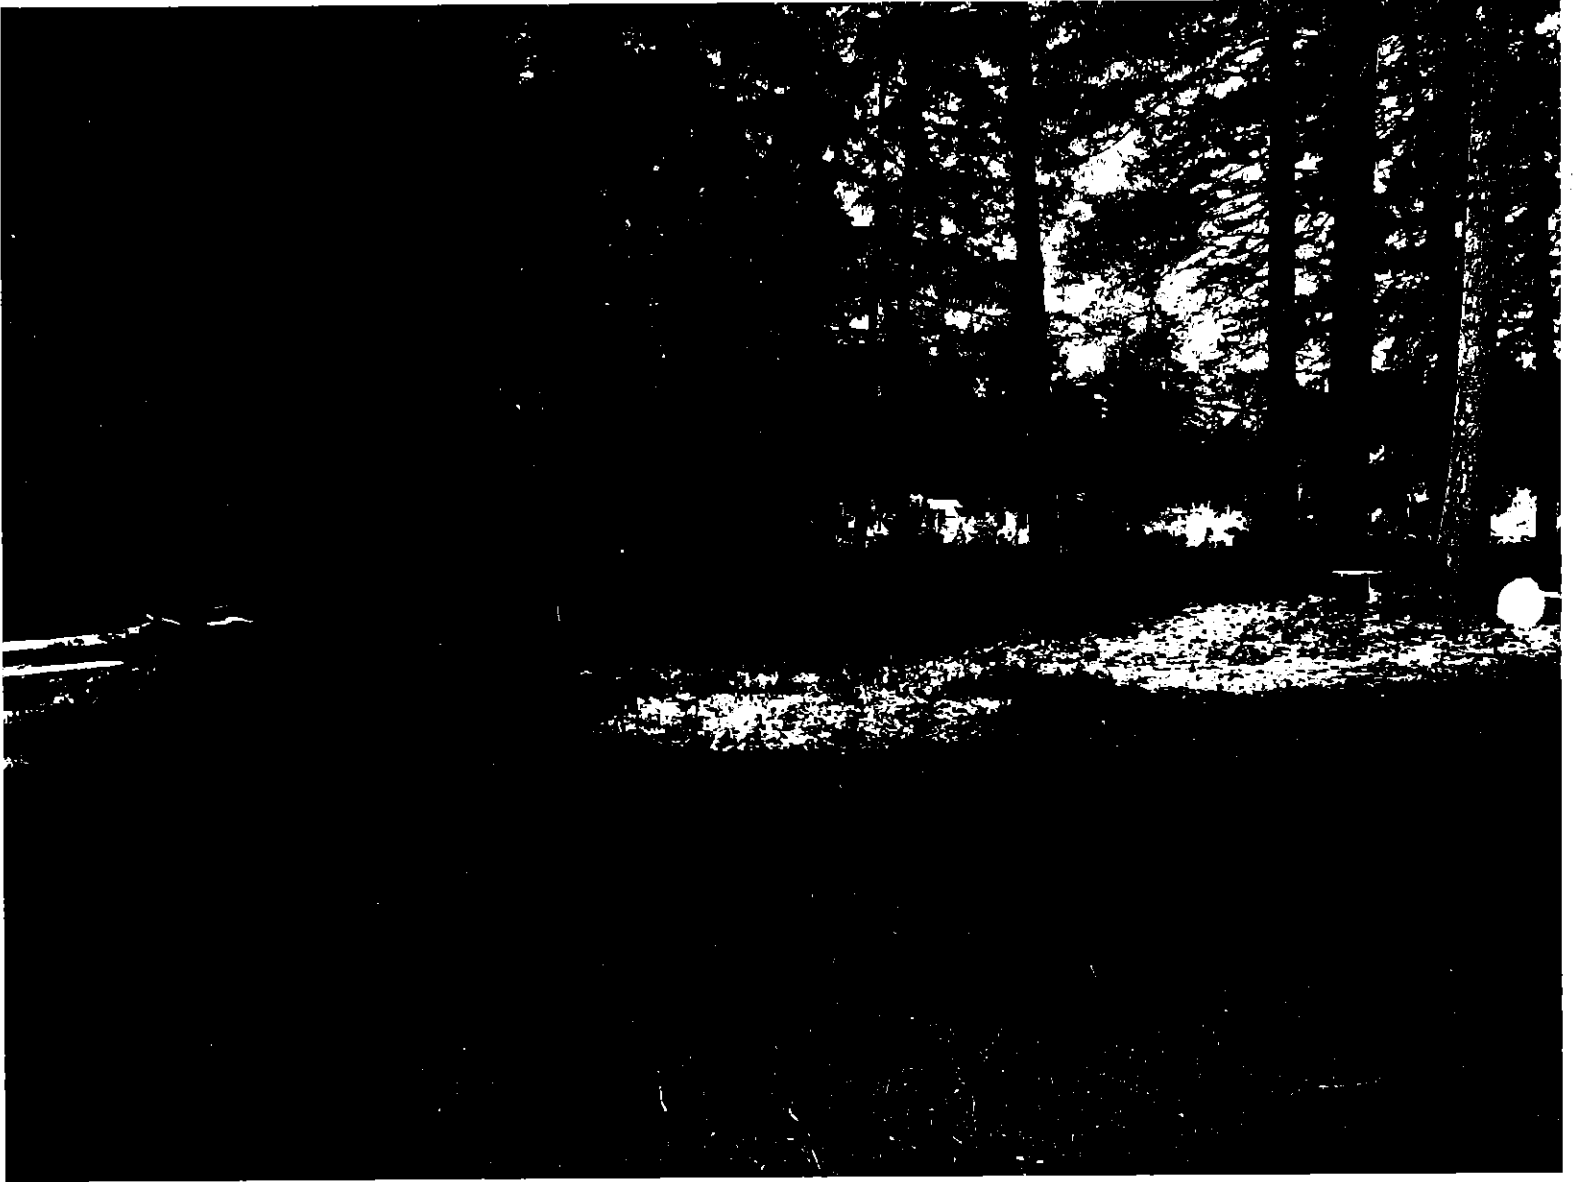

My name is Steven Tatoosh and I am the Chief Councillor for the Hupacasath First Nation. Today I am writing to encourage you to consider Mr. Goddard's request to hold an event this coming August 2015. I am in favor and in support of the Five Acre Shaker. It is an event where a lot of local residents get together to watch talented musicians from the Alberni valley. I attended Mr. Goddard's event last year and right away I knew it was well planned out. There was parking, porta potties, security, and many local vendors. It was the most amazing stage setup with dance floor and the live entertainment was absolutely great. The atmosphere at this event was also very pleasant everyone seemed to be enjoying each other including myself.

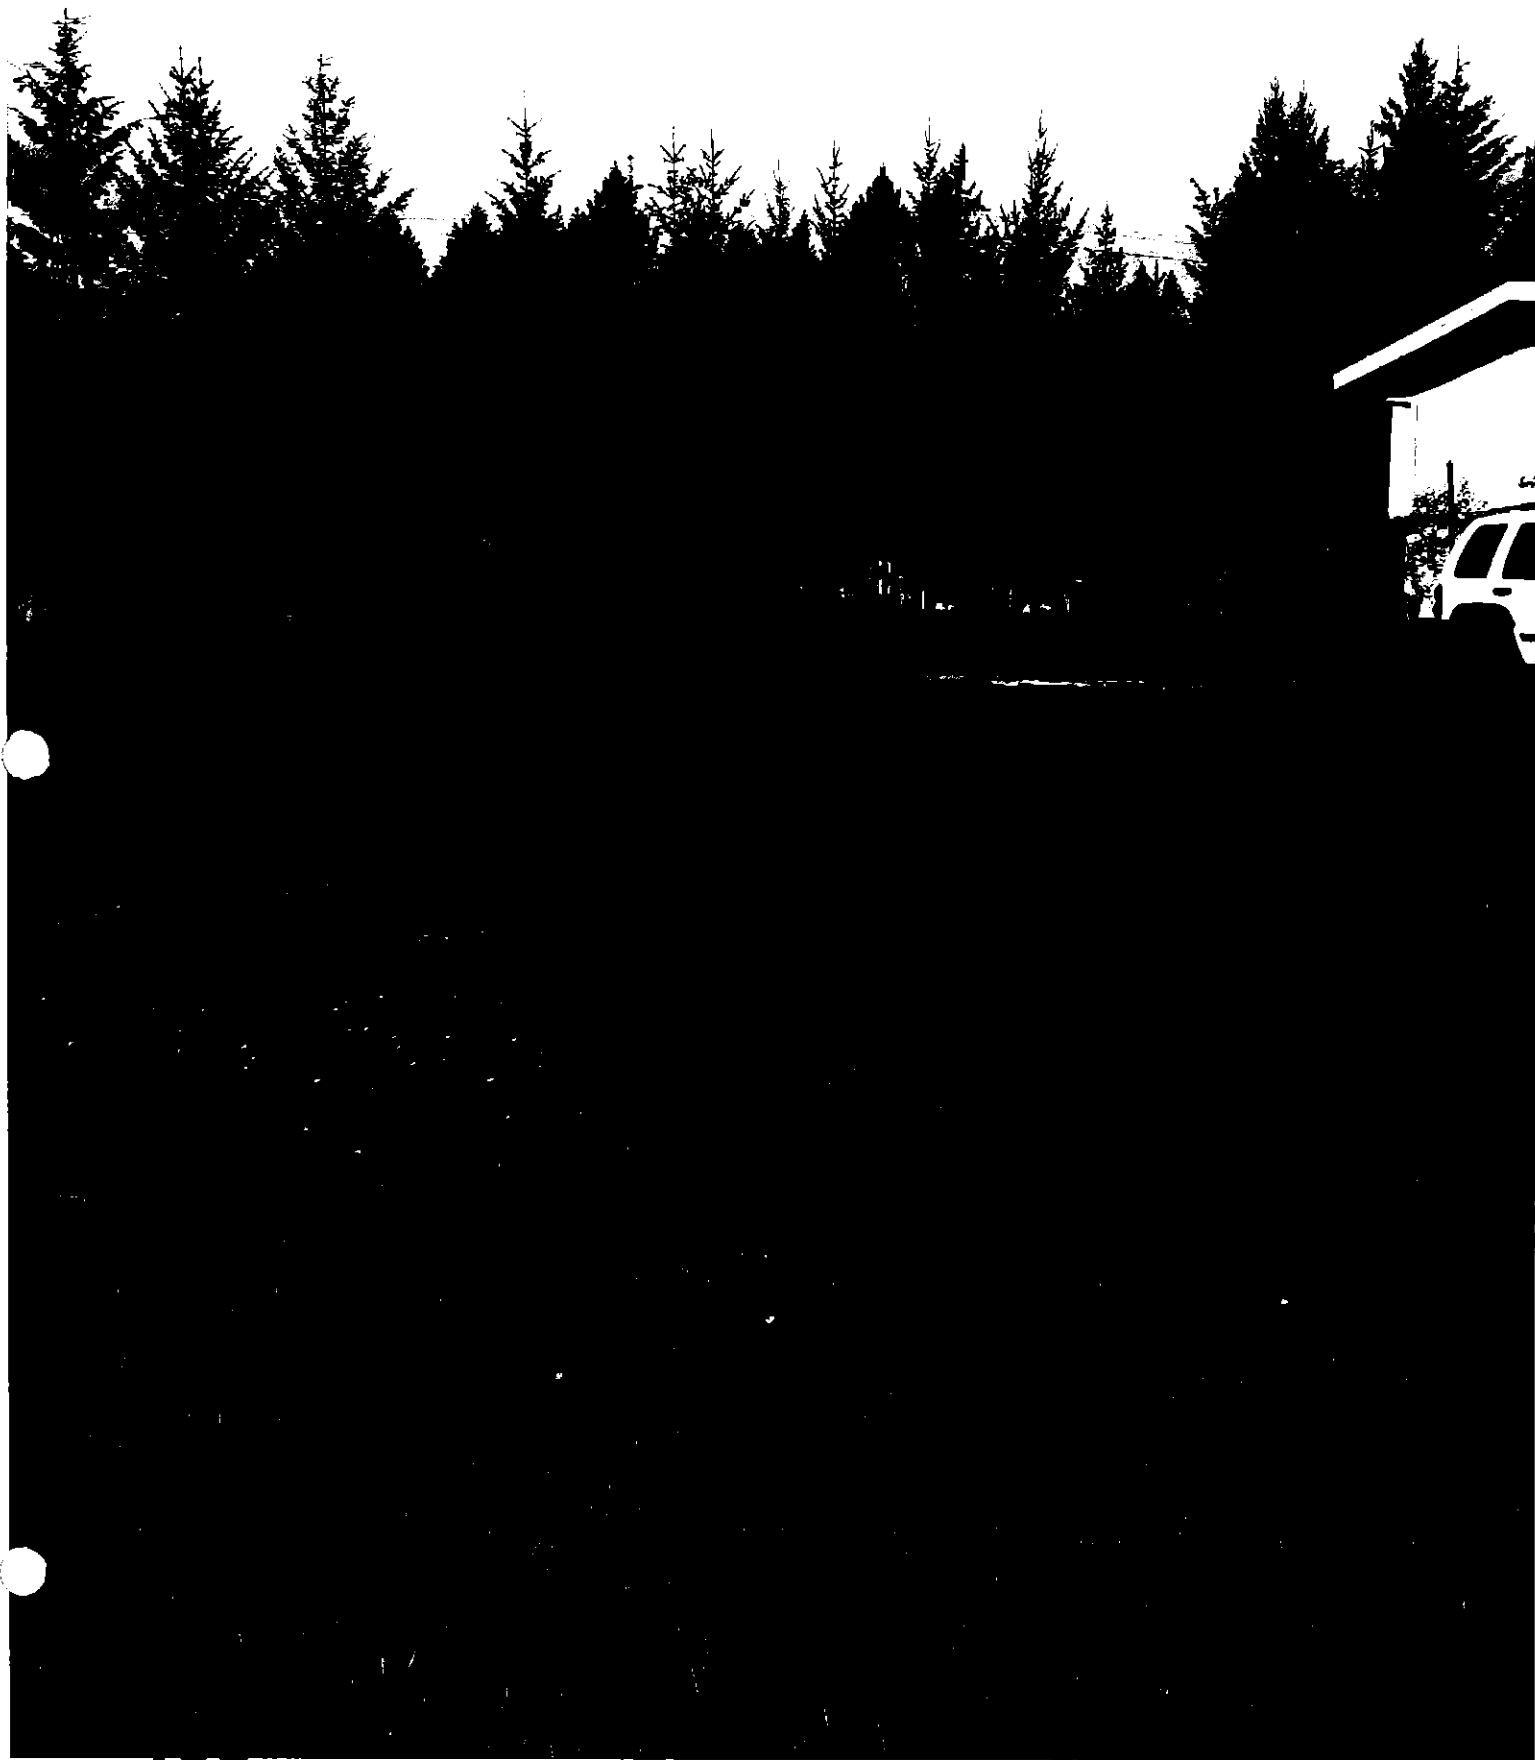

I would also like to mention that this event must bring in revenue to the Alberni Valley and as a supporter of young local entrepreneurs I really hope that you will consider Mr. Goddard's request.

Sincerely,

Steven Tatoosh

**Re: The Five Acre Shaker Music Festival**

Dear Ms. Towers and Mr Goddard:

This letter is in reference to The Five Acre Shaker Music Festival plan that you have submitted to this office. I have had the opportunity to review the documents. The general plan and actions outlined within meet what is expected for an event this size.

*\** I do wish to take this opportunity to remind you that this view is contingent upon what has been outlined being put into place. The responsibility for security remains with the organizers of "The Five Acre Shaker Music Festival". Although not required by the Ministry of Transportation and Infrastructure it is highly recommended that "certified flaggers" be used for traffic control on Beaver Creek Road.

If you have any further questions please do not hesitate to contact the Port Alberni RCMP Detachment.

Yours sincerely,

M. B. Richards, Inspector  
Office in Charge, Port Alberni Detachment

Where a temporary use permit is designated in an OCP, the Regional District must give notice to the public in accordance with the requirements of the Act which includes notifying the neighbouring property owners and tenants, and publishing a notice in the newspaper.

**B. Temporary Use Permit:**

The Temporary Commercial Use Permit for LOT 1, DISTRICT LOT 22, ALBERNI DISTRICT, VIP70566, 5771 Beaver Creek Road shall be subject to the following conditions:

1. This permit is only applicable to LOT 1, DISTRICT LOT 22, ALBERNI DISTRICT, VIP70566, 5771 Beaver Creek Road;
2. This permit is issued for a music festival from 5pm Friday, August 14, 2015 through 2pm on Sunday, August 16, 2015;
3. Music is allowed on Friday, August 14<sup>th</sup> from 5pm – 12am, and Saturday from noon – 12am. No music on Sunday;
4. First Aid personnel must be on site at all times during the event;
5. Confirmation from the Fire Chief that fire risk has been adequately planned for;
6. No camp fires or open flames permitted;
7. Drinking water and hand washing stations to be supplied for participants during the event;
8. Professional Security personnel to be on site 24 hours a day at a ratio of 50:1;
9. Six foot construction fence will be erected around festival area for security;
10. Twelve porta potties to be supplied and serviced daily;
11. Compliance with the Liquor Control and Licensing Act;
12. Garbage and recycling will be removed from property immediately after the event concludes;
13. A maximum of 500 parking spaces to be provided on site;
14. No parking on Beaver Creek Road;
15. Supply adequate traffic control as per Ministry of Transportation and Infrastructure recommendations;
16. A maximum of 1000 participants per day;
17. Compliance with recommendations provided by RCMP; and
18. Food vendors permitted with a 'Temporary Food Service Permit' issued through VIHA.

**Comments:**

The Five Acre Shaker is a music festival that aims to showcase local talent while raising money for local charities. The applicant indicates that music festivals are becoming a popular theme for communities to embrace as they stimulate the economy through sales in gas, hotels, food and drinks. The applicants have stated that the 2015 event will be an all-ages event with liquor being sold at the event by way of a "Special Occasion Licence". Approximately 500 parking spaces are available and 50 campsites available with 200 campers in total. Outside alcohol will be permitted at campsites.

The Five Acre Shaker Music Festival began in 2014 with approximately 500 participants per day at 5771 Beaver Creek Road during the August 8<sup>th</sup> – 10<sup>th</sup> weekend. The 2014 music festival was held without a permit from the Alberni Clayoquot Regional District (ACRD). Prior to the 2014 event the ACRD fielded calls from neighbours who were concerned with fire hazard, noise, and animal safety. After the event the ACRD received two noise complaints and the RCMP indicated that they received several noise complaints, traffic complaints, and one dropped 911 call from the property. RCMP indicated that they

**TUP15012**

More specifically, would you be able to review the Fire and Safety Management section of our proposal to ensure that you are satisfied that the risk of fire has been adequately managed for this event. This can be done via email or letterhead. If you don't feel that the fire and safety risk plan has been adequately managed, we are more than obliged to take any recommendations and include them in our fire risk management plan. I have highlighted the First Aid and Fire Sections of our Proposal below:

### Health and Safety

#### a. Fire

- Fire concerns are to be dealt with by heavy watering of the site in the days leading up to the event.
- Grass area is to be cut down very short to mitigate flammability.
- Large ashtrays to be available in abundance with constant reminders from the Emcee on stage to use ashtrays. Zero tolerance for butting out on the ground.
- A blessing from the Beaver Creek fire department with all local fire departments being made aware of the festival.
- Emergency vehicles will always have a vehicle lane clear to access the whole property. As per the RCMP suggestion.
- No camp fires / open flame cooking devices etc. will be permitted.
- Beaver Creek Fire Department will be present for Fire and First Aid Emergency Services

#### b. First Aid

- First Aid is to be provided by the Volunteers of Beaver Creek Fire Department
- First Aid station and Emergency Vehicle will be established in a central location on site

Below is the recommendation that Heather Adair has given us:

"This applicant has been in discussions with the Beaver Creek Volunteer Fire Department to discuss fire risk. Further discussion of the fire risk would need to be completed to ensure that the Fire Chief is satisfied that the risk of fire has been adequately managed if this application should proceed." Heather Adair – ACRD By-Law Officer/ Jr. Planner

We will be meeting with the ACRD this evening and will be given the opportunity to present our proposal. We need all of our documents in order before then, a simple email from yourself stating that you are satisfied with our Fire Risk Management Plan would be greatly appreciated. Thanks again for your time, you can contact me at 2507206781 or by email with any questions or concerns.

Regards,

**Lance Goddard**

**Owner Operator**

**Red Seal Electrician / Event Coordinator**

**LDG Electrical Limited / Five Acre Productions**

**Cell: (250) 720-6781**

**Email: [lancegoddard@shaw.ca](mailto:lancegoddard@shaw.ca)**

**e. General Safety**

- Area lighting will be provided around the whole event premises for safety and security of all personnel.
- Staff/ Volunteers/ Security will be available to answer any questions anyone will have.
- The land will be cleared and will be detailed to accommodate foot traffic.
- Mill felt will be laid down in the dance floor area.

**f. Rules and Regulations**

- On site security is available 24 hours a day throughout the weekend. Lock up all valuables to avoid theft.
- Five Acer Shaker wristbands must be worn at all times and are subject to inspection. Any wristbands found to be altered, tampered with or fraudulent will be removed and the owner will be escorted from the site.
- Any criminal activity, violence, public inebriation, destruction of property or any other violation of Five Acre Shaker 2015 rules is subject to removal of wristband and immediate ejection from the grounds and possible arrest.
- Two pieces of valid ID (1 photo) required at all times.
- Parents please be advised – underage drinking /contributing to a minor is a criminal offense. Police will be involved and violators are subject to removal or possible arrest.
- Outside alcohol is permitted in the camp site area only. Security will confiscate and dispose of alcohol found outside designated camp site areas.
- Show ground gates are scheduled to open from 5pm Friday August 14<sup>th</sup> until 12am. On Saturday August 15<sup>th</sup> the gates will be open at 12pm until 12am.
- With the exception of service dogs, NO animals are allowed at The Five Acre Shaker 2015.
- Patrons entering onto the festival property may have their image and/or likeness reproduced for promotional and/or publicity purposes in festival photography and/or web casts by the festival, contractor, media and/or partners of The Five Acre Shaker 2015. By entering the grounds, you agree to allow such use of your image and/or likeness by The Five Acre Shaker 2015.
- No personal ATV's, scooters, golf carts, horses, etc. allowed on site.
- No glass bottles or glass containers allowed
- The Five Acre Shaker and Five Acre Productions assume no liability for personal loss, injury, death, property damage or other related harm suffered by participants, spectators, site owners, leasers, or others who may be adversely affected by the event.
- THE SHOW WILL GO AHEAD RAIN OR SHINE.
- LINEUP SUBJECT TO CHANGE WITHOUT NOTICE.
- ALL SALES FINAL – NO REFUNDS.

Letter of opposition

To Whom it may concern:

I wish to inform the ACRD directors by way of this letter, that I am totally opposed to the "Five Acre Shaker|" that is proposed to be held at 5771 Beaver Creek Road on August 14-15 2015. I believe that having 1000 people in a residential area that is not zoned for this event is unacceptable for one or all of the following reasons:

- 1) The high level of noise the event will produce.
- 2) The amount of time that noise will be produced.
- 3) The extreme danger of a fire in the predicted driest summer in the Valley's history.
- 4) The volume of traffic that the event will produce.
- 5) The lack of financial information about the funds that will be generated.
- 6) The fact that this event is totally against the ACRD usage bylaw.
- 7) The ACRD staff has reviewed the application and recommended it be turned down.
- 8) The fact that 5 acres will not hold 1000 people,200,campers, 500 parked vehicles, a beer garden, stage area,dance floor,food vendors,and a merchandise area.

JUN 18 2015

Letter of opposition

To Whom it may concern:

I wish to inform the ACRD directors by way of this letter, that I am totally opposed to the "Five Acre Shaker|" that is proposed to be held at 5771 Beaver Creek Road on August 14-15 2015. I believe that having 1000 people in a residential area that is not zoned for this event is unacceptable for one or all of the following reasons:

- 1) The high level of noise the event will produce.
- 2) The amount of time that noise will be produced.
- 3) The extreme danger of a fire in the predicted driest summer in the Valley's history.
- 4) The volume of traffic that the event will produce.
- 5) The lack of financial information about the funds that will be generated.
- 6) The fact that this event is totally against the ACRD usage bylaw.
- 7) The ACRD staff has reviewed the application and recommended it be turned down.
- 8) The fact that 5 acres will not hold 1000 people, 200 campers, 500 parked vehicles, a beer garden, stage area, dance floor, food vendors, and a merchandise area.

Letter of opposition

To Whom it may concern:

I wish to inform the ACRD directors by way of this letter, that I am totally opposed to the "Five Acre Shaker|" that is proposed to be held at 5771 Beaver Creek Road on August 14-15 2015. I believe that having 1000 people in a residential area that is not zoned for this event is unacceptable for one or all of the following reasons:

- 1) The high level of noise the event will produce.
- 2) The amount of time that noise will be produced.
- 3) The extreme danger of a fire in the predicted driest summer in the Valley's history.
- 4) The volume of traffic that the event will produce.
- 5) The lack of financial information about the funds that will be generated.
- 6) The fact that this event is totally against the ACRD usage bylaw.
- 7) The ACRD staff has reviewed the application and recommended it be turned down.
- 8) The fact that 5 acres will not hold 1000 people, 200 campers, 500 parked vehicles, a beer garden, stage area, dance floor, food vendors, and a merchandise area.

Letter of opposition

To Whom it may concern:

I wish to inform the ACRD directors by way of this letter, that I am totally opposed to the "Five Acre Shaker|" that is proposed to be held at 5771 Beaver Creek Road on August 14-15 2015. I believe that having 1000 people in a residential area that is not zoned for this event is unacceptable for one or all of the following reasons:

- 1) The high level of noise the event will produce.
- 2) The amount of time that noise will be produced.
- 3) The extreme danger of a fire in the predicted driest summer in the Valley's history.
- 4) The volume of traffic that the event will produce.
- 5) The lack of financial information about the funds that will be generated.
- 6) The fact that this event is totally against the ACRD usage bylaw.
- 7) The ACRD staff has reviewed the application and recommended it be turned down.
- 8) The fact that 5 acres will not hold 1000 people, 200 campers, 500 parked vehicles, a beer garden, stage area, dance floor, food vendors, and a merchandise area.

Letter of opposition

To Whom it may concern:

I wish to inform the ACRD directors by way of this letter, that I am totally opposed to the "Five Acre Shaker|" that is proposed to be held at 5771 Beaver Creek Road on August 14-15 2015. I believe that having 1000 people in a residential area that is not zoned for this event is unacceptable for one or all of the following reasons:

- 1) The high level of noise the event will produce.
- 2) The amount of time that noise will be produced.
- 3) The extreme danger of a fire in the predicted driest summer in the Valley's history.
- 4) The volume of traffic that the event will produce.
- 5) The lack of financial information about the funds that will be generated.
- 6) The fact that this event is totally against the ACRD usage bylaw.
- 7) The ACRD staff has reviewed the application and recommended it be turned down.
- 8) The fact that 5 acres will not hold 1000 people,200,campers, 500 parked vehicles, a beer garden, stage area,dance floor,food vendors,and a merchandise area.

Whereas, pursuant to Section 921 of the *Local Government Act*, a local government may by resolution, on application of a property owner, issue a temporary use permit;

A Temporary Use Permit is hereby issued to:

**Name:** Lance Goddard

**Address:** 5771 Beaver Creek Road, Port Alberni, BC

With respect to:

**Legal Description:** LOT 1, DISTRICT LOT 22, ALBERNI DISTRICT, VIP70566

**PID:** 024-744-883

The Regional District of Alberni-Clayoquot hereby issues a Temporary Use Permit to Lance Goddard with respect to property legally described as LOT 1, DISTRICT LOT 22, ALBERNI DISTRICT, VIP70566 subject to the conditions as follows:

1. This permit is only applicable to LOT 1, DISTRICT LOT 22, ALBERNI DISTRICT, VIP70566;
2. This permit is issued for a music festival from 5pm Friday, August 14, 2015 through 2pm on Sunday, August 16, 2015;
3. Music is allowed on Friday, August 14<sup>th</sup> from 5pm – 12am, and Saturday from noon – 12am. No music on Sunday;
4. First Aid personnel must be on site at all times during the event;
5. Confirmation from the Fire Chief that fire risk has been adequately planned for;
6. No camp fires or open flames permitted;
7. Drinking water and hand washing stations to be supplied for participants during the event;
8. Professional Security personnel to be on site 24 hours a day at a ratio of 50:1;
9. Six foot construction fence will be erected around festival area for security;
10. Twelve porta potties to be supplied and serviced daily;
11. Compliance with the Liquor Control and Licensing Act;
12. Garbage and recycling will be removed from property immediately after the event concludes;
13. A maximum of 500 parking spaces to be provided on site;
14. No parking on Beaver Creek Road;
15. Supply adequate traffic control as per Ministry of Transportation and Infrastructure recommendations;
16. A maximum of 1000 participants per day;
17. Compliance with recommendations provided by RCMP; and
18. Food vendors permitted with a 'Temporary Food Service Permit' issued through VIHA.
19. Written response from the RCMP with their recommendations; and
20. Written approval from the Beaver Creek Volunteer Fire Department Fire Chief.

For clarity, this permit is valid from 5pm Friday, August 14, 2015 through 2pm on Sunday, August 16, 2015.

In accordance with the provision of Section 921 of the *Local Government Act*, approval of this permit was given by resolution of the Board of the Regional District of Alberni-Clayoquot on XXXX, 2015.

This permit was issued under the seal of the Regional District of Alberni-Clayoquot on XXXX, 2015.
