

Commercial Recycling Options for Port Alberni Businesses

Waste Management

Contact: Keenan Ebanks 250-896-1040

kebanks@wm.com

Waste Management offers roll out recycling totes (Thursday pickup) and front load dumpster recycling services (Tuesday pickup) in Port Alberni. Sizes range from a 64 Gallon roll out tote to a 8 yard front load steel dumpster. These services are available on a variety of schedules ranging from once a month pick up to a maximum of once per week service schedule. Both options allow for full single stream recycling in that hard plastic containers #1 - #7, waste paper and tin cans can be blended into the container and do not require separation.

Waste Connections

Contact: Steve Hockings 250-740-7978

Steven.Hocking@wasteconnections.com

Waste Connections offers a range of options for commercial cardboard as well as a comingling recycling service. 240-360L recycling totes are available (Thursday pick up), with front load bins (up to 3-6 yards), roll off bins (up to 12-20 cubic yards) with associated pick up days available Monday, Wednesday, Friday. The comingling options allows for paper, cardboard, boxboard, hard plastics #1-7 and tin. Please connect with Steve to further discuss frequency of pickup and pricing.
