

ALBERNI-CLAYOQUOT
REGIONAL DISTRICT

3008- 5th Ave, Port Alberni, V9Y 2E3

PRESS RELEASE

For Immediate Release
October 6, 2020

ACRD – 3rd Ave. Recycling Depot Now Open!

The Alberni-Clayoquot Regional District is pleased to announce that the 3rd Ave. Recycling Depot located at 3620 3rd Ave. in Port Alberni is now re-opened for your recycling needs. Upon arrival you will notice some changes as it has been re-designed to meet the Covid-19 WorkSafeBC regulations. The re-design plan was created by the Nanaimo Recycling Exchange team. You will notice some changes on how the Recycle BC materials and Stewardship items are now accepted. In order to keep the public and staff safe the ACRD asks the public to please follow these guidelines:

- Pre-sort all of your recycling prior to arrival
- Carts are provided for use to go through the depot in one trip
- Please wear your mask at all times while on site
- Follow staff direction as the pedestrian traffic flow has changed for Covid-19 safety
- Physical distance from others and follow the signs on site
- Please be patient and respectful of staff as the new design and procedures are just as new to them as they are to you

The new hours of operations are Tuesday to Saturday 9:30am to 5:00pm, closed Sunday & Monday and statutory holidays.

The ACRD would like to thank all of those that have come together to make this happen and for the residents of Port Alberni for their patience and understanding during the closure. We would also like to thank the Alberni Valley Landfill staff for stepping up and assisting the public with their recycling needs during the 3rd Ave. Recycling Depot closure. The landfill recycling area will continue to accept all of the recycling and stewardship products that were recently added.

If you have any questions or comments please contact Recycling@acrd.bc.ca
