Subject: Request for Letter of Support – REDIP Capacity Application

Hello Bob,

Huu-ay-aht First Nations is submitting a REDIP Capacity Program application to establish a Tourism Specialist position. This role will support HFN's Cultural & Visitor Information Centre, the Indigenous-led DMO, and the implementation of MRDT in addition to HFN's overall tourism initiatives in alignment with an existing Economic Development Plan.

Tourism in Bamfield and Anacla has already increased following the Bamfield Road upgrade, and the Tourism Specialist will ensure this growth is well-managed, coordinated, and tied into regional tourism strategies. For ACRD, this represents a clear opportunity to strengthen regional collaboration and planning, while ensuring the benefits of tourism are maximized across the community of Bamfield.

A letter of support from ACRD would be very impactful in showing the regional importance of this work and our collaborative approach.

Yours sincerely,

ᐱᓃᓃᓃ (tł-eko, Thank you!)
