Re: Subject Property: 6505 Fayette Road, P1479 (Poirier)

In regards to the above mentioned property, rezoning from a Small Holdings District to Acreage Residential District to facilitate a four-lot subdivision, we absolutely **DO NOT APPROVE**.

We moved out to the rural country for the acreages, privacy and beauty, not for it to become a subdivision. When we purchased our property over twenty years ago we couldn't go any smaller than two and a quarter acres, that is rural living. Gives you the opportunity to farm and have animals and not bother your neighbours.

If you want to live in a subdivision move to town, this is regional district, not city!

Please take the above into consideration, we do not approve of this proposal!

Regards,

Brad & Nadia Skjoldal
