Today Marks the 10th Anniversary of Maa-nulth Treaty

Among its many important accomplishments, the Maa-nulth Treaty strengthened the governance of the Alberni-Clayoquot Regional District (ACRD) by adding to its Board of Directors from the Huu-ay-aht First Nations, Toquaht Nation, Uchucklesaht Tribe Government, and Yuułuʔiłʔatḥ Government. The fifth nation from the Treaty, Ka:'yu:'k't'h'/Che:k'tles7et'h' First Nations, will join the Strathcona Regional District this year.

In addition to admiring and respecting the Maa-nulth Treaty Nations for the work done in these first 10 years to strengthen their cultures, their communities, and the opportunities for their citizens today and for generations to come, the ACRD acknowledges the positive contribution of their Directors appointed to the Board in our service to the entire Region.
