ACRD Hires Regional Fire Services Manager

The Alberni-Clayoquot Regional District (ACRD) is pleased to announce the hiring of Mr. Charlie Starratt to the position of Regional Fire Services Manager.

Charlie has been in a leadership capacity with the Beaver Creek Volunteer Fire Department for 27 years as Chief, plus another ten years in the department prior to becoming Chief. Charlie also brings 42 years of industrial emergency operations experience with the local paper mill.

“Charlie Starratt has a history of exemplary leadership while with the Beaver Creek Volunteer Fire Department and of maintaining excellent relationships with the other departments with which Beaver Creek so closely works. We are pleased that Charlie is joining us in this new capacity” said Douglas Holmes, CAO of the ACRD.

“I am excited to continue to support and share the knowledge I have gained over the years with the Fire Chiefs in the Alberni-Clayoquot Regional District”, said Charlie.

The Regional Fire Services Manager will be the key manager responsible for providing leadership, coordination and organizational management support to the Fire Chiefs of the Sproat Lake, Beaver Creek, and Bamfield Volunteer Fire Departments.

Charlie will commence his role as Regional Fire Services Manager on March 3, 2020.
