To whom it may concern,

Please accept this correspondence as our disagreement with the proposed height increase of a storage building from 12' to 14.25' with regards to Lot 1, block 47, section 49, Clayoquot District, plan 510 PID: 008-366-021.

Our reasoning is simple, we built our shed to the bylaw requirements of 12' and would hope that all Salmon Beach owners respect the bylaws concerning this issue.

Sincerely,

Alex and Shannon Floucault
1153 Sixth Ave. Salmon Beach
