**School District 70 - Playground Closures**

---

In keeping with actions taken by the City of Port Alberni and the Alberni-Clayoquot Regional District, effective immediately all playgrounds located on School District 70 property are closed until further notice. This decision is not made lightly but rather in an attempt to stop the spread of the COVID-19 virus that can live on and be transferred from the surfaces of playground equipment. Appropriate signage will be posted as soon as possible.

Greg Smyth  
Superintendent of Schools
