Recommendation:

That the Parcel Tax Roll Review Panel hereby certify that the following Alberni-Clayoquot Regional District Parcel Tax Rolls have been authenticated for 2024 as per Section 206 of the Community Charter:

- *Bamfield Water System Local Service Area*
- *Bamfield Water System Treatment Plant Debt Local Service Area*

Desired Outcome:

To fulfill the legislative requirements for certifying the parcel tax rolls for 2024.

Summary:

The following steps were carried out as part of the parcel tax roll review for 2024:

1. BC Assessment updated the folio listing during 2023 to reflect subdivisions, consolidations and any other property changes that resulted in the addition or deletion of folios.
2. The Surveyor of Taxes loaded the database from BC Assessment into etaxBC for the Alberni-Clayoquot Regional District (ACRD) to review. All new folios are flagged by the Surveyor of Taxes as requiring investigation by the ACRD.
3. Advertisements were placed in the Alberni Valley News and the Westerly to advise of the parcel tax review process. As part of this advertisement, contact information was provided so that a member of public could make an appointment to come in to view the roll. No appointments have been requested.

4. The Chief Financial Officer provides the new folio listing to the Planning Assistant to review and confirm the nature of the new folios. All foreshore leases and crown properties are removed as they are considered exempt.
5. The ACRD mailed all owners of the newly identified folios a letter advising that their property will be added to the applicable 2024 parcel tax roll and information on how to request an amendment. There were 5 new parcels identified which will be potentially added in 2024:

Folio	Parcel Tax
770 002841.055	Bamfield Water System
770 000781.002	Sproat Lake Community Association
770 000781.003	Sproat Lake Community Association
770 001256.011	Beaver Creek Water System
770 001256.012	Beaver Creek Water System

6. No requests for amendments to the roll have been received for the 2024 tax roll.
7. Since no amendments have been requested, the 2024 Parcel Tax Rolls are simply to be authenticated by the Roll Review Panel. A copy of the '2024 Parcel Tax Rolls Certificate of Authentication' is attached.

Policy or Legislation:

Part 7, Division 4 of the Community Charter governs the parcel tax process.
