Attention: Stakeholders

Event Type: Snow accumulations up to 25cm

A winter storm warning is in effect for central and east Vancouver Island. Heavy snow fall is anticipated with totals up to 25 cm's overnight. Tomorrow morning snow will change over to rain with risk of freezing rain causing surfaces to become icy and slippery.

Mainroad crews are currently out pre applying anti-icing product on all major Service Area highways and applying sand to side road hills and corners. During the event they will be out plowing until the event ends and roadways are back to normal.

Please drive with extra caution. Check www.DriveBC.ca for road condition updates before travelling.

Our 24-hour communications and dispatch office will pass on all your observations and concerns to our crews when contacted. As always, a reminder to visit www.drivebc.ca.
