Boundary Clarification
 OCP area boundary updated September 2022 to correct an error and align with area boundary in existing Bamfield OCP Bylaw P1309.

Sources
 All basemap datasets sourced from Province of BC or Government of Canada.

Notes
 1) "Other Jurisdictions" refers to communities located in the ACRD but under separate jurisdiction. This includes: City of Port Alberni, District of Tofino, District of Ucluelet, Treaty First Nation Lands, and First Nation Reserve Lands.
 2) For ease of cartographic representation, zoning or OCP designation boundaries adjusted to water feature edges, parcel edges, and/or road centerlines when adjacent.
 3) As external agency datasets undergo updates, the Zoning Bylaw and OCP datasets may be periodically adjusted through a bylaw amendment to re-align to those datasets.
