

OTHER DISTRICTS

Tofino

- The District of Tofino has adopted a bylaw that prohibits the use of any land, building, or structure for the sale, production, or distribution of cannabis.
- District of Tofino Staff have developed a Temporary Use Permit policy that will allow cannabis retail outlets to operate if they are successful in obtaining the permit. Longer term zoning regulations are still in development.
- The TUP policy will allow a maximum of three retail operations within the District of Tofino.
- Commercial cannabis production is not permitted at this time.

Ucluelet

- The District of Ucluelet has introduced a bylaw indicating that cannabis sales and production are not currently permitted in any zone within the municipality.
- Any cannabis retail locations must apply for rezoning, with specific criteria around location, appearance, proximity to sensitive areas, and other relevant issues. A Temporary Use Permit may also allow cannabis retail.
- Commercial cannabis production is not permitted at this time.

Regional District of Nanaimo

- The Regional District of Nanaimo has taken a similar approach to the ACRD regarding cannabis production and retail.
- Retail store application referrals will be evaluated based on location, proximity to sensitive areas, size, zoning, traffic, and other relevant criteria. Referrals will then be evaluated by the Board of Directors and may be approved if deemed appropriate.
- The application fee for a Cannabis Retail Store is set at \$4000.
- Cannabis production is limited to particular industrial and larger lot zones, with minimum setbacks of 30m to 150m from all lot lines, depending on adjacent land uses.

Comox Valley Regional District

- The CVRD has introduced a bylaw that prohibits the production and sale of non-medical cannabis.
- Any cannabis production or retail sales proposal will have to undergo a Rezoning or Temporary Use Permit application.
- At this time, no commercial production or retail of non-medical cannabis is permitted.
