# Stakeholder Notification

Date | Time: 11/24/2021 8:48 AM

Via email

Attention: Stakeholders

## Event Type: Heavy rain and possible wind over next 24 hours

A weather event is anticipated to impact the Mid-Vancouver Island Service Area. Rainfall totals could reach 100mm to 150mm over the next 24 hours as well as strong southerly winds near the coast all day Wednesday and Thursday.

Localized flooding is possible during this time and Mainroad crews will be patrolling for potential issues on all Service Area Highways and responding to reports from our 24-hour communication line.

Please slow down and move over for all roadside workers, drive with caution and before heading out check with [www.DriveBC.ca](http://www.DriveBC.ca) for road condition updates.

Our 24-hour communications and dispatch office will pass on all your observations and concerns to our crews when contacted. As always, a reminder to visit [www.drivebc.ca](http://www.drivebc.ca).

**See an issue on Mid-Island Highways? Give us a call!**

To be removed from our Email Distribution List, please contact [communications@mainroad.ca](mailto:communications@mainroad.ca)
