ANCIENT SPIRIT, MODERN MIND

NEWS RELEASE

For Immediate Release
August 12, 2021

The Alberni-Clayoquot Regional District and Huu-ay-aht First Nations are aware and very concerned about the notification of termination of the Lady Rose Marine Services.

We are taking steps to find alternate services providers. The Bamfield Area Director will be facilitating a Stakeholder discussion meeting on Monday, August 16. The goal of this meeting is to address the termination of this extremely important service and to find alternate appropriate service levels.

We are working very closely with MLA Josie Osborne's office, to work towards a satisfactory resolution. We also recognize the impact on the existing ownership and especially their staff who have proudly serviced our region for many many years.

For more information, contact:
Director Bob Beckett, Electoral Area "A" (Bamfield)
