## SECTION I – GENERAL

### 1.1 PURPOSE OF REQUEST FOR PROPOSAL (RFP)

The Alberni-Clayoquot Regional District (ACRD) is requesting consulting services for project management related to ACRD Rail Corridor project planning; which includes engagement activities, technical analysis, economic analysis, programming, and work planning.

The ACRD has undertaken this RFP with the intention to enter into an agreement with one Proponent. This RFP does not constitute an offer and does not give rise to any Contract A-based tendering law duties, and the ACRD will not have any liability or obligation to anyone in connection with this RFP unless an agreement is approved by the ACRD Board of Directors, and executed and delivered in writing.

The ACRD may, among the submissions received, deal or negotiate with any party as the ACRD sees fit, and with more than one such party concurrently. In no event will the ACRD be required to offer any modified terms to any other party. The ACRD shall incur no liability to any person as a result of such negotiations or modifications.

The ACRD reserves the right to use and include any ideas, concepts, alternate solutions, extra features, enhancements and performance concepts presented in any proposal, whether or not that proposal is selected by the ACRD.

The evaluation of responses will be based on a number of factors, weighted according to the needs and judgment of the ACRD. Any Proposal will not necessarily be selected. Any implication that the lowest cost or any Proposal will be accepted is hereby expressly negated. The ACRD reserves the right to accept the Proposal which it deems most advantageous, and the right to reject any or all Proposals, in each case without giving any notice. In no event will the ACRD be responsible for the costs of preparation or submission of any Preliminary Submission or Proposal.

### 1.2 BACKGROUND FOR RFP

The ACRD has received a Island Rail Corridor Planning Grant. The Ministry of Transportation and Infrastructure (MOTI) has provided this opportunity to help develop a vision for the future of the Island Rail Corridor, which is the collection of parcels of land which include the Victoria Subdivision, the Port Alberni Subdivision, and the Wellcox spur. In implementing this grant, the ACRD will be working in full collaboration with the Hupacasath and Tseshaht First Nations, as well as other local governments/communities impacted by the corridor, local interested parties, and a multi-jurisdictional working group.

### 1.3 RFP DISTRIBUTION AND ENQUIRIES

The ACRD will not be opening Proposals in public and reserves the right to open Proposals in public at its sole discretion.

Proponents must ensure that they have received all addenda and the complete RFP. The complete document consists of twenty one (21) pages including the Cover Page and Appendices.

All enquiries related to this RFP are to be directed in writing, only to Kyle Ilett (or designate) at the contact address below:
