The northern border of our property which borders 245 boardwalk was “repositioned” 3.2 meters to the south without our Knowledge in 2022.

The issue is in dispute and I request the planned amalgamation of properties be postponed until the dispute is resolved.

I will inform you of progress.

Yours respectfully,

Marc Phillips

Hi there:

Only just received my notice in the mail today (June 25) and finished reading info online at 4:24 so am emailing you now.

I own Block 34, corner of Winston Avenue and Kings Road. I am rushing so that I don't miss your June 25 deadline for input.

I am good with this proposal as long as Kings Road is not altered or blocked in any way as this is dedicated road and part of a possible future access to my property.

Thank you,
Kristine Paton
