

ZONING REVIEW & PROPOSED OCP AMENDMENTS QUESTIONNAIRE BAMFIELD OPEN HOUSE

The ACRD is doing a complete review and update of the zoning bylaw for the entire regional district. Associated with this review are a number of amendments to the OCPs for all electoral areas. Please take a few minutes to answer the yes or no questions below. Additional space for more comments is on the backside. Your input is valuable to us!

	Yes	No
We have completed many changes to the keeping of animals section including the ability to have poultry on smaller lots and allowing bee keeping. Are you in favour of these changes?		
If no, please explain:		
Water zones have been created to help regulate development of docks and boathouses. Are you supportive of these zones?		
If no, please explain:		
Extending development permit area (DPA) IV from 15 m to 30 m landward and seaward is being proposed for the Bamfield OCP. This will assist with dock regulation and include protection of sensitive areas. Do you support this DPA change?		
If no, please explain:		
The zoning bylaw document has been re-formatted to be more user friendly. Do you find it easier to follow?		
If no, please explain:		
The definitions and general regulations in the zoning bylaw document have been reviewed and updated. Do you find them helpful and easy to understand?		
If no, please explain:		
Updates have been made to home occupation regulations, and regulations for home industry have been introduced. Do you support home based businesses?		
If no, please explain:
