To: Parcel Tax Roll Review Panel
From: Teri Fong, CPA, CGA, Collector
Meeting Date: February 28, 2023
Subject: Parcel Tax Roll Authentication 2023

Recommendation:

That the Parcel Tax Roll Review Panel hereby certify that the following Alberni-Clayoquot Regional District Parcel Tax Rolls have been authenticated for 2023 as per Section 206 of the Community Charter:

- *Bamfield Water System Local Service Area*
- *Bamfield Water System Treatment Plant Debt Local Service Area*
- *Beaver Creek Water System Local Service Area*
- *Salmon Beach Power Local Service Area*
- *Salmon Beach Sewage / Security / Garbage / Recreation / Transportation / Water Local Service Area*
- *South Long Beach Multi-Purpose Path Local Service Area*
- *Sproat Lake Community Association Local Service Area*

Desired Outcome:

To fulfill the legislative requirements for certifying the parcel tax rolls for 2023.

Summary:

The following steps were carried out as part of the parcel tax roll review for 2023:

1. BC Assessment updated the folio listing during 2022 to reflect subdivisions, consolidations and any other property changes that resulted in the addition or deletion of folios.
2. The Surveyor of Taxes loaded the database from BC Assessment into etaxBC for the Alberni-Clayoquot Regional District (ACRD) to review. All new folios are flagged by the Surveyor of Taxes as requiring investigation by the ACRD.
3. Advertisements were placed in the Alberni Valley News and the Westerly to advise of the parcel tax review process. As part of this advertisement, contact information was provided so that a member of public could make an appointment to come in to view the roll. No appointments have been requested.
4. The Chief Financial Officer provides the new folio listing to the Planning Assistant to review and confirm the nature of the new folios. All foreshore leases and crown properties are removed as they are considered exempt.
5. The ACRD mailed all owners of the newly identified folios a letter advising that their property will be added to the applicable 2023 parcel tax roll and information on how to request an amendment. There were 3 new

parcels identified which will be potentially added in 2023:

Folio	Parcel Tax
770 002774.000	Bamfield Water System
770 001875.001	Beaver Creek Water System
770 000502.002	Beaver Creek Water System

6. No requests for amendments to the roll have been received for the 2023 tax roll.
7. Since no amendments have been requested, the 2023 Parcel Tax Rolls are simply to be authenticated by the Roll Review Panel. A copy of the '2023 Parcel Tax Rolls Certificate of Authentication' is attached.

Policy or Legislation:

Part 7, Division 4 of the Community Charter governs the parcel tax process.
