MILLSTREAM WATER SYSTEM

Alberni-Clayoquot Regional District

Millstream Water System General Information:

- The Millstream Water Local Service Area fees are regulated by Alberni-Clayoquot Regional District (ACRD) By-law No. F1144.
- The basic charge for a water connection is **\$3800.00 or the actual cost of construction—whichever is greater.** Please call the Manager of Operations if you require an application or have any questions at 250-720-2717.
- All new connections must be assessed and approved by the regional district. Any additional works required to supply water or, if the applicant requests service in excess of that which can be supplied by the existing works, the applicant may have to pay for all or part of the additional costs as determined by the regional district.
- Unless authorized by a Manager, no person shall: open, shut, adjust, draw water from or tamper with any of the water system works. A reconnection fee of **\$50.00** is applicable to any service that has been disconnected.

- Every owner must maintain the private water service on that owner's premises in good order and repair and must protect that private water service from frost and injury at that owner's own expense.
- All users per consumer unit are subject to the following basic charge:

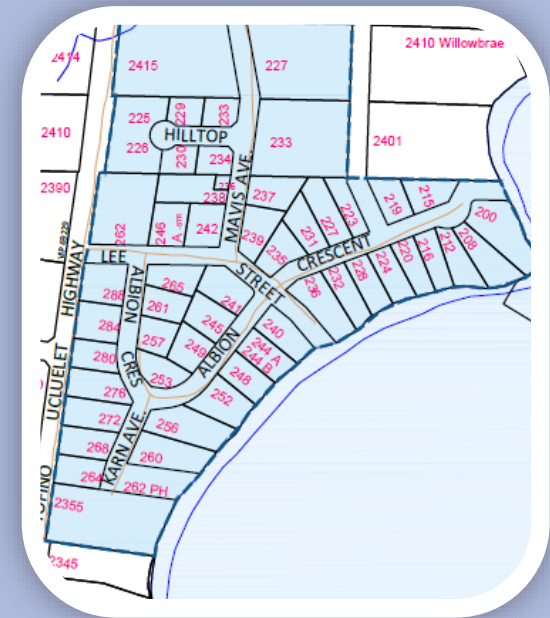

Effective Date	Rate per Quarter
January 2020	\$250
January 2021	\$255
January 2022	\$260
January 2023	\$265
January 2024	\$270

*Please note: All new connections are required to be metered at the time of connection.

The Manager may require a water service to be metered if:

- The premise is deemed to have a commercial use;
- Failure by the owner to obey the bylaw;
- The Manager believes water consumption exceeds an average of 108 cubic meters (m3) per quarter;
- Failure to maintain the private water service in a good state of repair.

*What Properties are
Included in the
Millstream Water Local
Service Area?*
